Film A Concise History:

A Hundred Years of Japanese Film 日本映画百年史, 2005-05-27 Donald Richie is one of the foremost authorities on Japanese cinema and has produced several classic works including books on the world renowned directors Kurosawa and Ozu Richie here offers a highly readable insider's look at the achievements of Japanese filmmakers Donald Richie is one of the foremost authorities on Japanese cinema and has produced several classic works including books on the world renowned directors Kurosawa and Ozu Richie here offers a highly readable insider's look at the achievements of Japanese filmmakers He begins in the late 1800s **A Hundred Years of Japanese Film** Donald Richie, 2001 In this book Donald Richie offers an insider's look at the achievements of Japanese filmmakers He begins in the late 1800 when the incipient industry took its inspiration from the traditional stories of Kabuki and Noh theater and finishes with the latest award winning dramas showcased at Cannes In between Richie explores the roots and uniqueness of Japan's contribution to world cinema illuminates the careers of Japan's rising stars and celebrated directors and offers a fascinating view of the strategies and politics of the movie studios themselves A selective guide in Part Two provides capsule reviews of the major Japanese films available in VHS and DVD formats as well as those televised on standard and cable channels A Concise History of Bosnia Cathie Carmichael, 2015-07-02 A Concise History of Bosnia integrates the political economic and cultural history of this fascinating beautiful but much misunderstood country Drawing on a wide range of primary and secondary literature this objective and engaging history covers developments in the region up to the present day and offers an accessible interpretation of an often contested and controversial history Importantly Cathie Carmichael looks at Bosnia over the long term moving away from a narrow focus on the 1990s to offer a historical rather than a nationalist perspective on events Integrated within the narrative account there is a particular focus on the themes of culture and religion and the effect of geography and regional changes in the landscape on Bosnian history Engaging and authoritative the book succinctly explores how Bosnia has changed over many centuries and focuses on the dynamic and creative aspects of Bosnia's past as well as the darker elements A Concise History of Nazi Germany Joseph W. Bendersky, 2020-09-21 This balanced history offers a concise readable introduction to Nazi Germany Combining compelling narrative storytelling with analysis Joseph W Bendersky offers an authoritative survey of the major political economic and social factors that powered the rise and fall of the Third Reich Now in its fifth edition the book incorporates significant research of recent years analysis of the politics of memory postwar German controversies about World War II and the Nazi era and more on non Jewish victims Delving into the complexity of social life within the Nazi state it also reemphasizes the crucial role played by racial ideology in determining the policies and practices of the Third Reich Bendersky paints a fascinating picture of how average citizens negotiated their way through both the threatening power behind certain Nazi policies and the strong enticements to acquiesce or collaborate His classic treatment provides an invaluable overview of a subject that retains its historical significance and contemporary importance

A Brief History of Comic Book Movies Wheeler Winston Dixon, Richard Graham, 2017-01-05 A Brief History of Comic Book Movies traces the meteoric rise of the hybrid art form of the comic book film These films trace their origins back to the early 1940s when the first Batman and Superman serials were made The serials and later television shows in the 1950s and 60s were for the most part designed for children But today with the continuing rise of Comic Con they seem to be more a part of the mainstream than ever appealing to adults as well as younger fans This book examines comic book movies from the past and present exploring how these films shaped American culture from the post World War II era to the present day and how they adapted to the changing tastes and mores of succeeding generations
