Figureheads And Ship Carving:

Figureheads and Ship Carving Michael Stammers, 2005 *Figureheads* Prichard Prichard, Sue Prichard, 2020

Figureheads the carved wooden sculptures that decorate the prows of sailing ships offer protection for the crew from harsh seas and lends the vessel its specific spirit or at least that was the theory in the distant past Figureheads developed from an ancient tradition of decorating ships with painted eyes carved figures and animal heads Vikings in northern Europe adorned the bows of their vessels with dragon heads which were thought to help ships see their way through the sea They are considered the only tangible evidence of the Great Age of Sail But what other purposes did sailors believe figureheads served What stories do these beautiful objects tell And what do the different characters symbolize On the Bow of the Ship contains over fifty examples of wooden carvings from the National Maritime Museum in London home to the world's most extensive collection of figureheads The illustrated guide explores themes surrounding these unique carvings from mythology and gender to politics and literature For instance superstitious crew members often lovingly cared for their figureheads which were often the only female presence on board On the Bow of the Ship delves deeply into the history and contexts of figureheads and by so doing provides a fresh image of the life at sea *Ships' Figureheads* Hans Jürgen Hansen, Clas Broder Hansen, 1990 *Ships' Figureheads* details the different types of figureheads as well as the sculptors who made them Chapters include descriptions of figurehead lions dragon heads figureheads of the 19th century court sculptors and their work on royal pleasure craft and independent figure carvers *Figureheads & Ship Carvings at Mystic Seaport* Edouard A. Stackpole, 1964 **Figureheads** Giancarlo Costa, 1981-01 Ships' Figureheads ANDREW. PETERS, 2025-02 A beautifully illustrated book that will be of especial relevance and appeal to anyone with an interest in ships and sailing vessels carving and maritime and social history Early American Wood Carving Erwin Ottomar Christensen, 1972-01-01 Engaging survey of nearly 200 years of great native folk art weathervanes portraits Indians ship figureheads toys decoys etc 17th through 19th century Styles uses technical information makers 68 illustrations *Ships' Figure Heads in Australia* Gordon de L. Marshall, 2003 Ships' Figureheads Peter Norton, 1976 Silent Pilots Mystic Seaport Museum, Georgia W. Hamilton, 1984 In this book Georgia Hamilton has researched described and illustrated forty figureheads in the collection these range from well known and positively identified such as the eagle from the clipper Great Republic to those with traditional but unverified attributions and those with unknown provenances Figureheads of the Royal Navy David Pulvertaft, 2011-09-30 The first figureheads that were carved to represent the names of British warships appeared during the reign of Henry VIII the last ones were carved in the early years of the twentieth century During the intervening three hundred and fifty years it is estimated that some 5000 ships of the Royal Navy carried a figurehead of some description This book follows the development of these diverse carvings examining how the figurehead carvers interpreted the names and the symbolism incorporated in their designs Evidence is drawn from a wide range of sources contemporary ship models ship

plans designs submitted for approval of the Navy Board and of course from those figureheads that have survived Lavishly illustrated with much previously unpublished material the book explores the wide range of subjects that were represented on the bows of Their Majesties Ships and recounts many of the stories that were told about them The narrative is complemented by a catalogue that provides a brief description of each surviving figurehead each carvers design drawing with its source and reference number as well as those ship plans and contemporary models that show the figureheads detail This combination makes the book useful to a wide range of historians researchers and anyone with an interest in Britains maritime past

American Folk Art in Wood, Metal and Stone Jean Lipman,1972-01-01 The carved and painted figures collected in this exceptional book are excellent examples of a wide spread American folk art tradition that flourished from the middle of the 18th to the end of the 19th century 183 photographic illustrations 4 reproduced in full color on the covers List of illustrations Extensive bibliography *A Flight of Figureheads* David Pulvertaft,2020-04-15 The fascinating and illustrated story behind the warship figureheads on display at The Box Plymouth *Old Ship Figureheads Coloring Book* John Batchelor,2002-12-01 Figureheads those magnificent carvings that once adorned the prows of early sailing vessels are the focus of this intriguing coloring book Twenty seven illustrations of these splendid embellishments depict the figure of a sailor Jolly Jack Tar the warrior chief Tecumseh Eurydice a Scottish soldier of the Blackwatch regiment and many others **Ship Figureheads and Other Wood Carving Art in Our Nautical Collection** State Street Trust Company (Boston, Mass.),195? **American Figureheads and Their Carvers** Pauline A. Pinckney,1940 *Sealift* ,1973 Visual Typologies from the Early Modern to the Contemporary Tara Zanardi,Lynda Klich,2018-07-04 Visual Typologies from the Early Modern to the Contemporary investigates the pictorial representation of types from the sixteenth to the twenty first century Originating in longstanding visual traditions including street crier prints and costume albums these images share certain conventions as they seek to convey knowledge about different peoples The genre of the type became widespread in the early modern period developing into a global language of identity The chapters explore diverse pictorial representations of types customs and dress in numerous media including paintings prints postcards photographs and garments Together they reveal that the activation of typological strategies including seriality repetition appropriation and subversion has produced a universal and dynamic pictorial language Typological images highlight the tensions between the local and the international the specific and the communal and similarity and difference inherent in the construction of identity The first full length study to treat these images as a broader genre Visual Typologies gives voice to a marginalized form of representation Together the chapters debunk the classification of such images as unmediated and authentic representations offering fresh methodological frameworks to consider their meanings locally and globally and establishing common ground about the operations of objects that sought to shape embody or challenge individual and collective identities *Sculpture and the Decorative in Britain and Europe* Imogen Hart,Claire Jones,2020-10-29 By foregrounding the overlaps between sculpture and the decorative this

volume of essays offers a model for a more integrated form of art history writing Through distinct case studies from a seventeenth century Danish altarpiece to contemporary British ceramics it brings to centre stage makers objects concepts and spaces that have been marginalized by the enforcement of boundaries within art and design discourse These essays challenge the classed raced and gendered categories that have structured the histories and languages of art and its making Sculpture and the Decorative in Britain and Europe is essential reading for anyone interested in the history and practice of sculpture and the decorative arts and the methodologies of art history *The Grove Encyclopedia of Decorative Arts* Gordon Campbell, 2006-11-09 The Grove Encyclopedia of Decorative Arts covers thousands of years of decorative arts production throughout western and non western culture With over 1 000 entries as well as hundreds drawn from the 34 volume Dictionary of Art this topical collection is a valuable resource for those interested in the history practice and mechanics of the decorative arts Accompanied by almost 100 color and more than 500 black and white illustrations the 1 290 pages of this title include hundreds of entries on artists and craftsmen the qualities and historic uses of materials as well as concise definitions on art forms and style Explore the works of Alvar Aalto Charles and Ray Eames and the Wiener Werkstatte or delve into the history of Navajo blankets and wing chairs in thousands of entries on artists craftsmen designers workshops and decorative art forms
