Misconceptions about God s sovereignty arise from wrong views of God s nature Through a careful comparison of the writings of Charles Chauncy 1705 87 and John Gill 1697 1771 with the development of the ecumenical creeds this book helps to resolve such misunderstandings by detecting and correcting human centered reasoning in the doctrines of the Trinity and salvation Drawing on both ancient Christian writings and Reformation era teachings *Earth Shadows on the Sky* The Holy Trinity Divine Sovereignty and Humanistic Philosophy offers an innovative approach to questions about God s sovereignty

The Ante-Nicene Fathers Alexander Roberts, 2007-05-01 One of the first great events in Christian history was the Council of Nicaea in 325 AD convened to organize Christian sects and beliefs into a unified doctrine The great Christian clergymen who wrote before this famous event are referred to as the Ante Nicenes and the Apostolic Fathers and their writings are collected here in a ten volume set The Ante Nicenes lived so close to the time of Christ that their interpretations of the New Testament are considered more authentic than modern voices But they are also real and flawed men who are more like their fellow Christians than they are like the Apostles making their words echo in the ears of spiritual seekers In Volume VI of the 10 volume collected works of the Ante Nicenes first published between 1885 and 1896 readers will find the writings of Gregory Thaumaturgus Dionysius pope of Alexandria Julius Africanus a Christian historian who wrote a history of the world from Creation to 221 bishops Antolius of Constantinople Archelaus of Carchar and Peter of Alexandria Alexander of Cappadocia bishop of Jerusalem until he was taken prisoner by the Romans Theognostus Pierius and Thenas of Alexandria Phileas a philosopher from Thmuis Pamphilus patron of the library at Caesarea Malchion a rhetorician from Antioch Alexander bishop of Alexandria who drew up the Acts during the Council of Nicaea the martyr Methodius Arnobius an early Christian apologist *Ante-Nicene Christian Library: The writings of Methodius, etc. (1869)* Alexander Roberts, Sir James Donaldson, 1869 *Catalogue of the California State Library* California State Library, 1889 Defrocking the Devil Thomas J. Boynton, 2011-03 *Defrocking the Devil* Theology of Fear is a brief history of the last 2 500 years of monotheism using the

actual words of the men who claimed to know the devil figure most intimately From Peter to Constantine to Martin Luther to our present day theologians these men and hundreds more included in this book supported the early Church fathers arguments for the inclusion of Satan into Christian polemics A dualism appeared in the story of Jesus immediately after his crucifixion Instead of tirelessly promoting the Christian message of love thy neighbor as thyself a new spiritual equation of hate torture and murder entered the theological landscape Defrocking the Devil is an attempt to puncture the myths surrounding the words evil devil and hell Two thousand years after the birth of Christianity and fourteen hundred years after the start of Islam hundreds of millions of people currently living on this planet are in real fear of one day ending up down in the devil s lair How did Christian belief in Jesus become conditional upon the existence of fictional beings and wicked subterranean places Defrocking the Devil seeks to illuminate the darkness and empower all people of faith to move beyond theologies that advocate violence into the spiritual equation There have been many books written about this dark side of Western theology but few historians do much more than recount its bloody genocidal history Defrocking the Devil actively seeks to tear down such religious dogmas by using the very words of those who extolled such a hurtful anti Christian philosophy

Ante-Nicene Christian Library Alexander Donaldson, James Roberts, 2020-09-22 Reprint of the original first published in 1869 [Ante-Nicene Fathers: Fathers of the Early Church \(Complete\)](#) Philip Schaff, The Church of God which sojourns at Rome to the Church of God sojourning at Corinth to them that are called and sanctified by the will of God through our Lord Jesus Christ Grace unto you and peace from Almighty God through Jesus Christ be multiplied Owing dear brethren to the sudden and successive calamitous events which have happened to ourselves we feel that we have been somewhat tardy in turning our attention to the points respecting which you consulted us and especially to that shameful and detestable sedition utterly abhorrent to the elect of God which a few rash and self confident persons have kindled to such a pitch of frenzy that your venerable and illustrious name worthy to be universally loved has suffered grievous injury For who ever dwelt even for a short time among you and did not find your faith to be as fruitful of virtue as it was firmly established Who did not admire the sobriety and moderation of

your godliness in Christ Who did not proclaim the magnificence of your habitual hospitality And who did not rejoice over your perfect and well grounded knowledge For ye did all things without respect of persons and walked in the commandments of God being obedient to those who had the rule over you and giving all fitting honour to the presbyters among you Ye enjoined young men to be of a sober and serious mind ye instructed your wives to do all things with a blameless becoming and pure conscience loving their husbands as in duty bound and ye taught them that living in the rule of obedience they should manage their household affairs becomingly and be in every respect marked by discretion *Ante-Nicene Christian Library* Alexander Roberts, Sir James Donaldson, 1869 The Ante-Nicene Fathers Alexander Roberts, 1888 *Calvin, Classical Trinitarianism, and the Aseity of the Son* Brannon Ellis, 2012-06-28 For much of his career as a Reformer John Calvin was involved in trinitarian controversy Not only did these controversies span his career but his opponents ranged across the spectrum of theological approaches from staunch traditionalists to radical antitrinitarians Remarkably the heart of Calvin's argument and the heart of others' criticism remained the same throughout Calvin claimed that the only begotten Son of the Father is also as the one true God of himself Brannon Ellis investigates the various Reformation and post Reformation responses to Calvin's affirmation of the Son's aseity or essential self existence a significant episode in the history of theology that is often ignored or misunderstood Calvin neither rejected eternal generation nor merely toed the line of classical exposition As such these debates turned on the crucial pivot between simple unity and ordered plurality the relationship between the processions and consubstantiality at the heart of the doctrine of the Trinity Ellis's aim is to explain the historical significance and explore the theological implications of Calvin's complex solidarity with the classical tradition in his approach to thinking and speaking of the Triune God He contends that Calvin's approach rather than an alternative to classical trinitarianism is actually more consistent with this tradition's fundamental commitments regarding the ineffable generation of God from God than its own received exposition
