Elementos De Política En America Latina:

Elementos de política en América Latina Helio Gallardo, 1986 *Cultura y política en América Latina* Hugo Zemelman, 1990-01-01 La cultura refleja la experiencia previa de la sociedad y evidencia sus características estructurales. Desde esta perspectiva se pretende examinar cómo se rescatan en el análisis social una serie de interrogantes relativos a la dialéctica entre el horizonte histórico y la construcción de la historia. El objetivo de esta antología no es el de realizar una teorización sobre la cultura y el poder sino revelar problemas que surgen a partir del análisis de las realidades distintas de cada uno de nuestros países planteando en su conjunto una visión más amplia y enriquecedora de las sociedades latinoamericanas de hoy.

Elementos de política en América Latina Helio Gallardo, 1989 **Léxico de la política** Varios, 2000 Selección de ideas y conceptos relacionados con el análisis político actual también cuestiona la vigencia de paradigmas sociales y políticos ya tradicionales profundizando en el verdadero significado e historia de términos como democracia, tolerancia, modernidad o ciudadanía.

Políticos y política en América Latina Manuel Alcántara Sáez, 2006-01-01 La relevancia del estudio de los políticos relegado en los últimos años frente a interpretaciones estructuralistas y/o institucionalistas, el compromiso continuado de esta clase política con la democracia, la validez de la categorización de los términos de derecha e izquierda y la limitada preparación para la política de un número importante de legisladores son algunos de los aspectos centrales de este estudio. El libro es el resultado de un proyecto de investigación pionero llevado a cabo a lo largo de la última década y basado en entrevistas a muestras representativas de legisladores de diecisiete países de América Latina por un equipo de investigadores del Instituto Interuniversitario de Iberoamérica de la Universidad de Salamanca coordinado por el profesor Manuel Alcántara.

Estado y política en América Latina Ernesto Laclau, Norbert Lechner, 1981 La teoría es siempre hija de su tiempo: patógena de los conflictos sociales. Hoy un nuevo tiempo de autoritarismo hace visible una crisis de la teoría política. En la medida en que el significado de hacer política se ha vuelto cuestionable es indispensable repensarlo. Reflexionar la teoría y la práctica de la democracia deja de ser un asunto académico y nacional, ha de hacerse cargo de la ofensiva neoconservadora y de las experiencias de socialismo real. En tal contexto el pensamiento político latinoamericano se incorpora al debate europeo sobre el estado capitalista del cual Ernesto Laclau nos presenta los aportes de las corrientes marxistas. Participamos de la discusión internacional en tanto reflexionamos la realidad de América Latina. Sergio Zermelo llama la atención sobre las distintas difracciones en las sociedades latinoamericanas. Son esas divisiones sociales las que producen y a las cuales se refieren estado y política. Ellas plantean la síntesis de la sociedad civil bajo la forma de estado. Marx, proceso de síntesis que abordan los estudios de Fernando Rojas sobre la forma estado y de Edelberto Torres Rivas sobre la nación. La segunda parte de la antología trata más directamente la perspectiva política, las condiciones de un estado democrático en nuestros países. Desde ángulos complementarios Guillermo O'Donnell realiza un balance de las fuerzas autoritarias en el Cono Sur y Adam Przeworski analiza las posibilidades y dificultades de una

estrategia de negociaci n En ambos casos nos encontramos con una tem tica concurrente la constituci n de las clases sujetos Oscar Landi esboza las dimensiones simb licas de este proceso abriendo as el an lisis pol tico a espacios tradicionalmente no considerados Hemos de innovar nuestro planteamiento de los problemas si queremos avanzar en la elaboraci n de una alternativa democr tica al orden establecido Con esa intenci n pr ctica Fernando Henrique Cardoso interroga sobre los principales enfoques te ricos en vista de la constelaci n brasile a qu hacer con y en el estado
