Elegy For The Southern Drawl:

Elegy for the Southern Drawl Rodney Jones, 1999 Celebrating the essence of life in the South a collection of poems chronicles the life cycle of a young southern white male from high school football to losing his virginity from ignorant youth to self awareness

Elegy for April John Banville, Benjamin Black, 2010-04-13 Quirke the hard drinking insatiably curious Dublin pathologist is back and he's determined to find his daughter's best friend a well connected young doctor April Latimer has vanished A junior doctor at a local hospital she is something of a scandal in the conservative and highly patriarchal society of 1950s Dublin Though her family is one of the most respected in the city she is known for being independent minded her taste in men for instance is decidedly unconventional Now April has disappeared and her friend Phoebe Griffin suspects the worst Frantic Phoebe seeks out Quirke her brilliant but erratic father and asks him for help Sober again after intensive treatment for alcoholism Quirke enlists his old sparring partner Detective Inspector Hackett in the search for the missing young woman In their separate ways the two men follow April's trail through some of the darker byways of the city to uncover crucial information on her whereabouts And as Quirke becomes deeply involved in April's murky story he encounters complicated and ugly truths about family savagery Catholic ruthlessness and race hatred Both an absorbing crime novel and a brilliant portrait of the difficult and relentless love between a father and his daughter this is Benjamin Black at his sparkling best

Southern Writers Joseph M. Flora, Amber Vogel, 2006-06-21 This new edition of *Southern Writers* assumes its distinguished predecessor's place as the essential reference on literary artists of the American South Broadly expanded and thoroughly revised it boasts 604 entries nearly double the earlier edition's written by 264 scholars For every figure major and minor from the venerable and canonical to the fresh and innovative a biographical sketch and chronological list of published works provide comprehensive concise up to date information Here in one convenient source are the South's novelists and short story writers poets and dramatists memoirists and essayists journalists scholars and biographers from the colonial period to the twenty first century What constitutes a southern writer is always a matter for debate Editors Joseph M Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense New to this volume are younger writers who have emerged in the quarter century since the dictionary's original publication as well as older talents previously unknown or unacknowledged For almost every writer found in the previous edition a new biography has been commissioned Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners *Southern Writers* is an indispensable reference book for anyone intrigued by the subject

Southern Crossings Daniel Cross Turner, 2012-08-30 Daniel Cross Turner has made a key contribution to the critical study and appreciation of the diverse field of contemporary Southern poetics *Southern Crossings* crosses a gulf in contemporary poetry criticism while using the idea or ideas many and contrary of Southernness to appraise poetries created from the profuse tangled histories of the region Turner's close readings are dynamic even lyrical He offers a new

understanding of rhythm's central place in contemporary poetry while considering the work of fifteen poets. Through his focus on varied yet interwoven forms of cultural memory, Turner also shows that memory is not in fact past. The way we remember has as much to say about our present as our past; memory is living, shifting, culturally formed and framed. This is a valuable and important book that entwines new visions of poetic forms with forms of regional remembrance and identity.

Natasha Trethewey, Pulitzer Prize winner and author of *Native Guard*, Poems Offering new perspectives on a diversity of recent and still practicing southern poets from Robert Penn Warren and James Dickey to Betty Adcock, Charles Wright, Yusef Komunyakaa, Natasha Trethewey and others, this study brilliantly illustrates poetry's value as a genre well suited to investigating historical conditions and the ways in which they are culturally assimilated and remembered.

Daniel Cross Turner sets the stage for his wide-ranging explorations with an introductory discussion of the famous Fugitive poets John Crowe Ransom, Allen Tate and Donald Davidson and their vision of a constant southernness that included an emphasis on community and kinship, remembrance of the Civil War and its glorified pathos of defeat and a distinctively southern white voice. Combining poetic theory with memory studies, he then shows how later poets with their own unique forms of cultural remembrance have reimagined and critiqued the idealized view of the South offered by the Fugitives. This more recent work reflects not just trauma and nostalgia but makes equally trenchant uses of the past, including historiophoty, the recording of history through visual images and countermemory, resistant strains of cultural memory that disrupt official historical accounts. As Turner demonstrates, the range of poetries produced within and about the American South from the 1950s to the present helps us to recalibrate theories of collective remembrance on regional, national and even transnational levels. With its array of new insights on poets of considerable reputation, six of the writers discussed here have won at least one Pulitzer Prize for poetry. *Southern Crossings* makes a signal contribution to the study of not only modern poetics and literary theory but also of the U.S. South and its place in the larger world.

Daniel Cross Turner is an assistant professor of English at Coastal Carolina University. His articles, which focus on regional definition in national and global contexts and on aesthetic forms, potential to record historical transitions, appear in edited collections as well as journals including *Genre*, *Mosaic*, *the Southern Literary Journal*, *the Southern Quarterly* and *the Mississippi Quarterly*.

[Chronicle of the Pulitzer Prizes for Poetry](#) Heinz-D. Fischer, 2010-01-13 Joseph Pulitzer had not originally intended to award a prize for poetry. An initiative by the Poetry Society of America provided the initial impetus to establish the prize, first awarded in 1922. The supplement volume chronicles the whole history of how the awards for this category developed, giving an account based mainly on confidential jury protocols from the Pulitzer Prizes office at New York's Columbia University. This volume completes the series *The Pulitzer Prize Archive*.

Salvation Blues Rodney Jones, 2007 Rodney Jones has long been praised for his masterly storytelling and the bold southern voice he brings to his poetry. *Salvation Blues* celebrates the range and evolution of his work over a twenty-year period with one hundred selected poems, including twenty-four bold pieces published only in this collection. Elegy in the Black Lives Matter Era Tiffany Austin, Sequoia Maner, Emily Rutter, Darlene Scott, 2019-12-09 Revisiting the Elegy in the Black Lives Matter Era is an edited collection of critical essays and poetry that investigates contemporary elegy within the black diaspora Scores of contemporary writers have turned to elegiac poetry and prose in order to militate against the white supremacist logic that has led to recent deaths of unarmed black men women and children This volume combines scholarly and creative understandings of the elegy in order to discern how mourning feeds our political awareness in this dystopian time as writers attempt to see hear and say something in relation to the bodies of the dead as well as to living readers Moreover this book provides a model for how to productively interweave theoretical and deeply personal accounts to encourage discussions about art and activism that transgress disciplinary boundaries as well as lines of race gender class and nation Indiana Review, 2000 The Griffin Poetry Prize 2007 Anthology Karen Solie, 2007-06-01 The best books of poetry published in English internationally and in Canada are honoured each year with the Griffin Poetry Prize one of the world's richest and most prestigious literary awards The Griffin Poetry Prize Anthology A Selection of the 2007 Shortlist includes poems from the exceptional books shortlisted by jurors John Burnside Charles Simic and Karen Solie for this year's two 50 000 awards The poems in the 2007 anthology are selected and introduced by Solie the Canadian member of the jury Royalties from the sales of the anthologies are donated to UNESCO's World Poetry Day **Misery Prefigured** J Allyn Rosser, 2001-04-09 In her second collection of poems J Allyn Rosser explores the human condition in all its gloriously valiant pathos Misery Prefigured dwells on our continual reinventions of self and world and the restless dynamic that vibrates between them Whether contemplating a failed marriage a visit from God or a pearl dropped into a bottle of Prell shampoo Rosser's wry yet impassioned eye looks hard for a habitable and abiding truth Alternating between deadpan and dead serious these poems are often darkly funny exposing the contradictions inherent in every desire Misery Prefigured is fueled by a cocky unsentimental determination to make some consolatory sense of what passes for reality Kingdom of the Instant Rodney Jones, 2002 A collection of poems considers such topics as natural history and the environment religious expression regionalism and the act of making poetry The Greenwood Encyclopedia of American Poets and Poetry Jeffrey Gray, 2006 The most comprehensive reference on American poetry ever assembled this encyclopedia includes more than 900 alphabetically arranged entries contributed by approximately 350 scholars Written for students and general readers this set covers poetry from the colonial era to the present and gives special attention to contemporary poets and their works Multicultural in scope the Encyclopedia covers poets genres critics poetic terms and movements Its entries range from Caribbean to Confessional Poetry from Dada to Eco poetics from Gay and Lesbian Poetry to Literary Magazines New Formalism and more In the Truth Room Dana Roeser, 2008-10-31 Winner of the Morse Poetry Prize 2008 In the Truth Room suggests the shape and necessity of a life at once dramatically compelling and immediately believable one in which children are eating smores while watching a Faulty Towers video and Volvos are skidding on ice and people are going to 12

step meetings museums are being visited and jobs and essential human relationships hang in the balance On the face of it the story at the center of the book seems archetypal a daughter in midlife making sense of ongoing experience in the wake of her mother's death while dealing with substantial crises and eventually undertaking what amounts to a pilgrimage The overarching theme is individual feminist contemporary how does a woman know herself apart from convention and duty Certainly the intense poems about the mother are key to this theme But *In the Truth Room* is less about one life than a fabric of interwoven lives four generations of family friends dear ones present and departed I would be hard pressed to name a poetry book that develops and displays affection for more characters or for that matter one that contains more life from the introduction by Rodney Jones

Consolation Miracle Chad Davidson, 2003-10-09 *Consolation Miracle* is a book of visceral image driven poems that search for the miraculous in the seemingly ordinary This collection fashions art out of artless objects as a consolation or perhaps compensation for their smallness Yawns and pears cockroaches and crows resonate against historically conflated backdrops while our own hands seem suddenly strange as they hide themselves in our pockets balance a burning cigarette between two fingers or grip the gun that shot Lincoln Other poems address the destruction of empire the end of old Hollywood and the hyperbolic fizzling out of entire centuries Here consolation miracles are rarely the ones sought after yet they radiate in their neglect Davidson's poems help us understand the inner life of cows imagine the plight of a banished Kama Sutra illustrator speculate about Cleopatra's lingerie With a title borrowed from Gabriel García Márquez *Consolation Miracle* contains a magical realism for the twenty first century

The Remembered Gate Richard Evans, Jeanie Thompson, 2003-09-09 In *The Remembered Gate* nationally prominent fiction writers essayists and poets recall how their formative years in Alabama shaped them as people and as writers The essays range in tone from the pained and sorrowful to the wistful and playful in class from the privileged to the poverty stricken in geography from the rural to the urban and in time from the first years of the 20th century to the height of the Civil Rights era and beyond

On Henry Miller John Burnside, 2018-03-27 An engaging invitation to rediscover Henry Miller and to learn how his anarchist sensibility can help us escape the air conditioned nightmare of the modern world The American writer

Henry Miller's critical reputation if not his popular readership has been in eclipse at least since Kate Millett's blistering critique in *Sexual Politics* her landmark 1970 study of misogyny in literature and art Even a Miller fan like the acclaimed Scottish writer John Burnside finds Miller's sex books including *The Rosy Crucifixion* *Tropic of Cancer* and *Tropic of Capricorn* boring and embarrassing But Burnside says that Miller's notorious image as a pornographer and woman hater has hidden his vital true importance his anarchist sensibility and the way it shows us how by fleeing from conformity of all kinds we may be able to save ourselves from the air conditioned nightmare of the modern world Miller wrote that there is no salvation in becoming adapted to a world which is crazy and in this short engaging and personal book Burnside shows how Miller teaches us to become less adapted to the world to resist a life sentence to the prison of social intellectual emotional and material conditioning Exploring the full range of Miller's work and giving special attention to *The Air Conditioned Nightmare* and *The Colossus of Maroussi* Burnside shows how with humor and wisdom Miller illuminates the misunderstood tradition of anarchist thought Along the way Burnside reflects on Rimbaud's enormous influence on Miller as well as on how Rimbaud and Miller have influenced his own writing An unconventional and appealing account of an unjustly neglected writer On Henry Miller restores to us a figure whose searing criticism of the modern world has never been more relevant
