Equality And Freedom In Education A Comparative Study:

Equality and Freedom in Education Brian Holmes, 2022-02-26 First published in 1985 *Equality and Freedom in Education* investigates the extent to which it is possible or desirable to provide equal opportunities in education regardless of age sex race language and social class Attempts to make such provision regularly attract the criticism that they remove the freedom of parents and religious bodies to educate children in accordance with their particular wishes To understand this dilemma the book analyses the educational systems and practices in England and Wales France the USA the USSR China and Japan Information about each system is provided in accordance with a taxonomy developed by Professor Holmes for the International Bureau of Education in Geneva and widely accepted by Ministries of Education throughout the world Simplified diagrams show how school systems are organised and how children pass through the school system and essential statistical information taken from UNESCO sources is also provided The book will be of interest to students of education and sociology

EQUALITY AND FREEDOM IN EDUCATION ,2024 *Education and Cultural Differences* Douglas Ray, Deo Poonwassie, 2017-04-28 First published in 1992 this book looks at the interaction between ideals and reality with the focus upon social inequality and education in modern society as well as the possibilities for education to lessen the related problems The essays in this volume examine three forms of inequality in global society aboriginal societies in modern industrial states long established communities that have been denied full status and differences arising from recent population migrations In doing so it considers how education might support the efforts of all members of society to pursue the goal of equal status for all *Democracy, Governance, and Economic Performance* Yi Feng, 2003 A theoretical and empirical examination of why political institutions and organizations matter in economic growth **Equality and Freedom in Education** Crispin Jones, Martin McLean, David Turner, J. Tomiak, Pauline Chan, 1985 Educational Research Quarterly ,2002 Core List of Books and Journals in Education Nancy P. O'Brien, Emily Fabiano, 1991-01-09 This list assembles a selected group of approximately 1000 books and journals currently available in the field of education mostly published in the late 1980s All works are in English and almost all are American American government documents and monographs published by UNESCO have also been included **Law and Religious Diversity in Education** Kyriaki Topidi, 2020-08-05 Religion is a prominent legal force despite the premise constructed and promoted by Western constitutionalism that it must be separated from the State in democracies Education constitutes an area of human life that leaves ample scope for the expression of religious identity and shapes the citizens of the future It is also the place of origin of a considerable number of normative conflicts involving religious identity that arise today in multicultural settings The book deals with the interplay of law and religion in education through the versatility of religious law and legal pluralism as well as religion's possible adaptation and reconciliation with modernity in order to consider and reflect on normative conflicts It adopts the angle of the constitutional dimension of religion narrated in a comparative perspective and critically reflects on regulatory attempts by

the State and the international community to promote new ways of living together **Resources in Education** ,1995

Bowker's Law Books and Serials in Print ,1993 *Educational Regimes and Anglo-American Democracy* Ronald A. Manzer,2003-01-01 Manzer s comparative political study of schools in Australia Canada New Zealand the United Kingdom and the United States focuses on five fundamental problems in the historical development of Anglo American educational regimes the original creation of systems of elementary education in the nineteenth century as publicly provided and publicly governed the transformation of secondary schools in the early twentieth century to match the emerging structure of occupational classes in capitalist industrial economies the planning for secondary schools in the development of the welfare state after the Second World War the accommodation of social diversity in public schools from the 1960s to the 1990s in response to increasingly strong assertions of ethnicity language race and religion not only as criteria for equal treatment but also as foundations of communal identity and more Handbook of Research on Teacher Education W. Robert Houston,Martin Haberman,John P. Sikula,1990 *Education Policy and Equal Opportunity in Japan* Akito Okada,2011-12-01 In many societies today educational aims or goals are commonly characterized in terms of equality equal opportunity equal access or equal rights the underlying assumption being that equality in some form is an intelligible and sensible educational ideal Yet there are different views and lively debates about what sort of equality should be pursued in particular the issue of equality of educational opportunity has served as justification for much of the postwar restructuring of educational systems around the world The author explores different interpretations of the concept of equality of educational opportunity in Japan especially as applied to post World War II educational policies By focusing on the positions taken by key actors such as the major political parties central administrative bodies teachers unions and scholars he describes how their concepts have developed over time and in what way they relate to the making of educational policy especially in light of Japan s falling birthrate and aging society European and Latin American Higher Education Between Mirrors António Teodoro,Manuela Guilherme,2014-05-05 This book aims to deepen the discussion about the goals envisioned the roles undertaken and constraints found in higher education institutions both in Europe and Latin America in current times This book addresses the controversies and challenges regarding globalising ideologies policies and practices at place It questions leading concepts epistemological axioms and sweeping transnational policies which are shaking core principles traditional routines and local commitments of European and Latin American higher education institutions It focuses on the motivations and consequences of transnational networking in academic life on the impacts of the Bologna process both its vision and implementation in higher education in Europe and its exportation to Latin America This book also examines the definitions translations and implications of concepts such as equality and difference equity and solidarity governance and citizenship and their significance in organizational geographical and global contexts of contemporary higher education both in Europe and Latin America *Equality* Bob Hepple,2014-10-16 The second edition of this widely acclaimed book about the Equality Act 2010

by one of its leading architects brings forward the story of how and why this historic legislation was enacted and what it means to cover the first four years of its implementation by the Coalition Government and in the courts This includes an assessment of amendments to the legislation the reduction in the powers and budget of the Equality and Human Rights Commission and the imposition of tribunal fees as well as a discussion of possible future directions of equality law and policy From the Foreword to the first edition by Lord Lester of Herne Hill QC This is no ordinary law book and its author is no ordinary lawyer The book like the Equality Act 2010 which it describes and discusses is a major landmark in the long struggle for effective legal protection of equal rights and equal treatment without direct or indirect discrimination It places the law in its political economic and social context and traces its often contested and controversial legal history **A Comparative Study of Systems of Educational Control in China, England, France, Germany, and the United States** Paul C. Fugh,1924 **Freedom of Choice** Jim Carl,2011-09-13 This book reveals that far from being the result of a groundswell of support for parental choice in American education the origins of school vouchers are seated in identity politics religious schooling and educational entrepreneurship Inserting much needed historical context into the voucher debates Freedom of Choice Vouchers in American Education treats school vouchers as a series of social movements set within the context of evolving American conservatism The study ranges from the use of tuition grants in the 1950s and early 1960s in the interest of fostering segregation to the wider acceptance of vouchers in the 1990s as a means of counteracting real and perceived shortcomings of urban public schools The rise of school vouchers author Jim Carl suggests is best explained as a mechanism championed by four distinct groups white supremacists in the South supporters of parochial school in the North minority advocates of community schools in the nation s big cities and political conservatives of both major parties Though freedom was the rallying cry this book shows that voucher supporters had more specific goals continued racial segregation of public education tax support for parochial schools aid to urban community schools and opening up the public school sector to educational entrepreneurs **Preschool in Three Cultures Revisited** Joseph Tobin,Yeh Hsueh,Mayumi Karasawa,2009-08-01 Published twenty years ago the original Preschool in Three Cultures was a landmark in the study of education a profoundly enlightening exploration of the different ways preschoolers are taught in China Japan and the United States Here lead author Joseph Tobin along with new collaborators Yeh Hsueh and Mayumi Karasawa revisits his original research to discover how two decades of globalization and sweeping social transformation have affected the way these three cultures educate and care for their youngest pupils Putting their subjects responses into historical perspective Tobin Hsueh and Karasawa analyze the pressures put on schools to evolve and to stay the same discuss how the teachers adapt to these demands and examine the patterns and processes of continuity and change in each country Featuring nearly one hundred stills from the videotapes Preschool in Three Cultures Revisited artfully and insightfully illustrates the surprising illuminating and at times entertaining experiences of four year olds and their teachers on both sides of the Pacific **Research in Education** ,1973 **Higher**

Education, State and Society Lili Yang, 2022-09-08 In this monograph Lili Yang compares core ideas about the state society and higher education in two major world traditions She explores the broad cultural and philosophical ideas underlying the public good of higher education in the two traditions reveals their different social imaginaries and works through five areas where higher education intersects with the individual society the state and the world intersections understood in contrasting ways in each tradition The five key themes are individual student development in higher education equity in higher education academic freedom and university autonomy the resources and outcomes of higher education and cross border higher education activities and higher education s global outcomes In exploring the similarities Yang highlights important meeting points between the two world views with the potential to contribute to the mutual understanding and cooperation across cultures
