## **Hard Soft Wet The Digital Generation:**

**Hard, Soft & Wet** Melanie McGrath, 1998      **Misbehavior in Cyber Places** Janet Sternberg, 2012-10-25 Misbehavior in Cyber Places studies computer mediated interpersonal communication on the Internet up to the turn of the century portraying a technological universe that existed before social media smartphones and commercialism began to dominate cyberspace in the new millennium Here with amateurs prevailing over professionals digital immigrants explored online frontiers and founded virtual communities Based on early stages of Internet research this book examines misbehavior across a wide range of online environments Sternberg distinguishes misbehavior and rule breaking from crime and law breaking and discusses cybercrime cyberlaw and the differences between local and global regulation This book lays out the theoretical framework and fundamental ideas of media ecology a branch of communication scholarship Sternberg highlights pioneering media ecology perspectives on space place situations rules and behavior in public These subjects are highly relevant for understanding digital media mediated interpersonal communication and behavior in online environments      **White Heat** M. J. McGrath, 2011-08-04 Longlisted for the CWA Gold Dagger Award White Heat is the first book in the gripping Edie Kiglatuk Mystery Series with an Arctic setting so real it ll give you frostbite Dana Stabenow author of A Cold Day for Murder Half Inuit and half outsider Edie Kiglatuk is the best guide in her corner of the Arctic But as a woman she gets only grudging respect from her community s Council of Elders While Edie is leading two tourists on a hunting expedition one of them is shot and killed The Council wants to call it an accident but Edie and police sergeant Derek Palliser suspect otherwise When the other tourist disappears Edie sets off into the far reaches of the tundra for answers A stunning debut novel White Heat launches a formidable new series set amidst an unforgiving landscape of ice and rock of spirit ancestors and never rotting bones      **White Noise** A. Calcutt, 1998-10-29 Transcending recent attempts to pigeonhole the information revolution this book shows how the paradoxical aspects of new media and the Internet is it masculine or feminine Does it mean peace or war are the peculiarly intense expression of the contradictions underlying our whole society Andrew Calcutt is an enthusiastic champion of the potential for new communications technology and a trenchant critic of the culture of fear which prevents its realisation      **Out of a Gray Fog** Claudia Franziska Bruhwiler, 2021-08-19 As to Europe keep it in a gray ominous evil fog Ayn Rand 1905 1982 thus commented on the role of Europe in her key novel Atlas Shrugged 1957 The same could be said of the way Europe features in her own biography and in the general perception of her persona Even though Rand was born in pre revolutionary Russia she is nowadays considered an American phenomenon whose reach ends at the Atlantic shore This book lifts the gray fog cast over her relationship with Europe retracing the changing perception of the continent in both her fiction and thought Her apparent lack of success with European readers is often explained by allegedly different reading tastes However a look at her publication history and reception shows that many factors played a role why her work found fewer European than US readers Finally an archipelago of European readers and admirers emerges which is testament to

Rand s impact on European art and politics      **Figures of Fantasy** Susanna Paasonen,2005 Figures of Fantasy explores the popularization of the idea of the Internet as a cyberspace and considers the implications this has for discussions of gender and identity The book analyzes the standard figures used to conceptualize and explain technology and gender and traces the ways in which these concepts have served to create the figure of the Internet as a cyberspace a manner of thinking that has come to dominate Internet research internationally making visible its historicity limitations and implications Figures of Fantasy offers an innovative theoretical approach to Internet research and provides a highly original systematic critique of the canonical works in the field      The Impact of Information on Society Michael W. Hill,2012-05-15 This new edition of Impact of Information on Society takes account of a number of new developments affecting information s impact on our lives It also incorporates lessons to be learnt from prominent events For example a UK Freedom of Information Act forecast in the 1st edition is now law and so updating is necessary The growing significance of knowledge management today requires a closer look at this field and clarification of its relation to information management The first edition has been reviewed critically and sections have been amplified and rearranged with new material being added where necessary To mention just a few points since the 1st edition there have been amendments to copyright data protection legislation and human rights legislation The consequences of the enormous and growing level of use of the Internet eMail and mobile phones including text messaging also requires reassessment      *Moving Lives* Sidonie Smith,2001      Women Travel Natania Jansz,1999 In this latest completely revised Women Travel anthology Rough Guides present a whole new crew of writers journalists travellers dreamers and escapists each with a journey to share and a tale to inspire Featuring more than 80 adventures around the world Women Travel tells you what it s like to backpack around India with your mother in tow hitch up with a shepherd in Spain set up the ultimate writers retreat on the icefields of Antarctica hang out with hippies in the Australian rainforest be crowned Queen Mother of an African village have a girls night out in the Kalahari Desert and sweat behind the scenes at a Caribbean carnival      Environment and Planning ,1999 International interdisciplinary journal discussing the relations between Society and Space Space is broadly conceived from landscapes of the body to global geographies from cyberspace to old growth forests as metaphorical and material as theoretical construct and empirical fact Covers both practical politics and the abstractions of social theory      Computer Liberation Jonas Frick,2025-03-27 Die Geschichte des Computers ist reich an technopolitischen Imaginationen Sowohl in der Science Fiction Literatur als auch in wissenschaftlichen Beitr gen finden sich Visionen dar ber welchen Nutzen vernetzte Computer f r die Menschheit haben oder haben k nnten Jonas Frick entschl sselte die pr genden politischen Ideen der Computerkultur von 1960 bis 2000 anhand von aktivistischen Netzwerkexperimenten Cyberpunk Romanen libert ren Manifesten Programmieranleitungen Zeitschriften und cyberfeministischen Erz hlungen So liefert er einen umfassenden berblick ber die Imaginationsgeschichte des Computers der sich als Handbuch eignet      *N. Paradoxa* ,1998 International feminist art journal      The British National Bibliography

Arthur James Wells,1998      **Bookseller** ,1998      The Revolution Will Not Be Downloaded Tara Brabazon,2008-01-31 This book attacks the often implicit and damaging assumption that everyone is online and that everyone is using online resources within the specified parameters of employers government and national laws This book summons a critical Web Studies asking not only who is using particular applications but also how and why This remedial work is required The concept and label of Web 2 0 is part of a wide ranging suite of assumptions that offer simple answers to difficult questions The term captures a desire for online collaboration and the sharing of information performed most visibly through blogs podcasts and wikis Other products that capture the Web 2 0 ideology include Google Maps Facebook MySpace and Flickr Within this framework websites no longer hold information but become a platform to connect applications with users The business applications have gained the most attention particularly content syndication but there are also political initiatives overlaying this project including open communication the sharing of data and the deep linking of web architecture Development of innovative concepts and models to manage the digital divide Evocative studies of the digitally excluded and downloading communities Attention to digital literacy and online education      *The Writers Directory 2008* Michelle Kazensky,2007-06 Features bibliographical biographical and contact information for living authors worldwide who have at least one English publication Entries include name pseudonyms addresses citizenship birth date specialization career information and a bibliography      □ □ □ ,2002      **The Writers Directory** ,2013      Global Health Watch 5 Bloomsbury Publishing,2017-12-15 For over a decade Global Health Watch has been the definitive source for alternative analysis on health This new edition addresses the key challenges facing governments and health practitioners today within the context of rapid shifts in global governance mechanisms and the UN's Sustainable Development Goals Like its predecessors it challenges conventional wisdom while pioneering innovative new approaches to the field Collaboratively written by academics and activists drawn from a variety of movements research institutions and civil society groups it covers some of the most pressing issues in world health from the resurgence of epidemic diseases such as Ebola to the crisis in the WHO climate change and the war on drugs Combining rigorous analysis with practical policy suggestions Global Health Watch 5 offers an accessible and compelling case for a radical new approach to health and healthcare across the world      Julkaisuja Turun yliopisto,2002
