woman whose daughter never had a Rice Krispie Treat although her mom invented them or some of the most haunted buildings and bridges in America all found in this amazing state Let Michelle Sprout Murray be your tour guide of her home state and prepare to be amazed     **Witch Haunts** Heidi E.Y. Stemple,2016-08-01 Cauldrons broomsticks spells and black cats are some of the things that witches bring to mind Yet tales about witches are more than just spooky legends Throughout history people who looked or acted strangely have been accused of being witches and conjuring evil The consequence of being found guilty of practicing witchcraft was often a terrible death Among the 11 creepy witches haunts in this book children will discover a castle haunted by a woman suspected of being a witch a cave lived in by a odd looking woman who could predict the future and a tower where people gather on Halloween to summon the devil The spooky photographs and chilling nonfiction text will keep children turning the pages to discover even more spellbinding stories
