## **Harry Bridges The Rise And Fall Of Radical Labor In The U S:**

Harry Bridges Charles P. Larrowe,1979      **Labor's Story In The United States** Philip Nicholson,2004-02-09 For scholars and students Book jacket      **The Forging of a Black Community** Quintard Taylor,2022-06-07 Seattle s first black resident was a sailor named Manuel Lopes who arrived in 1858 and became the small community s first barber He left in the early 1870s to seek economic prosperity elsewhere but as Seattle transformed from a stopover town to a full fledged city African Americans began to stay and build a community By the early twentieth century black life in Seattle coalesced in the Central District a four square mile section east of downtown Black Seattle however was never a monolith Through world wars economic booms and busts and the civil rights movement black residents and leaders negotiated intragroup conflicts and had varied approaches to challenging racial inequity Despite these differences they nurtured a distinct African American culture and black urban community ethos With a new foreword and afterword this second edition of The Forging of a Black Community is essential to understanding the history and present of the largest black community in the Pacific Northwest

**Against the Deportation Terror** Rachel Buff,2018 Despite being characterized as a nation of immigrants the United States has seen a long history of immigrant rights struggles In her timely book Against the Deportation Terror Rachel Ida Buff uncovers this multiracial history She traces the story of the American Committee for the Protection of the Foreign Born ACPFB from its origins in the 1930s through repression during the early Cold War to engagement with new Latinx and Caribbean immigrants in the 1970s and early 1980s Functioning as a hub connecting diverse foreign born communities and racial justice advocates the ACPFB responded to various ongoing crises of what they called the deportation terror Advocates worked against repression discrimination detention and expulsion in migrant communities across the nation at the same time as they supported reform of federal immigration policy Prevailing in some cases and suffering defeats in others the story of the ACPFB is characterized by persistence in multiracial organizing even during periods of protracted repression By tracing the work of the ACPFB and its allies over half a century Against the Deportation Terror provides important historical precedent for contemporary immigrant rights organizing Its lessons continue to resonate today      Red Scare: Memories of the American Inquisition Griffin Fariello,2008-12-01 A remarkable document of an era that permanently changed the American political landscape      Industrial Relations in International Perspective Peter B Doeringer,1981-07-30      A Companion to California History William Deverell,David Igler,2013-11-13 This volume of original essays by leading scholars is an innovative thorough introduction to the history and culture of California Includes 30 essays by leading scholars in the field Essays range widely across perspectives including political social economic and environmental history Essays with similar approaches are paired and grouped to work as individual pieces and as companions to each other throughout the text Produced in association with the Huntington USC Institute on California and the West      **Labor'S War At Home** Nelson Lichtenstein,2010-06-25 A new edition of a classic book on how World War II changed the face of labor in the US      **An**

**Injury to All** Kim Moody, 2016-02-23 Over the past decade American labor has faced a tidal wave of wage cuts plant closures and broken strikes In this first comprehensive history of the labor movement from Truman to Reagan Kim Moody shows how the AFL CIO's conservative ideology of business unionism effectively disarmed unions in the face of a domestic right turn and an epochal shift to globalized production Eschewing alliances with new social forces in favor of its old Cold War liaisons and illusory compacts with big business the AFL CIO under George Meany and Lane Kirkland has been forced to surrender many of its post war gains With extraordinary attention to the viewpoints of rank and file workers Moody chronicles the major but largely unreported efforts of labor's grassroots to find its way out of the crisis In case studies of auto steel meatpacking and trucking he traces the rise of anti concession movements and in other case studies describes the formidable obstacles to the organization of the unorganized in the service sector A detailed analysis of the Rainbow Coalition's potential to unite labor with other progressive groups follows together with a pathbreaking consideration of the possibilities of a new labor internationalism

*Dockworker Power* Peter Cole, 2018-12-30 Philip Taft Labor History Book Award Labor and Working Class History Association LAWCHA and the Cornell ILR School 2019 A Black Perspectives Best Black History Book of 2018 Dockworkers have power Often missed in commentary on today's globalizing economy workers in the world's ports can harness their role at a strategic choke point to promote their labor rights and social justice causes Peter Cole brings such overlooked experiences to light in an eye opening comparative study of Durban South Africa and the San Francisco Bay Area California Path breaking research reveals how unions effected lasting change in some of the most far reaching struggles of modern times First dockworkers in each city drew on longstanding radical traditions to promote racial equality Second they persevered when a new technology container ships sent a shockwave of layoffs through the industry Finally their commitment to black internationalism and leftist politics sparked transnational work stoppages to protest apartheid and authoritarianism Dockworker Power not only brings to light surprising parallels in the experiences of dockers half a world away from each other It also offers a new perspective on how workers can change their conditions and world

**Left Out** Judith Stepan-Norris, Maurice Zeitlin, 2003 From the late 1930s through the mid 1950s the Congress of Industrial Organizations CIO brought together America's working men and women under a united class banner Of the 38 CIO unions 18 were left wing or Communist dominated Yet the political struggle between the CIO's Communist dominated and right leaning unions was immensely divisive and self destructive How did the Communists win hold and wield power in the CIO unions Did they subordinate the needs of workers to those of the Soviet regime The authors of this book first published in 2002 provide testable answers to these questions with historically specific quantitative analyses of data on the CIO's origins internal struggles and political relations They find that among the CIO unions the Communists were more egalitarian the most progressive on class race and gender issues and leading fighters in struggles to enlarge the freedom and enhance the human dignity of America's workers

**A Historical Dictionary of the U.S. Merchant Marine and Shipping Industry** René De

La Pedraja,1994-08-23 A foremost authority has written the first comprehensive reference about the U S Merchant Marine and American shipping from the introduction of steamships to today s diesel containerships showing the impact of politics economics and technology on maritime history during the last two centuries Over 500 entries describe people private companies business and labor groups engineering and technological developments government agencies terms key laws landmark cases issues events and ships of note Short lists of references for further reading accompany these entries Appendices include a chronology diagrams of government organizations and lists of business and labor groups by founding dates An unusually extensive index lends itself to the varying research interests of students teachers and professionals in maritime and economic history business labor government relations and military studies      **The Way of the Ship** Alex Roland,W. Jeffrey Bolster,Alexander Keyssar,2008 The Way of the Ship offers a global perspective and considers both oceanic shipping and domestics shipping along America s coasts and inland waterways with explanations of the forces that influenced the way of the ship The result is an eye opening authoritative look at American maritime history and the ways it helped shape the nation s history BOOK JACKET      Knowledge Workers in the Information Society Catherine McKercher,Vincent Mosco,2008-01-01 Knowledge Workers in the Information Society addresses the changing nature of work workers and their organizations in the media information and knowledge industries These knowledge workers include journalists broadcasters librarians filmmakers and animators government workers and employees in the telecommunications and high tech sectors Technological change has become relentless Corporate concentration has created new pressures to rationalize work and eliminate stages in the labor process Globalization and advances in telecommunications have made real the prospect that knowledge work will follow manufacturing labor to parts of the world with low wages poor working conditions and little unionization McKercher and Mosco bring together scholars from numerous disciplines to examine knowledge workers from a genuinely global perspective      **On the Irish Waterfront** James T. Fisher,2011-01-15 Site of the world s busiest and most lucrative harbor throughout the first half of the twentieth century the Port of New York was also the historic preserve of Irish American gangsters politicians longshoremen s union leaders and powerful Roman Catholic pastors This is the demimonde depicted to stunning effect in Elia Kazan s On the Waterfront 1954 and into which James T Fisher takes readers in this remarkable and engaging historical account of the classic film s backstory Fisher introduces readers to the real Father Pete Barry featured in On the Waterfront John M Pete Corridan a crusading priest committed to winning union democracy and social justice for the port s dockworkers and their families A Jesuit labor school instructor not a parish priest Corridan was on but not of Manhattan s West Side Irish waterfront His ferocious advocacy was resisted by the very men he sought to rescue from the violence and criminality that rendered the port a jungle an outlaw frontier in the words of investigative reporter Malcolm Johnson Driven off the waterfront Corridan forged creative and spiritual alliances with men like Johnson and Budd Schulberg the screenwriter who worked with Corridan for five years to turn Johnson s Pulitzer Prize winning 1948

newspaper expos into a movie Fisher's detailed account of the waterfront priest's central role in the film's creation challenges standard views of the film as a post facto justification for Kazan and Schulberg's testimony as ex communists before the House Committee on Un American Activities On the Irish Waterfront is also a detailed social history of the New York New Jersey waterfront from the rise of Irish American entrepreneurs and political bosses during the World War I era to the mid 1950s when the emergence of a revolutionary new mode of cargo shipping signaled a radical reorganization of the port This book explores the conflicts experienced and accommodations made by an insular Irish Catholic community forced to adapt its economic political and religious lives to powerful forces of change both local and global in scope *The Supreme Court and McCarthy-Era Repression* Robert M. Lichtman, 2012-08-15 In this volume attorney Robert M Lichtman provides a comprehensive history of the U S Supreme Court's decisions in Communist cases during the McCarthy era Lichtman shows the Court's vulnerability to public criticism and attacks by the elected branches during periods of political repression The book describes every Communist related decision of the era none is omitted placing them in the context of political events and revealing the range and intrusiveness of McCarthy era repression In Fred Vinson's term as chief justice 1946-53 the Court largely rubber stamped government action against accused Communists and subversives After Earl Warren replaced Vinson as chief justice in 1953 however the Court began to rule against the government in Communist cases choosing the narrowest of grounds but nonetheless outraging public opinion and provoking fierce attacks from the press and Congress Legislation to curb the Court flooded Congress and seemed certain to be enacted The Court's situation was aggravated by its 1954 school desegregation decision *Brown v Board of Education* which led to an anti Court alliance between southern Democrats and anti Communists in both parties Although Lyndon Johnson's remarkable talents as Senate majority leader saved the Court from highly punitive legislation the attacks caused the Court to retreat with Felix Frankfurter leading a five justice majority that decided major constitutional issues for the government and effectively nullified earlier decisions Only after August 1962 when Frankfurter retired and was replaced by Arthur Goldberg did the Court again begin to vindicate individual rights in Communist cases its McCarthy era was over Demonstrating keen insight into the Supreme Court's inner workings and making extensive use of the justices papers Lichtman examines the dynamics of the Court's changes in direction and the relationships and rivalries among its justices including such towering figures as Hugo Black Felix Frankfurter Earl Warren William O Douglas and William J Brennan Jr *The Supreme Court and McCarthy Era Repression One Hundred Decisions* tells the entire story of the Supreme Court during this unfortunate period of twentieth century American history *On the Job* Craig Heron, 1986-01-01 The essays in this volume enhance our understanding of Canadians on the job Focusing on specific industries and kinds of work from logging and longshoring to restaurant work and the needle trades the contributors consider such issues as job skill mass production and the transformation of resource industries They raise questions about how particular jobs are structured and changed over time the role of workers resistance and trade unions in

shaping the lives of workers and the impact of technology Together these essays clarify a fundamental characteristic shared by all labour processes they are shaped and conditioned by the social economic and political struggles of labour and capital both inside and outside the workplace They argue that technological change as well as all the transformations in the workplace must become a social process that we all control

**Endangered Dreams** Kevin Starr,1996-01-11 In *Endangered Dreams* Kevin Starr paints a portrait that is both detailed and panoramic offering a vivid look at the personalities and events that shaped a decade of explosive tension He begins with the rise of radicalism on the Pacific Coast which erupted when the Great Depression swept over California in the 1930s Starr captures the triumphs and tumult of the great agricultural strikes in the Imperial Valley the San Joaquin Valley Stockton and Salinas identifying the crucial role played by Communist organizers The highpoint of social conflict however was 1934 the year of the coastwide maritime strike and here Starr's narrative talents are at their best as he brings to life the astonishing general strike that took control of San Francisco And yet the Depression also brought out the finest in Californians state Democrats fought for a local New Deal California natives helped care for more than a million impoverished migrants through public and private programs artists movingly documented the impact of the Depression and an unprecedented program of public works capped by the Golden Gate Bridge made the California we know today possible In capturing the powerful forces that swept the state during the 1930s Starr weaves an insightful analysis into his narrative fabric Out of a shattered decade of economic and social dislocation he constructs a coherent whole and a mirror for understanding our own time

Composing a World Leta E. Miller,Fredric Lieberman,2004 Since its original publication *Composing a World* by Leta E Miller and Fredric Lieberman has become the definitive work on the prolific California composer Lou Harrison often cited as one of America's most original and influential figures *Composing a World* presents a compelling and deeply human portrait of an exceptionally beloved pioneer in American music This paperback edition is an updated version of the highly acclaimed *Lou Harrison Composing a World* The product of extensive research as well as seventy five interviews with the composer and those associated with him over half a century this new edition features an updated works catalog reflecting compositions completed after 1997 adds a brief description of the circumstances of Harrison's death and corrects a few minor errors It also includes an annotated works list detailing more than 300 compositions and a CD featuring over 74 minutes of illustrative Harrison compositions including several unique and previously unrecorded works Extending beyond simple biography *Composing a World* includes chapters on music and dance intonation and tuning instrument building music criticism political activism homosexuality and Harrison's Asian influences among other topics This indispensable study of Harrison's life and works currently out of print will be welcomed back by performing artists students and scholars of American music

*Obscene in the Extreme* Rick Wartzman,2010-10-19 Few books have caused as big a stir as John Steinbeck's *The Grapes of Wrath* when it was published in April 1939 By May it was the nation's number one bestseller but in Kern County California the Joads' newfound home the book was burned publicly and

banned from library shelves *Obscene in the Extreme* tells the remarkable story behind this fit of censorship When W B Bill Camp a giant cotton and potato grower presided over its burning in downtown Bakersfield he declared We are angry not because we were attacked but because we were attacked by a book obscene in the extreme sense of the word But Gretchen Knief the Kern County librarian bravely fought back If that book is banned today what book will be banned tomorrow *Obscene in the Extreme* serves as a window into an extraordinary time of upheaval in America a time when as Steinbeck put it there seemed to be a revolution going on
