Old Films, Young Eyes Simone O. Elias, 2024-11-08 Why would a modern teenager find classic films enthralling This book presents an eye opening tour of how old movies foreshadowed influenced and continue to shape popular culture in many surprising ways From foreseeing today s image dominated social media landscape to ushering rock music into the mainstream and sparking elements of the MeToo movement classic movies remain relevant and inspiring Despite prevailing attitudes that old films are outdated many dramatically broke boundaries around racism and antisemitism They predicted current trends in divorce and sexual relations They helped shape current icons like Taylor Swift and Lady Gaga as well as foreshadowing more sobering events such as the Covid 19 pandemic A Gen Z age cultural critic author Simone O Elias presents an insider s perspective on the socio cultural impact of classic Hollywood films on a modern generation The Stardom Film Karen McNally, 2020-12-08 Since the earliest days of the movie industry Hollywood has mythologized itself through stories of stardom A female protagonist escapes the confines of rural America in search of freedom in a western dream factory an ambitious conceited movie idol falls from grace and discovers what it means to embody true stardom or a fading star confronts Hollywood s obsession with youth by embarking on a determined mission to reclaim her lost fame In its various forms the stardom film is crucial to understanding how Hollywood has shaped its own identity as well as its claim on America s collective imagination In the first book to focus exclusively on these modern fairy tales Karen McNally traces the history of this genre from silent cinema to contemporary film and television to show its significance to both Hollywood and broader American culture Drawing on extensive archival research she provides close readings of a wide range of films from *Souls for Sale* 1923 to *A Star is Born* 1937 and 1954 and *Judy* 2019 moving between fictional narratives biopics and those that occupy a space in between McNally considers the genre s core set of tropes its construction of stardom around idealized white femininity and its reflections on the blurred boundaries between myth image and reality *The Stardom Film* offers an original understanding of one of Hollywood s most enduring genres and why the allure of fame continues to fascinate us
