How foreigners learn Chinese through the PinYin System HUI LING CHEN COMPILED, 2014-01-16 Now we are in multicultural community We need understanding and communication among countries As a Chinese teacher I have learnt a simple way through tried and error to learn Chinese which is suitable for western people We can learn Chinese Pinyin by the Method of Chinese Learning by Transfer from English International Phonetic Alphabet to Chinese Pinyin So I want to recommend the book *Elementary Chinese* to you Let the world know China better and Let China reach out to the world With the further Reform and Opening more and more foreigners want to know China and study the Chinese language From my years of English learning I have noticed studying

Chinese with the help of Transfer Among the English International Phonetic Alphabets many alphabets are similar to the Chinese Phonetic Alphabets The Transfer has obvious effects for the foreign beginners in reading the words correctly and improving their self taught abilities There are three parts in this book The first part is how to learn Pinyin by the Method of Chinese Learning by Transfer from English International Phonetic Alphabet to Chinese Pinyin The second part is to grasp Chinese spelling by practicing Pinyin The third part is to learn how to write Chinese by Chinese Basic Strokes An Introduction to the Method of Chinese Learning by Transfer from English International Phonetic Alphabet to Chinese Pinyin

1 Contrast between the Chinese Pinyin and English International Phonetic Alphabet There are 48 phonetic alphabets in English with 20 vowels and 28 constants 20 vowels including 8 double vowels and 12 single vowels Vowel is the critical phoneme in forming syllable and word and its right reading is the key in studying standard English pronunciation There are 47 Chinese Pinyin 6 simple finals with the same function as the 12 single vowels in English phonetic alphabets 9 compound finals and 9 nasal finals with the same function as 8 double vowels and 23 initials just like the 28 constants The precise sounds of the finals are key in Standard Chinese pronunciation

2 Chinese pronunciation is termed Voice Front Approach that is the front of the oral cavity exercises more and pronounces While English pronunciation is termed Voice Rear Approach that is the rear of the oral cavity exercises more and pronounces The book will talk about the learning of Chinese Pinyin by Label of English Phonetic Alphabet Sound Symbolism Approach and Phonetic Alphabet Transfer Approach It will help the foreigners learn the Chinese Pinyin and know the ways to read Chinese characters from the comparison of the places of articulation in phonetic alphabets and Pinyin With the purpose of transfer the book will teach the foreigners to learn Chinese by Phonetic Alphabet Sound Symbolism Approach of the English International Phonetic Alphabets and the Chinese Pinyin From my point of view the greatest advantage of the method is that it is simple practical and easy to understand with operability Surely it will give a shortcut for the westerners to study Chinese I have intended to continue with Volume 2 and Volume 3 which will show the Chinese long history brilliant culture and traditional customs to the world and make China known to the world

The Educational Directory for China Nathaniel Gist Gee,1905 **Researching Chinese Language**

Education Mark Shiu-kee Shum, Peter Mikan, 2018-09-13 The culmination of more than a decade of research this compelling volume offers a fresh approach for applying functional linguistics to assess student performance to inform the teaching and learning of Chinese and to design curriculum and teaching materials Documenting authentic systemic functional linguistics SFL studies in researching and teaching Chinese as a first or second language this research is set in the multilingual settings of Hong Kong and Australia The experiences of SFL and genre teaching in English have been well demonstrated as valid viable and practical in different contexts however this volume covers the relatively new domain of research into the applications of SFL to the teaching of Chinese Using SFL as the research framework the authors cover three major areas in Chinese language education effective pedagogies curriculum and material design and text analysis

Elementary Chinese 2nd Edition Introduction

In the digital age, access to information has become easier than ever before. The ability to download Elementary Chinese 2nd Edition has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Elementary Chinese 2nd Edition has opened up a world of possibilities. Downloading Elementary Chinese 2nd Edition provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Elementary Chinese 2nd Edition has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Elementary Chinese 2nd Edition. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Elementary Chinese 2nd Edition. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Elementary Chinese 2nd Edition, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to

download Elementary Chinese 2nd Edition has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
