Hatherleigh Guide To Child And Adolescent Therapy:

The Hatherleigh Guide to Child and Adolescent Therapy Hatherleigh Press, Flach, 1996 An extraordinary collection of works from the top thinkers and clinicians of our day Relevant thorough and reader friendly Ideal for students instructors and lay audiences alike Indexed by subject and name

The Hatherleigh Guides Series: The Hatherleigh guide to child and adolescent therapy, 1996 **The First Session with Children and Adolescents** Alvin E. House, 2002-02-28

The initial evaluation of a client whether in a formal diagnostic process or as a first therapy contact is the beginning of the process of providing that client with help This book provides a thorough practical primer on carrying out initial mental health evaluations with children and adolescents The focus is on efficiently eliciting the information needed for formulating the young person's difficulties clarifying the diagnostic situation and planning for treatment or referral Drawing on the available research literature as well as the author's 25 years of professional experience this user friendly book will facilitate the work of practitioners in any discipline or clinical setting

Engaging Children in Family Therapy Catherine Ford Sori, 2012-12-06 A common question at the initial meeting of a family therapist and a new client's is often whether or not to include a child or children in the counseling sessions The inclusion of a child in the family therapy process often changes the dynamic between client and therapist and between the clients themselves within the context of the counseling sessions And yet although this is such a common experience many counselors and family therapists are not adequately equipped to advise parents on whether to include a child in therapy sessions Once the child does make an appearance in the counseling session the therapist is faced with the challenges inherent in caring for a child in addition to many concerns due to the unique circumstance of the structured therapy Counseling a child in the context of a family therapy session is a specific skill that has not received the attention that it deserves This book is intended as a guide for both novice and experienced counselors and family therapists covering a wide range of topics and offering a large body of information on how to effectively counsel children and their families It includes recent research on a number of topics including working with children in a family context the exclusion of children from counseling and counselor training methods and approaches the effectiveness of filial play therapy the effects of divorce on children and ADHD Theoretical discussion is given to different family therapy approaches including family play therapy and filial play therapy Central to the text are interviews with leaders in the field including Salvador Minuchin Eliana Gil Rise VanFleet and Lee Shilts A chapter devoted to ethical and legal issues in working with children in family counseling provides a much needed overview of this often overlooked topic Chapters include discussion of specific skills relevant to child counseling in the family context case vignettes and examples practical tips for the counselor and handouts for parents

Juvenile Justice Francine Sherman, Francine Jacobs, 2011-10-04 The lessons in this book remind us that we can and that we must do better for the sake of our children their futures and the sake of our nation This volume is a call to action and I encourage everyone who reads it to take steps to ensure that all America's children are given an equal chance to succeed We

must all work together to replace the cradle to prison pipeline with a pipeline to responsible productive adulthood From the Foreword by Marian Wright Edelman JD President and founder Children s Defense Fund Washington DC Juvenile Justice Advancing Research Policy and Practice appears at a critical time when promising juvenile justice reforms are underway in so many jurisdictions across the United States Sherman and Jacobs and their impressive array of expert authors fill a significant gap in the literature making the current body of juvenile justice research and experience accessible to policy makers researchers and funders and doing so through a practical and positive lens Patrick McCarthy President and Chief Executive Officer Annie E Casey Foundation Baltimore MD Most people have narrow views of what it means to be a delinquent youth In Juvenile Justice Advancing Research Policy and Practice Sherman and Jacobs have diligently collected essays from the top experts in the juvenile justice field who tell an empirically based and powerful narrative of who is really in the delinquency system As this book makes clear until we ask and answer the right questions we will remain unable to help the youth most in need Alexander Busansky President The National Council on Crime and Delinquency Oakland CA A comprehensive reference presenting a rehabilitative youth and community centered vision of juvenile justice Juvenile Justice Advancing Research Policy and Practice brings together experts in juvenile justice child development and public health to explore the intersections between juvenile justice and needed development of programs and policies that look out for the health and well being of the youth who enter this system This timely book provides a usable framework for imagining juvenile justice systems that emphasize the welfare of juveniles achieved primarily through connections within their communities A must read for professionals working in juvenile courts and within juvenile justice agencies Juvenile Justice Advancing Research Policy and Practice reflects both the considerable advances and the challenges currently evident in the juvenile justice system with an emphasis on the development and implementation of policies that can succeed in building a new generation of educated young people able to embrace their potential and build successful futures **Ethics and**

Professional Issues in Couple and Family Therapy Lorna Hecker, 2012-07-26 While on some issues couple and family therapists have an exquisitely clear direction from professional codes of ethics others fall under gray areas that instead rely on therapists making reasoned ethical decisions Therapists need to develop ethical sensitivity to potential ethical issues in order to decrease their risk in practice and increase their maneuverability in the therapy room In Ethics and Professional Issues in Couple and Family Therapy Lorna Hecker and her contributing authors address various clinical scenarios that demonstrate the complex ethical situations couple and family therapists face every day Some points discussed in this holistic book include boundary power and privilege issues along with unique ethical issues in practicing therapy with children Risk issues when working with potential danger suicide and partner violence are also explored Each chapter sensitizes readers to potential ethical issues and provides a model for ethical decision making that best promotes good on behalf of clients Couple and family therapists will find this text an invaluable and inexhaustible resource **Ethics in Psychology and the Mental**
