Harvesting Change Labor And Agrarian Reform In Nicaragua 1979 199:

Harvesting Change Laura J. Enriquez, 2000-11-09 One of the principal aims of the Sandinista government in Nicaragua was to end the exploitation of the rural poor But its attempts to promote balanced economic development and redistribute agricultural resources created labor shortages that threatened the country's economic lifeline New employment opportunities created through agrarian reform upset the delicate balance developed in pre revolution years to meet the labor requirements of Nicaragua's two key crops cotton and coffee Laura Enriquez studied this problem extensively while working in Nicaragua between 1982 and 1989 and in *Harvesting Change* she provides a unique analysis of the dilemmas of reform in an agrarian society Enriquez describes the traditional labor relations of Nicaragua's agroexport production and outlines their breakdown as agrarian reform advanced She also assesses the alternatives adopted by the Sandinista government as it attempted to address the crisis Her book is based on participant observation and on formal and informal interviews with a broad cross section of people involved in agricultural production including officials involved in agrarian reform planning and labor producers workers and representatives from associations of growers workers and peasants By presenting agrarian reform in its broad social context Enriquez makes an important contribution to our understanding of the problems associated with the transition to socialism in the Third World Originally published in 1991 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value *The History of Nicaragua* Clifford L. Staten, 2010-05-20 This concise history of Nicaragua provides the reader with a history of the ways in which key political and economic factors have contributed to the creation of the modern nation Notwithstanding Nicaraguan President Daniel Ortega's disdain for the United States our nation has played a significant role in shaping Nicaraguan nationalism as well as the country's political economic and social systems The History of Nicaragua was written in part to help students and other interested readers understand that relationship providing them with an up to date concise and analytical history of the Central American nation The book begins by describing the people geography culture and current political economic and social systems of Nicaragua The remainder of the volume is devoted to a chronological history emphasizing recurring themes or factors that have shaped the modern state These include the importance of elite families such as the Somoza dynasty that ruled for more than 40 years Other topics include the agro export model of economic development modern Nicaraguan nationalism the Sandinista revolution and its legacy and the democratic transition that began in 1990 [AAEA Newsletter](#), 1989 **Bibliography of Agriculture**, 1992-02 [Bibliography of Agriculture with Subject Index](#), 1992 **Bibliographic Index**, 1991 *American Book Publishing Record*, 1991 **Bulletin of the Public Affairs Information Service** Public Affairs Information Service, 1981 [Public Affairs Information Service Bulletin](#) Public Affairs
