*Happiness Is.* Shawn Christopher Shea, 2004-10-01 In this highly entertaining and literate book Shawn Christopher Shea takes us on a provocative journey into the world of practical philosophy applied spirituality and everyday psychology Calling upon more than twenty years of clinical experience fifty years of navigating life's ups and downs and an array of thinkers and pop icons from Alan Watts to Albert Einstein Billy Graham to Bob Dylan the Dalai Lama to the English mystic Julian of Norwich he weaves a gentle compassion and a tart wit into this compelling look at human nature and our never ending quest for happiness Not content with traditional stereotypes of happiness Shea is on a search for a tougher happiness that is present and revitalizing even during times of stress loss and pain He begins with the intriguing twist that happiness is not so much a feeling as it is both an attitude and a feeling He shows how to distinguish between success and happiness emphasizing the importance of embracing life as a series of moments to savor as opposed to a series of goals to achieve For Shea happiness is determined within each moment by five interacting processes our biologies our perspectives our relationships our environments and our spiritual quests These five interacting constantly shifting processes give happiness its fluid nature change one factor and you change them all This matrix effect explains why happiness is often elusive and fleeting It need not be so Using the human matrix Shea shows what it is that limits our ability to find happiness and what it is that allows us to transcend those very same limits Shea demonstrates how an understanding of this human matrix can be used to forge a resilient and enduring attitude of trust and a resulting feeling of confidence and compassion a combination we call happiness Written with elegance wit and a disarming playfulness Shea's surprising answers to difficult questions are not so much things to do as they are creative ways of thinking fresh manners of conceptualizing and innovative approaches to understanding human nature all of which are invaluable tools for finding our own unique answers to the puzzle of happiness A bold dazzling and wonderfully fresh antidote to the simplistic platitudes so common in the self help books of today Shawn Christopher Shea pulls on everything from his clinical practice to arcane philosophy to pop culture as he poignantly answers a most modern question If we're so successful why aren't we happier The end result is deeply affecting often funny and always instructive Destined to inspire an entire generation with the excitement and happiness to be found in the nurturance of compassion and the quest for meaning Paul Farmer M D Ph D Harvard Medical School Following in the groundbreaking footsteps of M Scott Peck's *The Road Less Traveled* Shawn Shea guides us down the road to happiness in his insightful and engaging book I found it very compelling Jack Canfield Co creator of *Chicken Soup for the Soul* This book is in a very special group of works that springing from clinical experience and wisdom moves to expand with wondrous insights the life of all those it touches Juan E Mezzich M D Ph D President Elect World Psychiatric Association A remarkable achievement that is a wonderful blend of science philosophy clinical wisdom and personal anecdote Using a writing style that is enjoyable engaging and incredibly effective Shea has crafted a book that will have an impact and make a difference in many many lives It will

stay with you challenge you and change the way you look at the world M David Rudd Ph D ABPP Baylor University President American Association of Suicidology A moving book filled with touching and insightful stories containing much wisdom and the practical methods of applying them to our lives to help us find happiness meaning and a successful life Bernie Siegel M D Author of Prescriptions For Living and 365 Prescriptions For the Soul **Happiness is** Shawn C. Shea,2004 [Success & Happiness One Day at a Time; an instructional manual for your life](#) , **Psychiatric Interviewing E-Book** Shawn Christopher Shea,2016-09-19 With time at a premium today's clinicians must rapidly engage their patients while gathering an imposingly large amount of critical information These clinicians appropriately worry that the person beneath the diagnoses will be lost in the shuffle of time constraints data gathering and the creation of the electronic health record Psychiatric Interviewing The Art of Understanding A Practical Guide for Psychiatrists Psychologists Counselors Social Workers Nurses and other Mental Health Professionals 3rd Edition tackles these problems head on providing flexible and practical solutions for gathering critical information while always attending to the concerns and unique needs of the patient Within the text Dr Shea deftly integrates interviewing techniques from a variety of professional disciplines from psychiatry to clinical psychology social work and counseling providing a broad scope of theoretical foundation Written in the same refreshing informal writing style that made the first two editions best sellers the text provides a compelling introduction to all of the core interviewing skills from conveying empathy effectively utilizing open ended questions and forging a powerful therapeutic alliance to sensitively structuring the interview while understanding nonverbal communication at a sophisticated level Updated to the DSM 5 the text also illustrates how to arrive at a differential diagnosis in a humanistic caring fashion with the patient treated as a person not just another case Whether the reader is a psychiatric resident or a graduate student in clinical psychology social work counseling or psychiatric nursing the updated third edition is designed to prepare the trainee to function effectively in the hectic worlds of community mental health centers inpatient units emergency rooms and university counseling centers To do so the pages are filled with sample questions and examples of interviewing dialogue that bring to life methods for sensitively exploring difficult topics such as domestic violence drug abuse incest antisocial behavior and taking a sexual history as well as performing complex processes such as the mental status The expanded chapter on suicide assessment includes an introduction to the internationally acclaimed interviewing strategy for uncovering suicidal ideation the Chronological Assessment of Suicide Events CASE Approach Dr Shea the creator of the CASE Approach then illustrates its techniques in a compelling video demonstrating its effective use in an interview involving a complex presentation of suicidal planning and intent A key aspect of this text is its unique appeal to both novice and experienced clinicians It is designed to grow with the reader as they progress through their graduate training while providing a reference that the reader will pull off the shelf many times in their subsequent career as a mental health professional Perhaps the most unique aspect in this regard is the addition of five complete chapters on Advanced and Specialized Interviewing which

comprise Part IV of the book which appear as bonus chapters in the accompanying e book without any additional cost to the reader With over 310 pages this web based bonus section provides the reader with essentially two books for the price of one acquiring not only the expanded core textbook but a set of independent monographs on specialized skill sets that the reader and or faculty can add to their curriculum as they deem fit Zany, Zeal, Zeat and Zing Zaibun Nissa Siraj,2008 Written in a pragmatic yet inspirational style this book provides relevant and useful information on happiness It includes a brief history of happiness and motivates readers to apply strategies related to happiness in their day to day life It also discusses the benefits of being happy and the consequences of being unhappy The strategies are listed under the headings Zany Zeal Zest and Zing Each chapter is unique and will be of great interest to readers Book jacket American Book Publishing Record ,2003
