# THE HARMONY GUIDE TO CROCHETING

## *Techniques and Stitches*

A true sourcebook, *The Harmony Guide to Crocheting Techniques and Stitches* features straightforward and practical advice on the techniques of crocheting. Basic techniques and stitches are easily mastered by beginners—the instructions are clearly illustrated with color diagrams, and more advanced crocheters will discover myriad stitches to explore.

More than 650 stitches are included, along with advice on how to make crochet fabric and work from patterns. Each stitch is explained with step-by-step instructions and a color illustration of the finished stitch. You'll find the most popular and unusual examples of knobbles and bobbles, clusters, spikes, puff stitches, openwork and lace designs, and patterns for richly textured and multicolored stitches.

Special instructions are also included in sections on filet crochet, including an entire alphabet, motifs, edgings and trimmings, as well as Irish-style and Afghan-Tunisian crochet.

Praise for *The Harmony Guide to Knitting Techniques and Stitches* (also edited by Debra Mountford):

"An exemplary sourcebook for people seeking either guidance or inspiration, and offers, as a fillip, a great deal of visual pleasure." *New York Times Book Review*
