**Victorious Living: Finding Satisfying Victory in God** Carl Shank, 2020-01-18 I am more and more convinced that many well intentioned Christians live far below their promises from God or presume upon God for too much of the good life whatever that may mean We want to live on the mountain top of God s favor but too often find ourselves in the valley of trouble and outright despair We have to learn how to live victoriously in the valleys of life with God I believe this is not only possible but should be the Christian normal for those wishing to live Christ centered lives

**Following Jesus**

Blake Ferriss,2019-05-15 Jesus spoke to the people once more and said I am the light of the world If you follow me you won't have to walk in darkness because you will have the light that leads to life John 8:12 NLT Following Jesus An Approach to Christian Spirituality provides a basis for understanding how the Lordship of Christ is the essential criterion for determining how Christianity functions as a relational experience with God With that relational experience for the believer in Christ being the product of supernatural experience with the Holy Spirit The book functions as an organizing tool to be used for a conscientious inquiry into how a Christian worldview operates in four relational categories of experience With these relational categories act as a basis for understanding how our choices affect our lives and our futures both now and in life and eternally and how it is that God loves us and will give our lives the meaning and purpose that we all long for

**Understanding New Perspectives of Spirituality** Edie Lanphar, Agata Wilczek, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2015 This book deals with the rapidly developing field of spirituality Although having a singularity of focus the chapters have been written by a cross cultural and international set of researchers who discuss critical issues from an interdisciplinary perspective Thus while a broad range of critical aspects emerge the chapters are threaded together by the concept of spirituality as a lone walk While alone the spiritual journey is also deeply connected to others As a deeply human experience the chapters in this book therefore reflect the prismatic viewpoints that form the understandings and experiences of the spiritual walk This book challenges the reader to start to understand the apparent ambiguity this appears to bring to researchers and practitioners Rather than a roadblock to understanding the multiple frames and facets this brings it is instead a rich field for the exploration of the human condition Spiritual Disciplines Devotional Valerie E. Hess, 2007-05-30 Have you been longing to learn more about spiritual disciplines but haven't known where to start Focusing on a different core spiritual discipline each month this year long devotional includes brief daily readings to help you develop holy habits Once a week family activities are also included to interactively teach children about spiritual disciplines Toward a Theology of Psychological Disorder Marcia Webb, 2017-08-15 How do Christians in the twenty first century understand psychological disorders What does Scripture have to teach us about these conditions Marcia Webb examines attitudes about psychological disorder in the church today and compares them to the scriptural testimony She offers theological and psychological insights to help contemporary Christians integrate biblical perspectives with current scientific knowledge about mental illness
