F.C. Fronmuller, 2007-05-01 Presented here in paperback for the first time is John Peter Lange s Theologischhomiletisches Bibelwerk Intended to help preachers prepare sermons the commentary series is essentially biblical and evangelical catholic This nineteenth century commentary has served as a standard reference for more than a century Many early reviewers

regarded Schaff's edition with his additional material as superior to the original. It has proven to be a complete and useful commentary and continues to prove especially valuable to ministers. It contains critical annotations of the text and its translation and a threefold commentary: exegetical, doctrinal, and homiletical. Under these three heads the text is viewed from every aspect.

The Epistles of Peter J. H. Jowett, 1993 Jowett presents practical and devotional commentary that addresses the doctrinal and theological issues found in First and Second Peter.

The New Testament Epistles Doremus Almy Hayes, 1921 *The Epistles General of I and II Peter and I John* Alexander Maclaren, 1910

The Epistles of Peter and Jude David G. Horrell, 1998 The letters of Peter and Jude occupy a neglected corner of the canon. From a historical perspective they offer insight into early Christianity. This text explores what these letters say about God, Christ, and the Spirit, and about Christian identity.

The Epistles of James, Peter, and Jude Bo Reicke, 1964 Translation in modern English with commentary.

The Epistles of St. Peter, the Engl. text and paraphrase of each verse, by G. Sampson Peter (st.), 1903

The Letters of 2 Peter and Jude Peter H. Davids, 2006-09-19 Filling a notable gap in scholarship on 2 Peter and Jude, Peter Davids artfully unpacks these two neglected but fascinating epistles that deal with the confrontation between the Greco-Roman world and the burgeoning first-century Jesus communities. Davids firmly grasps the overall structure of these oft-maligned epistles and presents a strong case for 2 Peter and Jude as coherent, consistent documents. Marked by exceptional exegesis and sharp independent judgments, Davids's work both connects with the latest scholarship and transforms scholarly insights into helpful conclusions benefiting Christian believers.

The Redeemed Family of God John Henry Jowett, 1919

Life-study of James and the Epistles of Peter Witness Lee, 2023-09-27 In Life study of James, Witness Lee emphasizes two key points related to the Epistle of James: first, that the believers must progress in practical Christian perfection, and second, that the believers must be careful not to cultivate such perfection without a clear vision concerning the law and grace of God in God's New Testament economy. In Life study of First Peter, he describes the Christian life under the government of God with its high demand, and in Life study of Second Peter, he details the divine provision that supplies the believers with all that they need to meet that high demand.
