Ingrid Bergman Charles River Charles River Editors, 2017-12-20 Includes pictures of Bergman and important people, places, and scenes. Includes Bergman's own quotes about her upbringing, films, and relationships. Includes a Bibliography for further reading. Be yourself! The world worships the original Ingrid Bergman. Since the early 20th century, film has been embraced as arguably the preeminent international art form. Not only is Hollywood cinema immensely popular around the world, but other nationalities, Bollywood being the greatest current example, have their own thriving industries. Major actors and actresses are not only icons in their parent countries but reach tremendous international fame. However, most actors who become internationally famous do so via the success of the films they make in their native land without actually leaving their country. One of the most famous early examples is Charlie Chaplin, who reached incredible fame in Asia and Western Europe during the silent cinema era despite having never left the confines of Hollywood. Chaplin's example illustrates how the vast majority of film stars who reach international fame do so through the
