

HAPPY INDEPENDENCE DAY

**On this Independence Day
We remember the years past.
We honor this very day
For our flag, old glory, has last.
On this Independence Day
Two centuries ago, we
Declared our independence
For justice and liberty.
Let us celebrate with joy and honesty
Happy Independence Day!!!**

Heresy and the Ideal David Baker,2000-04-01 At its center Heresy and the Ideal is based on Baker s sense of Romantic poetics especially on how contemporary poets have applied altered or rejected certain Romantic principles He uses the Romantic trope to measure the tension between passion and reason and between the problems of literary transcendence and the obligations of social engagement **BOOK JACKET**

Giacometti's Dog Robin Becker,2024-02-20 Celebratory or eligiac these poems record the author s two headed journey to root herself geographically and emotionally in the world Becker s poems are from remote and familiar outposts the watery evanescence of Venice contrasts with the desert of the American Southwest we lean with her over the rim of a canyon or stand back to study a Giacometti sculpture From such settings arise poems on the death of a sibling the consoling power of painting and sculpture others celebrate the erotic and the capacity of the female body for pleasure and pain

Six O'Clock Mine Report Irene McKinney,2014-10-20 The speaker in Irene McKinney s poems is most often alone sitting at the side of a stream or standing at her own chosen gravesite in the Appalachian mountains and the meditations spoken out of this essential solitude are powerfully clear witty and wide ranging in content and tone The center sequence of poems in the Emily Dickinson persona explores and magnifies that great and enigmatic figure The poems are firmly grounded in concern for the ways in which the elemental powers are at work in the earth and in us on the surface of our lives and deeper in the underworld of the coalmines In McKinney s poems the human world is never seen as separate from the natural one
