**Doctor Who in Time and Space** Gillian I. Leitch, Donald E. Palumbo, C.W. Sullivan III, 2013-03-13 This collection of fresh essays addresses a broad range of topics in the BBC science fiction television series Doctor Who both old 1963 1989 and new 2005 present The book begins with the fan There are essays on how the show is viewed and identified with fan interactions with each other reactions to changes the wilderness years when it wasn't in production Essays then look at the ways in which the stories are told e.g. their timeliness their use of time travel as a device etc After discussing the stories and devices and themes the essays turn to looking at the Doctor's female companions and how they evolve are used and changed by their journey with the Doctor Arcane Advent: The Mage, The Girl, and The Ruined City R. Kain, 2012 The curtain of tragedy descended upon the unsuspecting people under the light of the crimson moon The elements raged vicious beasts painting the asphalt and concrete scarlet with the blood of the innocent and the guilty the young and the old alike Their lives were sacrificed offered up to stir the sleeping demon into awakening In the end only two remained to tell the tale of the ruined city a story of survival against all odds where magick and mages did battle for the sake of power Awakening at the center of the cataclysm the runic mage wielding mystic arts took it upon himself to carry the wishes of the fallen on his back He became their Avenger seeking to end the nightmare The girl who remained at his side the sole remaining innocent left in the city could only watch as he shed blood for her while flames burned the world around her This novella length story is the first in the Arcane Advent series a chronicle of contemporary urban fantasy tales between those with the power to shape the world *Hot Stuff: Disco and the Remaking of American Culture* Alice Echols, 2010-03-29 Disco thumps back to life in this pulsating look at the culture and politics that gave rise to the music In the 1970s as the disco tsunami engulfed America the question Do you wanna dance became divisive even explosive What was it about this music that made it such hot stuff In this incisive history Alice Echols reveals the ways in which disco assumed to be shallow and disposable permanently transformed popular music propelling it into new sonic territory and influencing rap techno and trance This account probes the complex relationship between disco and the era's major movements gay liberation feminism and African American rights But it never loses sight of the era's defining soundtrack spotlighting the work of precursors James Brown and Isaac Hayes its dazzling divas Donna Summer and the women of Labelle and some of its lesser known but no less illustrious performers like Sylvester You'll never say disco sucks again after reading this fascinating account of the music you thought you hated but can't stop dancing to Peredur, The Undiscovered Truth of the Nazi Grail Quest David James Senior, 2025-01-16 Uncover the intertwined quests of Otto Rahn's Nazi search for the Holy Grail and the true hero Peredur in this captivating exploration of history and legend Peredur The Undiscovered Truth of the Nazi Grail Quest is written in two parts The first part of the book charts the life and adventures of Otto Rahn the man tasked by the Nazis in the 1930s with finding and getting his hands on the Holy Grail for them The Nazis were hell bent on finding the Grail and reuniting it with the Holy Lance in a bid to create a

mythical past of the Aryan race Rahn believed that by uncovering the truth behind the Germanic saga of Parzival he would discover the whereabouts of the Grail Parzival had according to legend successfully completed a quest to find the Grail while being a knight in the court of King Arthur In dissecting the story of Parzival Rahn concluded that the Grail had been held by the Cathars a heretical Christian sect in their fortress at Montsegur He believed that the Grail was still there waiting for him to find it and based his quest around this belief Unfortunately after chasing round Europe in his efforts to find the Grail and coming within touching distance of finding the truth the Nazis patience with him ran out with him and Rahn came to a sticky end without ever having found the Grail Rahn was the real life figure who inspired the fictional movie character Indiana Jones The second part focusses on Peredur a British knight hailing from York and the true hero of the original Grail Story By examining the life of Peredur and the Grail Story Peredur the Son of Evrawc written about him we are able to reach the truth of the Grail Rahn and the Nazis never found Rahn came very close to uncovering this but the Nazis had lost faith in him and casting him as a charlatan hounded him to his death Much of the story of Peredur the Son of Evrawc is played out in the ancient British kingdom of Elmet encompassing much of what we now call South Yorkshire and whose southern border lay along the line of the River Don As the story is unpicked the truth of the Grail is unraveled leading to some astonishing findings
