Hard Earned Lessons From Counselling In Action:

Hard-Earned Lessons from Counselling in Action Windy Dryden, 1992-09-08 This is a very honest book and should be essential reading for anyone beginning training as a counsellor It will also be useful for experienced therapists to stimulate reflections on their own practice to examine their work and to learn from errors It is refreshing to witness the honesty and openness of the writers especially so in the present culture where many therapists set themselves up as flawless experts I would recommend this book it provides an informed and open discussion on the problems encountered by therapists Clinical Psychology Forum Counsellors often struggle in their work with clients convinced that their more experienced colleagues have not encountered similar problems and worries In this volume some of Britain's leading counsellors give the lie to this myth Writing openly and frankly they share the painful lessons they have learned over the course of their careers as practitioners The contributors combined experience proves that all counsellors no matter how expert or well known have made mistakes or faced challenges and from them have had to learn aspects about the process of counselling the hard way The five lessons from each contributor are placed in the context of the counsellor's own particular circumstances and a concluding section in each chapter links the connecting themes that emerged throughout their learning process

Hard-Earned Lessons from Counselling in Action Windy Dryden, 1992-09-08 This is a very honest book and should be essential reading for anyone beginning training as a counsellor It will also be useful for experienced therapists to stimulate reflections on their own practice to examine their work and to learn from errors It is refreshing to witness the honesty and openness of the writers especially so in the present culture where many therapists set themselves up as flawless experts I would recommend this book it provides an informed and open discussion on the problems encountered by therapists Clinical Psychology Forum Counsellors often struggle in their work with clients convinced that their more experienced colleagues have not encountered similar prob

Key Issues for Counselling in Action Windy Dryden, Andrew Reeves, 2008-09-17 Effective counselling is based on a strong working relationship between counsellor and client Building and maintaining this therapeutic alliance demands both skill and an ability to negotiate challenges which arise during the counselling process *Key Issues for Counselling in Action* prepares new practitioners for face to face work with clients by looking at what is required at each stage of the process and examining issues which practitioners most frequently need to deal with along the way The topics covered are relevant to all counsellors regardless of theoretical orientation The book explores the everyday issues counsellors face when getting started making an assessment working at relational depth setting goals and ending the relationship Advice is also given on more difficult challenges such as dealing with reluctant clients stuckness client dependency and unplanned endings *Key Issues for Counselling in Action* is a bestselling text which has been used to train many thousands of counsellors as well as supporting their continuing professional development This second edition has been completely re written and includes new material on the use of touch self care culture and counselling evaluation Windy

Dryden is Professor of Psychotherapeutic Studies Professional and Community Education PACE at Goldsmiths College University of London Andrew Reeves is a University Counsellor at the University of Liverpool Counselling Service and Editor of the journal Counselling Psychotherapy Research Person-Centred Counselling Training Dave Mearns,1997-11-28 This thoughtful and thought provoking book is essential reading not only for those involved in the training of counsellors within the person centred approach but also for individuals who may have simplistic dismissive or otherwise ill informed notions of the depth of self awareness required of the person centred practitioner and the far reaching challenges offered by the approach For counsellors who define themselves as person centred but who have had no substantial training it should be compulsory reading British Journal of Guidance and Counselling Person centred counselling probably requires more training and a greater intensity of training than most other mainstream counselling approaches but *Hard-Earned Lessons from Counselling in Action* Windy Dryden,1992-11-02 This is a very honest book and should be essential reading for anyone beginning training as a counsellor It will also be useful for experienced therapists to stimulate reflections on their own practice to examine their work and to learn from errors It is refreshing to witness the honesty and openness of the writers especially so in the present culture where many therapists set themselves up as flawless experts I would recommend this book it provides an informed and open discussion on the problems encountered by therapists Clinical Psychology Forum Counsellors often struggle in their work with clients convinced that their more experienced colleagues have not encountered similar prob *The Shadow and the Counsellor* Steve Page,2002-09-11 The Shadow and the Counsellor introduces the concept of shadow the darker side to ourselves that we do not wish to acknowledge or do not even recognise It examines how it comes into being and explores its impact within counselling The Shadow and the Counsellor is structured around a six stage model which is designed to help the counsellor recognise confront and deal with their shadow side This can then be a framework for reflection and practical action With case studies including short clinical examples to longer examples running through the book this will give counsellors a new way of approaching their practice **Learning and Writing in Counselling** Mhairi MacMillan,Dot Clark,1998-02-04 This is a very practical how to book written for students on counselling skills courses It is intended to help them through the various problems faced by people returning to education perhaps after a long gap how useful this book could be to students who are confused by the increasingly academic requirements of counselling training courses I would recommend this book as a companion for anyone who is starting a course with little or no experience of academic expectations It is written in a friendly and reassuring style Counselling The Journal of the British Association for Counselling This book provides a comprehensive overview of the tasks and the processes of learning and writing required on counselling training courses and in the practice of counselling The authors cover the entire period of training from choosing a course to the early stages of professional practice The first part of the book discusses learning skills methods and approaches looking at for example the context for learning motivation and experiential learning Part Two

focuses on course requirements the form of written assignments how to complete them and the difficulties that can be encountered as well as the basics of writing including language form and style The final part looks at the involvement of practising counsellors in continued learning and the kinds of writing that they may develop throughout their careers **Our Desire of Unrest** Michael Jacobs, 2018-04-24 Knowledge is never static It is always open to revolutionary thinking or to evolving development Similarly an individual's knowledge is always moving and indeed if the ability to think about ideas is lost an important part of the individual is also lost In this book a collection of some of the papers and lectures written by Michael Jacobs over a period of thirty or more years the author shows his own thinking at work as he challenges himself to look deeper at some important aspects of his discipline principally psychodynamic psychotherapy although always with reference to other forms of discourse such as literature and theology Here the reader will find the writer behind those popular texts such as *The Presenting Past* *Psychodynamic Counselling in Action* and *Shakespeare on the Couch*

Developing Person-Centred Counselling Dave Mearns, 2002-11-27 This is a useful book for those who use person centred counselling in their practice or who are training to become person centred counsellors *Counselling and Psychotherapy the Journal of the British Association for Counselling and Psychotherapy* **Developing Person Centred Counselling** Second Edition is designed to help counsellors improve their skills within the person centred approach Written by Dave Mearns leading person centred expert and bestselling author the Second Edition has been fully revised and updated taking account of developments in person centred practice With new chapters on growth and transference the book covers the subjects which are central to person centred training the core conditions therapeutic alliance development of the counsellor therapeutic process the person centred approach in relation to psychopathology Supported by case material and examples from practice each part of the book presents the counsellor with practical and often challenging ideas which encourage him/her to think carefully about his/her practice and how to improve it *Developing Person Centred Counselling* Second Edition is a highly practical and inspiring resource for trainees and practitioners alike *Person-Centred Therapy Today* Dave Mearns, Brian Thorne, Elke Lambers, Margaret Warner, 2000-11-13 At the risk of being directive I would say you should buy this book It contains some of the most stimulating and refreshing ideas to have emerged in the person centred literature since *On Becoming a Person* *Person Centred Practice* *Person Centred Therapy Today* makes a timely and significant contribution to the development of one of the most popular and widely used therapeutic approaches This is a book that is rooted in the origins of person centred therapy but stands at the cutting edge of new ideas developing in this tradition It will reinvigorate those of us already immersed in this tradition It should convince newcomers of the vitality and potential of this approach to therapy **The Therapeutic Relationship** Petruska Clarkson, 2003-11-07 This text provides coverage of the uses and abuses of the therapeutic relationship in counselling psychology psychotherapy and related fields It provides a framework for integration pluralism or deepening singularity with reference to five kinds of therapeutic relationship

potentially available in every kind of counselling or psychodynamic work The work incorporates training and supervision perspectives and examples of course design uses in assessment and applications to group and couples as well as to organizations Dealing with an issue of increasing complexity the book should be of value and significance to psychotherapists psychoanalysts clinical and counselling psychologists and other professionals working in the field of helping human relationships such as doctors social workers teachers and counsellors

Personal Development in Counsellor Training Hazel Johns, 2012-03-05 This book provides the answers to that all important question what are personal and professional development and why are they necessary for counsellors This new edition explores the importance of personal development and the core concepts that underpin it the aims commonalities and differences of personal development in different settings and levels of training the key differences in theoretical approaches and their implications for personal development communication and relationships between counsellors and professional organizations society and the virtual world with all its demands on identity privacy and congruence the trainee and trainer and the challenges of personal development Packed full of vivid accounts of personal experiences questions and points for reflection this book will prove an essential companion for anyone wishing to grow personally and professionally as a therapist Hazel Johns is a Fellow of BACP and has been for many years a trainer supervisor and BACP accredited counsellor

Time Limited Therapy in Primary Care Richard Bryant-Jefferies, 2017-11-22 Many counsellors who work in primary care find it difficult to explain to colleagues in the primary care team what they actually do with clients behind the closed door of their room In this book the author brings to life in a gripping way what really does go on when a counsellor sees a patient in the primary healthcare setting It's good to read for once a book that describes so realistically and movingly the minute by minute account of what actually happens not a book describing clever therapists getting it right all the time The book should be required reading for newly appointed non clinical managers of counselling services and for primary healthcare staff about to start working with a counsellor as a member of their team Graham Curtis Jenkins in his Foreword

Counselling a Recovering Drug User Richard Bryant-Jefferies, 2018-12-14 This book is well timed and critically needed because it is a unique focus specifically working with the individual drug abuser which is written within the Carl Rogers person centered approach This book is matchless and deeply insightful Bryant Jefferies offers critical wisdom from his many years of counseling persons with substance abuse problems and brings into the text the guidance and skill of an experienced supervisor No doubt this book will remain a reference for a long time to come for all of us working in the field of counseling persons with drug abuse problems Dana Murphy Parker in her Foreword Professor of Nursing Arizona Western College Board of Directors The International Nurses Society on Addictions *Counselling a Recovering Drug User* has a story line that gripped me like a magnet from cover to cover The reader will come away with a heightened awareness and increased knowledge of the complexities of dealing with people who have a drug related problem Many people will benefit from this book The lay reader will find the book an engaging read

whilst gaining some insight into the world of drug users and the counselling process Actual and potential clients may need this and gain encouragement about the benefits of person centred counselling Health professionals will find this book provides an easy to follow explanation of Carl Roger s counselling model and a unique view on how the counselling relationship allows a troubled client to grow and heal I enjoyed this book immensely I highly recommend this book to anyone who has an interest in drug users problems and the therapeutic relationship Dr Peter C Robinson in his Foreword General Practitioner Surrey GP with a Special Interest in Substance Misuse Guildford Surrey **Telling Tales** Richard Edwards,Roger Harrison,Alan Tait,2013-12-16 Guidance and counselling in the context of learning is an area that is growing rapidly and attracting a lot of interest within the field of education This reader presents a range of different perspectives those of the user practitioner professional manager policy maker and academic By offering these various tales the book aims to encourage a more beneficial interchange of dialogue between the people involved whether they be in the role of the counsellor or the counselled Written for a new module on the Open University s MA in Education E839 Integration in Counselling & Psychotherapy Phil Lapworth,Charlotte Sills,2010-01-20 Now in its Second Edition this book is established reading for any practitioner or trainee wishing to develop their own personal style of working As well as examining contemporary integrative approaches the authors show how to develop an individual approach to integrating theories and methods from a range of psychotherapies Offering clear strategies for integration rather than a new therapeutic model this practical new edition puts added emphasis on the integrative framework and procedural strategies extending discussion of the individual practitioner as integrator **Integration in Counselling & Psychotherapy** Phil Lapworth,Sue Fish,Charlotte Sills,2001-03-22 Supported by research findings many practitioners see great advantage in integrating various approaches into their work rather than following one pure form of counselling or psychotherapy Integration in Counselling and Psychotherapy has been written as a guide for trainees and professionals interested in the philosophy process and practice of integration Part One provides an account of how integration has developed outlines the generic elements of counselling and psychotherapy and looks at how to integrate In Part Two the authors set out their own multidimensional integrative framework and demonstrate its use in clinical practice and in Part Three they describe a further five frameworks for readers to com Person-Centred Counselling Supervision Richard Bryant-Jefferies,2017-11-22 Each preceding book in the Living Therapy series provides a demonstration of the application of the person centred approach to counselling and psychotherapy to clients presenting with particular issues To complement these this book focuses more on the supervisory element of the therapeutic process It brings together examples of supervision sessions from the Living Therapy series and presents each one as an example of person centred supervisory practice of person centred counselling The supervision sessions deal with a range of issues that arise when working with clients who are seeking counselling in order to resolve difficulties from a wide range of difficult human experience Each supervision session is introduced with a summary of the

background and points for discussion are included at the end of each chapter to stimulate further thought and debate The book does not attempt to demonstrate a definitive way to apply person centred principles to supervision but does demonstrate core principles It will prove valuable to experienced and novice supervisors and to those uncertain about supervising counsellors working in areas outside their own professional experience It should also be read by counsellors in training who are preparing to be supervised for whom the book offers insights into this collaborative process

The Therapeutic Use of Self Val Wosket, 2002-05-03 The Therapeutic Use of Self is a ground breaking examination of the individual therapist's contribution to process and outcome in counselling Using many powerful case examples and extensive research findings from the author's own work this book presents the counsellor's evaluation of their own practice as the main vehicle for the development of insight and awareness in to individual therapeutic characteristics It addresses many of the taboos and infrequently discussed aspects of therapy such as the value of therapist failure breaking the rules of counselling working beyond the accepted boundaries of counselling The Therapeutic Use of Self will act as a spur to individual counsellors to acknowledge develop and value their own unique contribution to the counselling profession

The Handbook of Psychotherapy Petruska Clarkson, Michael Pokorny, 2013-11-19 Psychotherapy is a fast growing profession and The Handbook of Psychotherapy offers a unique and comprehensive overview of its many aspects The editors and contributors are all highly experienced practitioners who articulate singularly or jointly a particular viewpoint approach or opinion to produce an overall perspective on psychotherapy today Each brings a different emphasis to the relevant issues and the creative tension of this dialogue contributes to a lively and well informed picture of theory and practice Presented under five main headings the nature of psychotherapy and its research its culture modalities settings and issues the book offers a rich source of information and reference It has been written for all health professionals including nurses and general practitioners for social workers for psychotherapists in training for anyone considering psychotherapy as a career or seeking psychotherapy for voluntary organizations in short for all those who need or wish to know more about psychotherapy

Petruska Clarkson is a consultant clinical psychologist Head of School and Founder Director of both the metanoia Psychotherapy Training Institute and of metanoia Organisations International Michael Pokorny is a psychoanalyst and psychoanalytic psychotherapist past Chair of the UK Council for Psychotherapy and currently Chair of the Registration Board
