Mason**

Equality Justice And Rectification An Exploration In Normative Sociology:

Equality, Justice, and Rectification Derek L. Phillips, 1979 **Equality, Justice, and Rectification** Derek L. Phillips, 1979 *Justice, Equal Opportunity, and the Family* James S. Fishkin, 1983-01-01 Three common assumptions of both liberal theory and political debate are the autonomy of the family the principle of merit and equality of life chances Fishkin argues that even under the best conditions commitment to any two of these principles precludes the third A brief survey and brilliant critique of contemporary liberal political theory A must for all political theory or public policy collections Choice The strong points of Fishkin s book are many He raises provocative issues locates them within a broader theoretical framework and demonstrates an urgent need for liberals to set certain priorities His main message that liberalism has radical implications for ordinary life needs to be heard by many Virginia L Warren Michigan Law Review A highly original and powerfully argued book Fishkin is undoubtedly right and his warning needs to be taken seriously This is not a book that catechizes us about what we should believe concerning the practicalities of distributive justice It is a book that advises us about how we need to think about beliefs that are already popular dogmas in the interest of making sense James Gaffney America James S Fishkin is associate professor of political science at Yale University He is also the author of *The Limits of Obligation and Beyond Subjective Morality* **Ethics and Technology Assessment: A Participatory Approach** Matthew Cotton, 2014-06-11 Whether it is nuclear power geo engineering or genetically modified foods the development of new technologies can be fraught with complex ethical challenges and political controversy which defy simple resolution In the past two decades there has been a shift towards processes of Participatory Technology Assessment designed to build channels of two way communication between technical specialists and non expert citizens and to incorporate multiple stakeholder perspectives in the governance of contentious technology programmes This participatory turn has spurred a need for new tools and techniques to encourage group deliberation and capture public values moral and choices This book specifically examines the ethical dimensions of controversial technologies and discusses how these can be evaluated in a philosophically robust manner when the ones doing the deliberating are not ethicists legal or technical experts Grounded in philosophical pragmatism and drawing upon empirical work in partnership with citizen stakeholders this book presents a model called Reflective Ethical Mapping a new meta ethical framework and toolbox of techniques to facilitate citizen engagement with technology ethics *Rethinking Racial Justice* Andrew Valls, 2018-08-23 The racial injustice that continues to plague the United States couldn t be a clearer challenge to the country s idea of itself as a liberal and democratic society where all citizens have a chance at a decent life So what must a liberal society do to address the legacies of its past and how should we aim to reconceive liberalism in order to do so In this book Andrew Valls takes issue with solutions from both the left and the right and therefore with the constricted ways in which racial justice is debated in the United States today Equality and Liberty J. Angelo Corlett, 2016-07-27 *Equality and Liberty* Analysing Rawls and Nozick is an indispensable

source for those seriously interested in some rigorous assessments of the ideas of America's two most popular political philosophers. The essays in this volume cover a wide range of topics, some engaging each other in their analyses of particular Rawlsian or Nozickian themes. This collection of recent essays brings the student up to date concerning some of the more recent developments and assessments of Rawlsian and Nozickian ideas.

Cognitive Relativism and Social Science Diederick Raven, Lieteke Van Vucht Tijssen, Jan De Wolf, Modern epistemology has been dominated by an empiricist theory of knowledge that assumes a direct individualistic relationship between the knowing subject and the object of knowledge. Truth is held to be universal and non-individualistic; social and cultural factors are considered sources of distortion of true knowledge. Since the late 1950s, this view has been challenged by a cognitive relativism asserting that what is true is socially conditioned. This volume examines the far-reaching implications of this development for the social sciences. Recently, cognitive relativism has become a key issue of debate in anthropology, philosophy, and sociology. In anthropology, this is illustrated by a growing awareness of the similarity of all systems of knowledge. In philosophy, it is exemplified by the realization that traditional monolithic and absolutist concepts of truth have increasingly lost any power to make sense and to convince. In sociology, it is visible in a renewal of interest in a general sociology of knowledge. Yet in spite of this convergence of interests, practitioners of these three disciplines have on the whole shown no inclination to reach a consensus on the terms of reference that could facilitate an interdisciplinary approach. Cognitive Relativism and Social Science aims to do just this. It is a working assumption of this volume that as far as the subject of cognitive relativism is concerned, anthropologists, philosophers, and sociologists should join forces rather than try to deal with the challenges of cognitive relativism within strictly imposed boundaries that normally separate academic disciplines. Only when they work together will it be possible to treat the problems posed by cognitive relativism in an adequate way. This volume provides the results of attempts to communicate on cognitive relativism across disciplinary boundaries. This is must reading in the philosophy of social science and in social research theory.

Legitimation of Social Rights and the Western Welfare State Kathi V. Friedman, 2017-06-15. This discerning and timely study revitalizes Weber's ideas, applying them to welfare state redistributions and synthesizing them with major issues in political science, law, public administration, social welfare policy, and philosophy. Friedman depicts both the emergence of the welfare state in Britain and the United States and the special problems of legitimizing social rights raised by the need for administration of those rights. Originally published in 1991, A UNC Press Enduring Edition. UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original and are presented in affordable paperback formats, bringing readers both historical and cultural value.

Passage to a Just Society Reza Rezazadeh, 2003. For more information about the author and his publications, visit www.democracywhere.com. This study demonstrates that because their opposing nature, democracy and capitalism or socialism cannot coexist. To have a

democratic society we have to replace capitalism or socialism with a democratic free market economy and take government out of regulating people's business and daily life. The author attempts to present such a democratic concept, its societal structure and function, and how under such a system people understand the purpose of life, work less hours yet have a prosperous, leisurely and satisfying life. The book is actually the story of some parts from the author's life written in an autobiographical form showing hardships, sufferings, failures, incredible adventures, romance and love he encountered in developing his theory, and how persistence and determination despite repeated failures helped him to succeed in developing his theory and at the same time transformed him to a better human being. *Positive Rights in a Republic of Talk* T. Halper, 2012-12-06

Positive Rights in a Republic of Talk will appeal to philosophers and social scientists interested in issues of rights and social justice and to graduate students and journalists seeking a critical survey of the field. Innumerable recent books have addressed the issues of rights and social justice but none combines the comprehensiveness, disinterestedness and brevity found in this work. *Positive Rights in a Republic of Talk* is unique in its critical yet the chips fall where they may approach is untainted with special pleading for specific philosophical schools or social policies; it is distinctive in its range, examining the views of classical as well as contemporary thinkers and trendy as well as more established approaches; it is relentless in its confrontation of the abstract with the concrete; it discusses positive rights in such contexts as health care, education, foreign aid, homelessness, welfare and disaster relief; policies are distinctive in its prose which is vivid, engaging, clear, occasionally funny and never pompous or engorged with jargon; it can be read and enjoyed by serious non-specialists as well as specialists. **Gender Autonomy in Western Europe** R. Singh, 1998-05-11

Rina Singh's book compares seventeen Western European countries in the area of women's involvement in the public sphere, participation and policies affecting it, and private sphere roles and policies affecting it. The interaction between the two spheres is analysed to determine where countries lie in the process towards gender autonomy; ultimately the ability of each sex to make free lifestyle choices to participate in both or either the public and private spheres in a way that neither penalises nor rewards the choices in material and/or social terms. Four models of gender autonomy are proposed. **Justifying Taxes** Agustín José Menéndez, 2013-03-14

Justifying Taxes offers readers some of the elements of a democratic tax law considered within its political and philosophical context in order to determine the extent of legitimate tax obligations. The objective is to revisit some of the issues in the dogmatics of tax law from the viewpoint of a critical citizen always ready to ask questions about the justification underlying her obligations and especially about her paramount burden viz the payment of certain amounts of money. Within this purview special attention is paid to the general principles of taxation. The argument is complemented by a detailed reconstruction of constitutional reasoning in tax matters, close attention being paid to the jurisprudence of the Spanish Tribunal Constitucional. Readership: Legal scholars, political scientists and philosophers. Especially recommended to graduate and undergraduate students of Tax Law, Constitutional Law, Jurisprudence, Philosophy of Law and Political Theory. *Equity and Justice in Social Behavior* Jerald

Greenberg, Ronald L. Cohen, 2014-05-10 Equity and Justice in Social Behavior provides a critical assessment of the social psychological knowledge relevant to justice This book illustrates how the broad concept of justice pervades the core literature of social psychology Organized into 12 chapters this book begins with an overview of the primary justice theories and identifies some of the focal issues with which they are concerned This text then provides the necessary theoretical background for the study Other chapters consider the various individual difference variables known to affect adherence to social justice norms This book explains as well how the perceived causes of justice affect attempts to seek redress and how actors and observers diverge in their perspectives about justice The final chapter deals with the normative and instrumental interpretations that have been offered to explain justice behavior This book is a valuable resource for social psychologists social scientists philosophers political actors theorists and graduate students

Human Ecology, Human Economy Clive Hamilton, 2020-09-02 A brilliant synthesis of ecology and economics that provides a sure guide to a sustainable future It is a must for all environmentalists and economists Charles Birch Written by an impressive list of experts across a number of disciplines this readable text provides not only analysis but vigorous criticism and answers Robyn Williams This book is such a useful guide to responsible decision making that it should be supplied in bulk to senior government officials and managers in the private sector Ian Lowe This is a fine contribution to ecological economics coming from Australia and of interest worldwide Herman E Daly Human well being is wholly dependent upon the continued good health of the Earth s ecosystems Human behaviour as it interacts with the biophysical environment is enormously complex as governments and individuals who must make decisions about resource use are becoming increasingly aware Human Ecology Human Economy provides the basic concepts and tools for understanding how to analyse that interaction The book is designed to be used as a text for undergraduate and graduate students in environmental studies human and social ecology ecological economics futures studies and science and technology studies It is also intended for interested members of the public and for policy makers working on environmental issues especially where these intersect with economic policy Human Ecology Human Economy not only covers the basic concepts but also moves to some of the frontiers of thinking in several case studies It uses a problem and solution oriented approach which crosses disciplinary boundaries drawing together elements from biology economics philosophy and political science Professor Mark Diesendorf is Director of the Institute for Sustainable Futures at the University of Technology Sydney and Vice President of the Sustainable Energy Industries Council of Australia Among the books he has edited are The Magic Bullet and Energy And People Dr Clive Hamilton is Executive Director of the Australia Institute Canberra and teaches in the Public Policy Program at the Australian National University His books include Capitalist Industrialisation In Korea The Mystic Economist and The Economic Dynamics Of Australian Industry

John Rawls and His Critics J. H. Wellbank, Denis Snook, David T. Mason, 1982

Sociological Abstracts Leo P. Chall, 1983

Women Studies Abstracts , 1983

Bibliographie Internationale de Sociologie 1980 , 1982 Each Bibliography lists and

annotates the most important works published during the year They are arranged by topic and indexed by author subject and geographic location *Sociological Abstracts* ,1983 *Social Justice and Democracy* Basile Ekanga,2005 The author proceeds from empirical basis to show how far the two Rawls s principles of justice can be implemented in Africa Positions not only of Rawls but also of other philosophers are presented reconstructed and commented They are also opposed with critiques and other theories so that the appropriate position for Africa can be explained The author comes to the conclusion that the fundamental liberties are still in the making in Africa A long colonial past and Apartheid have deprived Africa from its blossoming However a groping democracy of full hope is pointing ahead So that freedom and democracy gain more room the author suggests the establishment of federalism based on ethnic groups To speak of democracy and freedom without a substantial economic support seems illusive In order to improve the lot of the least advantaged the author proposes betterment of education and health

Equality Justice And Rectification An Exploration In Normative Sociology Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Equality Justice And Rectification An Exploration In Normative Sociology PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Equality Justice And Rectification An Exploration In

Normative Sociology PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Equality Justice And Rectification An Exploration In Normative Sociology free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Equality Justice And Rectification An Exploration In Normative Sociology Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Equality Justice And Rectification An Exploration In Normative Sociology is one of the best book in our library for free trial. We provide copy of Equality Justice And Rectification An Exploration In Normative Sociology in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Equality Justice And Rectification An Exploration In Normative Sociology. Where to download Equality Justice And Rectification An Exploration In Normative Sociology online for free? Are you looking for Equality Justice And Rectification An Exploration In Normative Sociology PDF? This is definitely going to save you time and cash in something you should think about.
