Unwritten Story of Army Life John Davis Billings,1970 **Hard Tack and Coffee** John Davis Billings,2007-02-01

Originally published in 1888 *Hard Tack and Coffee* became an immediate best seller. Its author John Billings had served with the Army of the Potomac during the Civil War. He joined forces with the illustrator Charles Reed and utilized the many sketches of field life Reed had made during the Civil War to enliven an already fascinating text with pen and ink drawings of all aspects of a soldier's life. Included in this long out of print classic are chapters on living quarters, foraging, wagon trains, army rations, offences and punishments, equipment, the army mule, hospitals, and much more. From Publisher's note on dust cover: *Hard Tack and Coffee* John Davis Billings, 2016. John Billings' gripping military memoir of the everyday life of a U.S. Army soldier that promises to deliver a new insight into the Civil War. *Hard Tack and Coffee (Illustrated Edition)* John D. Billings. Billings was a veteran of the 10th Massachusetts Volunteer Light Artillery Battery in the American Civil War. *Hard Tack and Coffee* is now considered one of the most important books written by a Civil War veteran. The book is abundantly illustrated by the pen and ink drawings of Charles W. Reed, also a veteran who served as bugler in the 9th Massachusetts Battery, later received the Medal of Honor for saving the life of his battery commander at Gettysburg. *Hard Tack and Coffee* is not about battles but rather about how the common Union soldiers of the Civil War lived in camp and on the march. ***Hardtack And Coffee*** John Davis Billings, Charles W. Reed, 2009-03. The new edition of this bestseller book is enhanced with updated references to VMS. The authors have responded to suggestions made by readers of previous editions. Billings was a veteran of the 10th Massachusetts Volunteer Artillery Battery during the Civil War, but he is best known for his 1888 book *Hardtack and Coffee*, a reference to the most common food and drink given to soldiers during the war. Billings' book is not about battles but is instead about everyday life for the Union soldiers of the Civil War who spent a huge majority of their time in camp and on the march. *Hardtack and Coffee* quickly became a best seller and is now considered one of the most important books written by a Civil War veteran. *Hardtack and coffee* John Davis Billings, 2025-03-02. In *Hardtack and Coffee*, John Davis Billings presents a compelling first-hand account of the Civil War experience, expertly weaving together a tapestry of personal narrative, culinary history, and military life. The book's literary style is both accessible and richly descriptive, capturing the grit and triumphs of soldiers as they navigate the harsh realities of camp life, including the infamous hardtack and coffee rations. Set against a backdrop of tumultuous conflict, Billings employs humor and poignant observation, reflecting the camaraderie and resilience of those who lived through one of America's most defining periods. John Davis Billings, a Union Army veteran, draws on his own experiences as a surgeon during

the Civil War allowing him an insider's perspective on the daily lives of soldiers. His background informs not only the authenticity of his anecdotes but also his understanding of the psychological and physical toll that war exacts on its participants. Through his service, Billings cultivated a unique bond with his fellow soldiers, deepening his commitment to preserving their stories and the broader social history of the era. *Hardtack and Coffee* is a must-read for anyone interested in American history, culinary culture, or the personal narratives that shape our understanding of the past. Billings' work serves as both a historical document and a vivid homage to the indomitable spirit of the soldiers he chronicled, making it essential for both scholars and general readers alike.

Hardtack And Coffee John Billings, 1989 ***Hardtack and Coffee (Classic Reprint)*** John Davis Billings, 2015-07-04

Excerpt from *Hardtack and Coffee*: During the summer of 1881 I was a sojourner for a few weeks at a popular hotel in the White Mountains. Among the two hundred or more guests who were enjoying its retirement and good cheer were from twelve to twenty lads varying in age from ten to fifteen years. When tea had been disposed of and darkness had put an end to their daily romp and hurrah, without they were wont to take in charge a gentleman from Chicago, formerly a gallant soldier in the Army of the Cumberland, and in a quiet corner of the spacious hotel parlor or a remote part of the piazza would listen with eager attention as he related chapters of his personal experience in the Civil War. Less than two days elapsed before they pried out of the writer the acknowledgment that he too had served Uncle Sam, and immediately followed up this bit of information by requesting me to alternate evenings with the veteran from the West in entertaining them with stories of the war. As I saw it, I assented to the plan readily enough, and a more interested or interesting audience of its size could not be desired than that knot of boys who clustered around us on alternate nights while we related to them in an offhand way many facts regarded as too commonplace for the general histories of the war. This trifling piece of personal experience led to the preparation of these sketches and will largely account for the didactic manner in which they are written. They are far from complete.
