Hard Witching And Other Stories:

A Hard Witching And Other Stories Jacqueline Baker, 2004-02-16 Sand Hills Saskatchewan is a region of the prairies that is unique an expanse of shifting sand dunes interrupted by patches of green vegetation small lakes and saline flats Foreign yet familiar Sand Hills is the extraordinarily vivid place threaded through Jacqueline Baker's highly praised first collection of short fiction eight fresh and true stories of prairie life Baker writes with confidence and unvarnished honesty and like Flannery O'Connor or Bonnie Burnard she has the rare ability to make the familiar brilliant and finely understood Hers are universal themes of the tensions of family life of relationships defined by what isn't said rather than what is and of our connection to a past that may be real or imagined Reading A Hard Witching is like entering a complete and perfectly detailed world with each story worlds that are not easy to leave and even harder to forget *This Is My Country, What's Yours?* Noah Richler, 2011-05-18 Winner of the 2007 B C Award for Canadian Non-fiction A Globe and Mail Best 100 Book 2006 National Post Best Books 2006 A bold cultural portrait of contemporary Canada through the work of its most celebrated novelists short story writers and storytellers Stories are the surest way to know a place and at a time when the fabric of the country seems daily more uncertain Noah Richler looks to our authors for evidence of the true nature of Canada He argues why fiction matters and seeks to discover in the extra ordinary diversity of communities these writers represent what stories if any bind us as a nation Over two years Richler has criss crossed the country and interviewed close to one hundred authors a who's who of Canadian literature including Wayne Johnston Michael Crummey Alistair MacLeod Gil Courtemanche Jane Urquhart Joseph Boyden Miriam Toews Yann Martel Fred Stenson Douglas Coupland and Rohinton Mistry about the places and ideas that are most meaningful to their work The result is a journey through the reality of Canada and its imagination at a critical point in the country's evolution Within thematic chapters he exposes our Myths of Disappointment and considers the stories of our native peoples the rise of the city and how our history as a colony shapes our society and politics even today This Is My Country What's Yours is an impassioned literary travelogue and a vivid portrayal of our society the work of Canadian authors and the idea of writing itself This Is My Country What's Yours is based on Noah Richler's ten part documentary of the same name originally broadcast on CBC Radio's flagship Ideas program in spring 2005 **Bearers of Risk** Neta Gordon, 2022-04-15 The short story and the short story cycle have long been considered a marginal genre free to make room for fresh or risk taking voices But in thematizing masculinity in crisis the genre uses the premise of the marginal to elevate recuperative masculinity politics and nostalgia for traditional patriarchy Despite the scholarly tendency to link marginal genres and marginalized voices features of the CanLit infrastructure including genre criticism and literary prize culture are complicit in normalizing hegemonic masculinity and the Settler colonial project Bearers of Risk examines how male Canadian writers mobilize the early twenty first century short story cycle as an illustration of post 9/11 recuperative masculinity politics exposing the tendency to position White heteronormative men's viewpoints as objective Neta Gordon

introduces the civil bearer of risk a figure who comprehends the position of men as being marked by or for failure and who reasserts masculine authority as civil duty towards community This book looks at contemporary experimental short story cycles debut cycles by ethnically minoritized and immigrant writers and cycles unified by setting whether suburban urban or rural Bearers of Risk unsettles popular notions of the inherent outsider status of the short story cycle while also scrutinizing expressions of recuperative masculinity politics through which men assert their right to reclaim the centre

The Old House and Other Stories Fyodor Sologub, 1916 Sologub is a pseudonym the author's real name is Feodor Kuzmich Teternikov He was born in 1863 He completed a scholastic course at Petrograd His first published story appeared in the periodical *Severny Vestnik* in 1894 but it was not until about a dozen years later that he came into his fame which he has since then further enhanced This is all the biographical knowledge we have of a living novelist whose place in Russian literature is secure beyond all question the scantiness of our knowledge is all the more amazing when we consider that the author is over fifty and that his complete works are in their twentieth volume These include almost every possible form of literary expression the fairy tale the poem the play the essay the novel and the short story Sologub's place as a poet is hardly less assured than his place as a novelist

The Legend of Sleepy Hollow and Other Stories Washington Irving, 1999-10-01 Before the fall premiere of the new television series read the original legend of Ichabod Crane the Headless Horseman and the singularly spooky town of Sleepy Hollow in Washington Irving's classic book When Washington Irving first published this collection of essays sketches and tales originally entitled *The Sketch Book of Geoffrey Crayon Gent* readers greeted it with enthusiasm and Irving emerged as America's first successful professional author This volume includes *The Legend of Sleepy Hollow* and *Rip Van Winkle* two of America's most recognizable and loved works of fiction and displays Irving's ability to depict American landscapes and culture so vividly that readers feel themselves a part of them And it is on the basis of these two classic tales that Irving is generally credited with inventing the short story as a distinct literary genre Also included here are gently ironic pieces about life in England that reflect the author's interest in the traditions of the Old World and his longings for his home in the New
