Hard Time Voices From A State Prison 1849 1914:

Hard Time Ted Genoways, 2002 A compelling look at prison life in another era vividly recalled through historic photographs and startling first person accounts *The Called Shot* Thomas Wolf, 2020-05-01 In the summer of 1932 at the beginning of the turbulent decade that would remake America baseball fans were treated to one of the most thrilling seasons in the history of the sport As the nation drifted deeper into the Great Depression and reeled from social unrest baseball was a diversion for a troubled country and yet the world of baseball was marked by the same edginess that pervaded the national scene On the field fights were as common as double plays Amid the National League pennant race Cubs shortstop Billy Jurgens was shot by showgirl Violet Popovich in a Chicago hotel room When the regular season ended the Cubs and Yankees clashed in what would be Babe Ruth's last appearance in the fall classic After the Cubs lost the first two games in New York the series resumed in Chicago at Wrigley Field with Democratic presidential candidate Franklin Roosevelt cheering for the visiting Yankees from the box seats behind the Yankees dugout In the top of the fifth inning the game took a historic turn As Ruth was jeered mercilessly by Cubs players and fans he gestured toward the outfield and then blasted a long home run After Ruth circled the bases Roosevelt exclaimed Unbelievable Ruth's homer set off one of baseball's longest running and most intense debates did Ruth in fact call his famous home run Rich with historical context and detail *The Called Shot* dramatizes the excitement of a baseball season during one of America's most chaotic summers *Drummer Boy Willie McGee, Civil War Hero and Fraud* Thomas Fox, 2014-11-21 On December 7 1864 just one week after the bloody battle of Franklin Tennessee William McGee a drummer boy from Newark New Jersey was credited with leading a Federal force to a decisive victory over the Confederates in a clash just thirty miles from the carnage at Franklin This 15 year old Irish American on convalescent duty and acting as an orderly to General Lovell Rousseau was recognized for the capture of two guns several hundred prisoners and the saving of Fortress Rosecrans in Murfreesboro from the famed Nathan Bedford Forrest For his actions young McGee would soon be awarded a Medal of Honor written up in newspapers and books as a glorious New Jersey legend be commissioned as a lieutenant in the United States Army at age 18 and then inexplicably at the height of his notoriety virtually disappear from history for more than 100 years This is the story of a lost war hero a man child with the world at his feet whose fall from grace is accelerated by fame lies alcohol bigamy and murder *Gus Hornsby's Gamble* Larry LaTourette, 2023-07-06 In the 1870s Gus Hornsby spread the game of American football around the world like an evangelist and helped establish it in the U S heartland Hornsby seemed destined for greatness as a journalist inventor explorer and entrepreneur His arrogance greed and an intractable gambling addiction however drove him to criminality and cast him into obscurity But this public ruin led to his greatest accomplishment in prison personal redemption Surprisingly Hornsby's meteoric rise and fall intersected with towering influencers of the time including the women and men who would pioneer the first wave feminist movement in the United States This book explores their unexpected connections and

interweaves their stories along with details of the first American football game in the Midwest to reveal elements of a pivotal moment in American history both in feminism and sports More than a biography of a person it is a story about America brash imaginative and seemingly limitless in resources and creativity but overly self assured and wildly reckless *Crisis and Reform at Minnesota's Stillwater Prison, 1960-2000* Denise Suzette Hesselton,2007 This dissertation examines Minnesota's Stillwater prison between 1960 and 2000 focusing specifically on the violence and disorder that plagued the prison in the early 1970s A framing approach is adopted to understand the factors that gave rise to the disorder as well as the reforms that restored order in the late 1970s and beyond In an effort to contextualize these trends the research also explores why Minnesota responded to prison disorder in unexpected ways and why the state ultimately abandoned these reforms in favor of the more punitive reforms adopted elsewhere **The Swedish-American Historical Quarterly** ,2007 *Program* Organization of American Historians.
