The Eleventh Plague (Sneak Peek) Jeff Hirsch, 2011-08 In an America devastated by war and plague the only way to survive is to keep moving In the aftermath of a war America's landscape has been ravaged and two thirds of the population left dead from a vicious strain of influenza Fifteen year old Stephen Quinn and his family were among the few that survived and became salvagers roaming the country in search of material to trade for food and other items essential for survival But when Stephen's grandfather dies and his father falls into a coma after an accident Stephen finds his way to Settler's Landing a community that seems too good to be true where there are real houses barbecues a school and even baseball games Then Stephen meets strong defiant mischievous Jenny who refuses to accept things as they are And when they play a prank that goes horribly wrong chaos erupts and they find themselves in the midst of a battle that will change Settler's Landing forever
