**Apology** Jimmie Clay, 2007-08 Everyday somebody is offering an apology for something he/she did or said that may have offended somebody else or a certain group From the beginning to the end of this book authentic examples are given where a person offended or harmed another and followed up the action by either making a genuine apology made a blunder or failed to offer one at all The examples typify the advent of apologies and apologizing in our society today especially from those we

call celebrities and those who we look to for good character It has been observed that over the past several years we have seen and heard many public acts of contrition from movie and sports stars to religious leaders politicians and common people Some of the expressions that are called apologies have been sincere and were presented in a genuine manner On the other hand some of the gestures made the situations worse and diminished the act altogether A genuine apology is defined as a gesture that expresses one regret over an offense fault or accident caused to another The gesture includes an admission that harm was caused to the other person or group and a sincere promise that the act will not happen again As a means to illustrate how a genuine apology can be presented to an offended person or group six cases are revisited and rewritten in different statements to make the gestures more authentic Obviously there are different views on apologizing for harm caused to others Several distinguished individuals were interviewed to ascertain their perceptions on apology and apologizing for harm caused to another person or group     *Introducing the Lessons of the Church Year* Frederick Borsch,2009-09 Many of us have difficulty hearing the Bible as it is read to us in church Sunday after Sunday through the year     **Divine Testimony for the Resurrection** Larry Stalley,2025-04-15 Is the Shroud of Turin the actual burial cloth that once wrapped the corpse of Jesus If it is why were the Gospel writers silent about its mysterious full body image Might there actually be cryptic references to the image within the New Testament that have gone unnoticed until now And if there are such references why are they cryptic What has science discovered about the image on the Shroud And are there historical references or artifacts associated with the Shroud outside the biblical canon from the period of the early Church Those important and intriguing questions are addressed by this book The significance of this work is monumental both with regard to New Testament studies and with regard to our understanding of the Shroud of Turin The book s focus that hidden or cryptic statements concerning the Shroud and its incredible image actually exist within the Bible is a game changer with respect to 1 the quest for the historical Jesus 2 the existence of biblical evidence supporting the authenticity of the Turin Shroud and 3 the believer s assurance of personal resurrection and eternal life     **Computer Bible Study** Jeffrey Hsu,1993 Inside this book is a tour of the most exciting area of Bible study today computer aided Bible study Jeffrey Hsu has provided an easy to read introduction to this revolutionary new way to investigate God s Word     *Encyclopedia of Christian Education* George Thomas Kurian,Mark A.
