version He could act too in Billy Wilder's classic film *Sunset Boulevard* DeMille memorably played himself In the 1930s and 1940s DeMille became a household name thanks to the Lux Radio Theater which he hosted But after falling out with a union he gave up the program and his politics shifted to the right as he championed loyalty oaths and Sen Joseph McCarthy's anticommunist witch hunts As Scott Eyman brilliantly demonstrates in this superbly researched biography which draws on a massive cache of DeMille family papers not available to previous biographers DeMille was much more than his clichéd image A gifted director who worked in many genres a devoted family man and loyal friend with a highly unconventional personal life a pioneering filmmaker DeMille comes alive in these pages a legend whose spectacular career defined an era

Cecil B. DeMille Cecilia de Mille Presley, Mark A. Vieira, 2014-12-16 Colossal Stupendous Epic These adjectives used by movie companies to hawk their wares became cliché long ago When used to describe the films of one director they are accurate More than any filmmaker in the history of the medium Cecil B DeMille mastered the art of the spectacle In the process he became a filmland founder One hundred years ago he made the first feature film ever shot in Hollywood and went on to become the most commercially successful producer-director in history DeMille told his cinematic tales with painterly extravagant images The parting of the Red Sea in *The Ten Commandments* was only one of these There were train wrecks *The Greatest Show on Earth* orgies *Manslaughter* battles *The Buccaneer* *Ancient Rome* *The Sign of the Cross* *Ancient Egypt* *Cleopatra* and the Holy Land *The Crusades* The best of these images are showcased here in *Cecil B DeMille The Art of the Hollywood Epic* This lavish volume opens the King Tut's tomb of cinematic treasures that is the Cecil B DeMille Archives presenting storyboard art concept paintings and an array of photographic imagery Historian Mark A Vieira writes an illuminating text to accompany these scenes Cecilia de Mille Presley relates her grandfather's thoughts on his various films and recalls her visits to his sets including the Egyptian expedition to film *The Ten Commandments* Like the director's works *Cecil B DeMille The Art of the Hollywood Epic* is a panorama of magnificence celebrating a legendary filmmaker and the remarkable history of Hollywood

Literature into Film Linda Costanzo Cahir, 2014-12-24 For most people film adaptation of literature can be summed up in one sentence The movie wasn t as good as the book This volume undertakes to show the reader that not only is this evaluation not always true but sometimes it is intrinsically unfair Movies based on literary works while often billed as adaptations are more correctly termed translations A director and his actors translate the story from the written page into a

visual presentation Depending on the form of the original text and the chosen method of translation certain inherent difficulties and pitfalls are associated with this change of medium So often our reception of a book based movie has more to do with our expectations and reading of the literature than with the job that the movie production did or did not do Avoiding these biases and fairly evaluating any particular literary based film takes an awareness of certain factors Written with a formalistic rather than historical approach this work presents a comprehensive guide to literature based films establishing a contextual and theoretical basis to help the reader understand the relationships between such movies and the original texts as well as the reader s own individual responses to these productions To this end it focuses on recognizing and appreciating the inherent difficulties encountered when basing a film on a literary work be it a novel novella play or short story Individual chapters deal with the specific issues and difficulties raised by each of these genres providing an overview backed up by case studies of specific film translations Films and literary works receiving this treatment include *The Unbearable Lightness of Being* *The Manchurian Candidate* 1962 *Lady Windemere s Fan* by Oscar Wilde and Shakespeare s *Henry V* Interspersed throughout the text are suggestions for activities the film student or buff can use to enhance his or her appreciation and understanding of the films Instructors considering this book for use in a course may request an examination copy here
