The Films of Martin Scorsese and Robert De Niro Andrew J Rausch, 2023-06-14 In 1973 early in their careers Martin Scorsese and Robert De Niro collaborated for the first time Over the next few decades they worked together on seven more movies many of which brought them both acclaim and awards And while successful director and actor pairings have occurred throughout the history of film few have fashioned so many works of enduring value as these two artists In little more than two decades Scorsese and De Niro produced eight features including the classics Taxi Driver Raging Bull and GoodFellas In The Films of Martin Scorsese and Robert De Niro Andrew J Rausch examines the creative output of this remarkable pair from their initial offering Mean Streets to their most recent film together Casino Rausch looks at their relationship as individual artists who worked together to create cinematic magic as well as the friendship that was forged nearly 40 years ago Drawing upon interviews and other sources Rausch goes behind the scenes of their eight films providing insight **De Niro** Shawn Levy, 2014-10-28 REMARKABLE BIOGRAPHY OF AN ICON There's little debate that Robert De Niro is one of the greatest if not the greatest screen actors of his generation perhaps of all time His work particularly in the first 20 years of his career is unparalleled Mean Streets the Godfather Part II Taxi Driver the Deer Hunter and Raging Bull all dazzled moviegoers and critics alike displaying a talent the likes of which had rarely if ever been seen De Niro become known for his deep involvement in his characters assuming that role completely into his own life resulting in extraordinary chameleonic performances Yet little is known about the off screen De Niro he is an intensely private man whose rare public appearances are often marked by inarticulateness and palpable awkwardness It can be almost painful to watch at times in powerful contrast to his confident movie personae In this elegant and compelling biography bestselling writer Shawn Levy writes of these many De Niro's the characters and the man seeking to understand the evolution of an actor who once dove deeply into his roles as if to hide his inner nature and who now seemingly avoids acting challenges taking roles which make few apparent demands on his overwhelming talent Following De Niro's roots as the child of artists his father the abstract painter Robert De Niro Sr was widely celebrated who encouraged him from an early age to be independent of vision and spirit to his intense schooling as an actor the rise of his career his marriages his life as a father restaurateur and businessman and of course his current movie career Levy has written a biography that reads like a novel about a character whose inner turmoil takes him to heights of artistry His many friendships with the likes of Martin Scorsese Meryl Streep Harvey Keitel Shelley Winters Francis Ford Coppola among many others are woven into this extraordinary portrait of DeNiro the man and the artist also adding a depth of understanding not before seen Levy has had unprecedented access to De Niro's personal research and production

materials creating a new impression of the effort that went into the actor's legendary performances. The insights gained from DeNiro's intense working habits shed new perspective on DeNiro's thinking and portrayals and are wonderful to read. Levy also spoke to De Niro's collaborators and friends to depict De Niro's transition from an ambitious young man to a transfixing and enigmatic artist and cultural figure. Shawn Levy has written a truly engaging insightful and entertaining portrait of one of the most wonderful film artists of our time, a book that is worthy of such a great talent.

World Cinema: a Film Quiz Bhupinder Singh, 2019-08-31 Did you know that two winners of the Nobel Prize for Literature, Hemingway and Faulkner, worked on the story of *To Have and Have Not* 1944? Did you know that the origin of the term *paparazzi* comes from Fellini's *La Dolce Vita* 1960, which has a character called *Paparazzo* who photographs celebrities? Did you know that David Lean's *Lawrence of Arabia* 1962 is the longest film which has no woman speaking part? Did you know that in the first Academy Award competition in 1929, *Rin Tin Tin* polled more votes than anyone else for the Best Actor, but his name was removed from the list of contenders because he was a dog? Did you know that the actress Hedy Lamarr invented the earliest known form of the telecommunication method known as frequency hopping? Did you know that D.W. Griffith was the first director to utter the catchphrase *Lights, camera, action*? This book provides answers to all such questions and more. Here is a book on world cinema in the form of a quiz. This book will be useful for a person who wants to know the essentials of world cinema succinctly. It also includes famous stars and directors of France, Germany, Russia, Italy, and other countries.

Robert De Niro at Work Adam Ganz, Steven Price, 2020-11-09 Robert De Niro at Work is the first critical study to examine how Robert de Niro, perhaps the finest screen actor of his generation, works with screenplays to imagine, prepare, and denote his performance. In categorising the various ways in which De Niro works with a screenplay, this book will re-examine the relationship between actor and text. This book considers the screenplay as above all a working document and a material object present at every stage of the filmmaking process. The working screenplay goes through various iterations in development and exists in many versions on set, each adapted and personalised for the specific use of the individual and their role. As the archive reveals, nobody works more closely with the script than the actor, and no actor works more on a script than De Niro.

Films/Shakespearean Directors Peter S. Donaldson, 2013-07-18 Originally published in 1990 this book brought a new rigor

and subtlety to the interpretation of film adaptations of Shakespeare Drawing on traditional literary analysis psychoanalysis and current film theory about gender and subjectivity the author combines close readings of seven films with historical and biographical studies of the directors who made them Offering substantial readings of Jean Luc Godard s controversial deconstructed King Lear and of Liz White s independent African American Othello Donaldson also applies his provocative and contemporary point of view to more familiar films He reads Olivier s Henry V in relation to its treatment of sexual difference Olivier s Hamlet in part as an expression of the director s childhood sexual trauma Kurosawa s Throne of Blood as an allegory of the relationship between Western and Japanese cinema and Zeffirelli s immensely popular Romeo and Juliet in the light of its powerful homoerotic subtext With striking perspectives on Shakespeare on the movies as an expressive medium and on the complex processes of cultural change this is timeless useful reading for teachers and students of film and literature
