

The background of the cover is a dramatic landscape. In the foreground, a weathered wooden cross stands on a dark, rocky outcrop. The cross is made of two thick, dark wooden beams. The background shows a vast, dark landscape under a cloudy sky. A bright, golden light emanates from a distant hill, creating a strong contrast with the dark surroundings. The overall mood is somber and contemplative.

Hard To Believe The High Cost And Infinite Value Of Following Jesus:

Hard to Believe John F. MacArthur, 2006-01-08 Jesus Christ did not die on the cross so you and I could have a nice day. Ministers and teachers who water down the gospel of Christ in order to make it more popular and appealing may be leading their fun loving audiences down the road to eternal punishment. This book is John MacArthur's unflinching unapologetic treatise on the modern tendency to alter the true message of Christianity in order to meet the whims and desires of a culture hoping for nonconfrontational messages, easy answers and superficial commitments. Too many people just want a Madison Avenue Jesus to make them well, make them happy and make them prosperous. But Jesus Christ isn't a personal genie. He is the Savior. He died in agony to satisfy the wrath of a holy God and to forgive the sins of humankind. Faith in Him demands a willingness to make any sacrifice. He asks: The hard truth about Christianity is that the cost is high but the rewards are priceless, abundant and eternal life that comes only from faithfully following Christ. Hard to Believe Workbook John F. MacArthur, 2004-04-05 There is no user friendly seeker sensitive Gospel. There is only the truth. Let John MacArthur personally guide you deeper into the biblical truths of Hard to Believe, truths that triumph over the world's false view of Christianity. In this workbook, pastor, teacher and best selling author John MacArthur takes you step by step through each main idea of his insightful and sometimes shocking new book Hard to Believe. These interactive lessons reaffirm that watered down Christianity is really no Christianity at all and that true faith must be defended in a cynical yet tolerant world regardless of the cost. Jesus instructs would be Christians to deny themselves, take up their crosses daily and follow Him. It is a tremendous journey filled with pain and sacrifice but one that ultimately leads to a joy beyond measure because the reward is eternal life. The Hard to Believe Workbook includes a six part study guide for every chapter plus special features including key quotations from the book, daily prayers, Bible readings and study questions, notes and answers for discussion leaders and much more. Short of having Pastor MacArthur in your living room or Bible study class, the Hard to Believe Workbook is the best way possible to fully experience his life changing insights into the high cost and infinite value of following Jesus.

MacArthur 2in1 Vanishing Conscience & Hard to Believe John MacArthur, 2009-08-11 Two books by John MacArthur in one volume. Contains the Vanishing Conscience and Hard to Believe. **A Different Jesus?** Robert L. Millet, 2005-04-14 Drawing on both Christian and Latter day Saint documents, Robert Millet clearly explains the many beliefs that Mormons hold in common with traditional Christians and also highlights differences where they exist. The Murder of Jesus John F. MacArthur, 2004-03-30 The pieces are in place. The curtain rises for the final act. God is about to die. An unprecedented conspiracy of injustice, cruelty and religious and political interests sentenced a man guilty of no crimes to the most barbaric method of execution ever devised. The victim was no mere man. Jesus was God in the flesh. The Creator of life died. How did such a thing come to be? Who were the onlookers, the players, the fakes, frauds and heroes? What was it like in the Upper Room that night in the shadows of Gethsemane or in the Praetorium awaiting Pilate's verdict? What is the meaning of
