Erotic Fantasies A Study Of The Sexual Imagination:

Erotic Fantasies Phyllis Kronhausen, Eberhard Kronhausen, 1987 This pathbreaking compilation long out of print is a survey of sexual fantasies from early folklore to the bawdy tales of the prolific Victorians to a very modern version of Little Red Riding Hood Here among other selections are vignettes from Poggio Rabelais and the Divine Aretino instructive dialogues from the seventeenth century Whore s Rhetorick nineteenth century flights of invention like Gynecocracy Prince Cherrytop and Les Tableaux Vivants and a superman fantasy by Alfred Jarry excerpts from the entire spectrum of Western erotica In their frank and fascinating commentary the Drs Kronhausen mine these mental aphrodisiacs as a valuable source of psychological and cultural insight As they point out it is the element of fantasy that distinguishes human sexuality from that of other species In a spirit of respect for the play of the human imagination in all its forms they commend their volume to their fellow professionals and to anyone with literary interests a sense of humor and the moral courage to look at his own unknown psyche and that of his fellow men

Erotic Fantasies Phyllis Kronhausen, 1979 Sexual Fiction Maurice Charney, 2013-10-08 First Published in 2002 It is easy to see that we are living in a time of rapid and radical social change It is much less easy to grasp the fact that such change will inevitably affect the nature of those disciplines that both reflect our society and help to shape it Yet this is nowhere more apparent than in the central field of what may in general terms be called literary studies New Accents is intended as a positive response to the initiative offered by such a situation Each volume in the series will seek to encourage rather than resist the process of change To stretch rather than reinforce the boundaries that currently define literature and its academic study
