Hard Times (1854) NOVEL Charles Dickens, 2018-10-21 *Hard Times* is a novel by Charles Dickens published in 1854. It is significant for being the shortest of his full novels. The book is one of a number of state-of-the-nation novels published around the same time, another being *North and South* by Elizabeth Gaskell, which aimed to highlight the social and economic pressures some people were under. The novel is unusual in that it is not set in London as is Dickens' usual wont, but the fictitious Victorian industrial town of Coketown. It has met mixed critical response from a diverse range of critics such as F. R. Leavis, George Bernard Shaw, and Thomas Macaulay. This was unusual for Dickens' treatment of trade unions and the pessimism about the division between capitalistic millowners and the undervalued workers after the Industrial Revolution, set in the Victorian era of Britain.

The Foreign in International Crime Fiction Jean Anderson, Carolina Miranda, Barbara Pezzotti, 2012-06-14 The foreigner is a familiar character in popular crime fiction, from the foreign detective whose outsider status provides a unique perspective on a familiar or exotic location to the xenophobic portrayal of the criminal other. Exploring popular crime fiction from across the world, *The Foreign in International Crime Writing* examines these popular works as transcultural contact zones in which writers can tackle such issues as national identity, immigration, globalization, and diaspora communities. Offering readings of 20th and 21st century crime writing from Norway, the UK, India, China, Europe, and Australasia, the essays in this book open up new directions for scholarship on crime writing and transnational literatures.

Hard Revolution George P. Pelecanos, 2017-06 ***The Rough Guide to Crime Fiction*** Rough Guides, 2007-06-07 The *Rough Guide to Crime Fiction* takes the reader on a guided tour of the mean streets and blind corners that make up the world's most popular literary genre. The insider's book recommends over 200 classic crime novels from masterminds Raymond Chandler and Patricia Highsmith to modern hotshots James Elroy and Patricia Cornwall. You'll investigate gumshoes, spies, spooks, serial killers, forensic females, prying priests, and patsies from the past, present, and future. Complete with extra information on what to read next, all movie adaptations, and illustrated throughout with photos and diagrams, all the evidence that counts.
