Male-to-Female Crossdressing in Early Modern English Literature Simone Chess, 2016-04-14 This volume examines and theorizes the oft ignored phenomenon of male to female MTF crossdressing in early modern drama prose and poetry inviting MTF crossdressing episodes to take a fuller place alongside instances of female to male crossdressing and boy actors crossdressing which have long held the spotlight in early modern gender studies The author argues that MTF crossdressing episodes are especially rich sources for socially oriented readings of queer gender that crossdressers genders are constructed and represented in relation to romantic partners communities and broader social structures like marriage economy and sexuality Further she argues that these relational representations show that the crossdresser and his her allies often benefit financially socially and erotically from his her queer gender presentation a corrective to the dominant idea that queer gender has always been associated with shame containment and correction By attending to these relational and beneficial representations of MTF crossdressers in early modern literature the volume helps to make a larger space for queer gender queer male bodied and queer feminine representations in our conversations about

early modern gender and sexuality **Different Voices** Elizabeth Van Acker,1999 Encyclopedia of International Development Tim Forsyth,2018-10-24 International development is now a major global activity and the focus of the rapidly growing academic discipline of development studies The Encyclopedia of International Development provides definitions and discussions of the key concepts controversies and actors associated with international development for a readership of development workers teachers and students With 600 entries ranging in length from shorter factual studies to more in depth essays a comprehensive system of cross references and a full index it is the most definitive guide to international development yet published Development is more than a simple increase in a country s wealth and living conditions It also implies increasing people s choices and freedoms it is change that is inclusive and empowering Development theory and practice has important applications to questions of economic growth trade governance education healthcare gender rights and environmental protection and it involves issues such as international aid peacekeeping famine relief and strategies against HIV AIDS The Encyclopedia treats these topics and many more and provides critical analyses of important actors within development such as the United Nations and World Bank non governmental organizations and corporations Contributors to this volume reflect the multidisciplinary and international nature of the subject They come from social science disciplines such as economics international studies political science and anthropology and from specialities such as medicine This Encyclopedia provides crucial information for universities students and professional organizations involved with international development and those interested in related topics such as international studies or other studies of social and economic change today **The SAGE Dictionary of Criminology** Eugene McLaughlin,Professor John Muncie,2001-05-08 Eugene McLaughlin and John Muncie have brought together for the first time the work of some 70 academics and practitioners worldwide to produce the definitive reference and research tool for criminological studies and related fields The Sage Dictionary of Criminology is informed by the principle that criminology is a contested contradictory and interdisciplinary discourse marked by constant incursion interactions translations deviations and transgressions It is this diversity that makes the study of crime and criminal justice both complex and challenging The dictionary sets out and explores traditional and emergent agendas in criminological studies to not only reveal its grounding in a myriad of theoretical and conce Mind the Backlash: Gender Discrimination and Sexism in Contemporary Societies Hilde Coffe,Susan Banducci,Marta Fraile,Jessica Fortin-Rittberger,Amy Alexander,2023-09-26 Decades of campaigns and policy efforts have brought significant progress in women s economic and political status and pushed gender equality up the global policy agenda The goal of gender equality however still remains largely out of reach as illustrated by the recent wave of women s protests against sexual harassment assault and gender violence e g MeToo movement Some European countries e g Poland Hungary and Lithuania have even seen their performance on gender equality backslide in recent years and in parallel to calls for increased equality a wave of mobilisation against gender equality has appeared in the public discourse Conservative

authoritarian and populist voices in many democracies are now contesting the equal participation of men and women in society under the auspices of a war on gender ideology This backlash against women s empowerment carries considerable implications for anti discrimination laws policies protecting women against domestic violence reproductive health and the establishment of gender quotas Given the backlash against gender observed in various countries around the globe we argue that now is a critical time to revisit and broaden our knowledge about gender discrimination gender equality and sexism Our proposed Research Topic will provide a gender perspective to illustrate and understand the recent illiberal turn in politics in a variety of contexts Taking a comparative approach we aim at improving our understanding of how sexism discrimination and gender equality operate at the societal level and how they shape broader social and political views At the individual level we will study the current seemingly opposing forces for and against gender equality by analysing the antecedents predispositions experiences and motivations explaining and underpinning these attitudes towards different ways of gender equality sexism and discrimination

The Symbolic Representation of Gender Emanuela Lombardo, Petra Meier, 2016-02-24 What is symbolic representation Since Hanna Pitkin s seminal *The Concept of Representation* the symbolic has been the least studied dimension of political representation Innovatively adopting a discursive approach this book the first full length treatment of symbolic representation focuses on gender issues to tackle important questions such as What are women and men symbols of and how is gender constructed in policy discourse It studies what functions symbolic representation fulfils in the construction of gender what social roles get legitimized in policy discourse and how this affects power constellations ultimately revealing much about the relation between symbolic descriptive and substantive representation Emanuela Lombardo and Petra Meier draw on theories of symbolic representation and gender as well as rich primary material about political debates on labour and care issues partnership and reproductive rights gender violence and quotas Using this original data the authors show that reconsidering symbolic representation from a discursive perspective makes explicit issues of inequality embedded within particular constructions as well as their consequences for political representation and gender equality This important exploration raises relevant new questions regarding the representation of gender that form valuable contributions to the fields of political science political theory sociology and gender studies

The Paradox of Gender Equality Kristin A. Goss, 2020-08-06 Kristin A Goss examines how women s civic place has changed over the span of more than 120 years how public policy has driven these changes and why these changes matter for women and American democracy As measured by women s groups appearances before the U S Congress women s collective political engagement continued to grow between 1920 and 1960 when many conventional accounts claim it declined and declined after 1980 when it might have been expected to grow Goss asks what women have gained and perhaps lost through expanded incorporation as well as whether single sex organizations continue to matter in 21st century America

Same or Different Kay M. Fraser, 2019-05-23 First published in 1999 this volume responds to the 1968 sewing worker strikes at the

Ford Motor Company asking how the worker demands made by women are to be heard and understood in workplace negotiations At the time of original writing in the late 1990s there remained many women workers whose needs and concerns remained hidden behind a workplace agenda dominated by male interests Kay M Fraser utilises some of the insights offered by post structuralist feminist theorists to interrogate the competing debates about women workers as they were discursively constructed by the organisations institutions and individuals interested and involved in the employment of women during the 1960s Fraser further explores notions of sameness and difference how these were used to formulate a view of women workers and highlights the need for women to be seen particularly by those involved in the workplace negotiations of the future as both the same as and different from men workers
