teams of Qing officials and European missionaries The resulting maps and atlases all widely circulated across Eurasia remained the most authoritative cartographic representations of continental East Asia for over a century This book is based on Dr Mario Cams dissertation which has been awarded the 2017 DHST Prize for Young Scholars from the International Union of the History and Philosophy of Science and Technology Division of History of Science and Technology IUHPST DHST

King, 2019-09-15 What is revenge and what purpose does it serve On the early modern English stage depictions of violence and carnage the duel between Hamlet and Laertes that leaves nearly everyone dead or the ghastly meal of human remains served at the end of Titus Andronicus emphasize arresting acts of revenge that upset the social order Yet the subsequent critical focus on a narrow selection of often bloody revenge plays has overshadowed subtler and less spectacular modes of vengeance present in early modern culture In *Civil Vengeance* Emily L. King offers a new way of understanding early modern revenge in relation to civility and community Rather than relegating vengeance to the social periphery she uncovers how facets of society church law and education relied on the dynamic of retribution to augment their power such that revenge emerges as an extension of civility To revise the lineage of revenge literature in early modern

England King rereads familiar revenge tragedies including Marston's Antonio's Revenge and Kyd's The Spanish Tragedy alongside a new archive that includes conduct manuals legal and political documents and sermons Shifting attention from episodic revenge to quotidian forms Civil Vengeance provides new insights into the manner by which retaliation informs identity formation interpersonal relationships and the construction of the social body **Cult series** Franco Monteleone, 2005 Negligence and Compensation Cases Annotated, 1921 Current appellate decisions with supporting pleadings and approved instructions relating to the law of negligence generally with accompanying editorial comment cross references to additional sources and relevant case annotations *Purdon's Pennsylvania Statutes, Annotated* Pennsylvania, 1930 *American Law Reports Annotated*, 1923 Barbie in the Media Emily R. Aguiló-Pérez, Rebecca C. Hains, 2025-09-26 What is the significance of Barbie's journey from toy aisles to screens Barbie in the Media offers a groundbreaking exploration of Barbie as a transmedia phenomenon In examining the brand's multifaceted media presence this volume's chapters consider both Mattel's corporate storytelling about and fans' reinterpretations of the iconic doll Collectively they reveal that these mediated negotiations of Barbie reflect and contribute to broader discourses about gender and identity in evolving sociopolitical contexts inscribing the doll with ever-changing and often conflicting anxieties and dreams These render the brand's media presence a fascinating site of contested meaning worthy of the sustained critique that Barbie in the Media offers readers **Proceedings of the Grand Royal Arch Chapter of Alabama** Royal Arch Masons.
