The American Midwest in Film and Literature Adam R. Ochonicky, 2021-12-22 A critical overview of the evolution contestation and fragmentation of the Midwest's symbolic and often contradictory meanings in American culture How do works from film and literature *Sister Carrie* *Native Son* *Meet Me in St Louis* *Halloween* and *A History of Violence* for example imagine reify and reproduce Midwestern identity And what are the repercussions of such regional narratives and images circulating in American culture In *The American Midwest in Film and Literature* Nostalgia Violence and Regionalism Adam R Ochonicky provides a critical overview of the evolution contestation and fragmentation of the Midwest's symbolic and often contradictory meanings Using the frontier writings of Frederick Jackson Turner as a starting point this book establishes a succession of Midwestern filmic and literary texts stretching from the late 19th century through the beginning of the 21st century and argues that the manifold properties of nostalgia have continually transformed popular understandings and ideological uses of the Midwest's place identity Ochonicky identifies three primary modes of nostalgia at play across a set of textual objects the projection of nostalgia onto physical landscapes and into the cultural sphere nostalgic spatiality nostalgia as a cultural force that regulates behaviors identities and appearances nostalgic violence and the progressive potential of nostalgia to generate an acknowledgment and possible rectification of ways in which the flawed past negatively affects the present nostalgic atonement While developing these new conceptions of nostalgia Ochonicky reveals how an under examined area of regional study has received critical attention throughout the histories of American film and literature as well as in related materials and discourses From the closing of the Western frontier to the polarized political and cultural climate of the 21st century this book demonstrates how film and literature have been and continue to be vital forums for illuminating the complex interplay of regionalism and nostalgia Ochonicky presents an important reading of how nostalgia shapes the Midwest in the American imagination as a place of identity and violence Past and present slip in this compelling and well researched approach to the workings of contemporary culture Vera Dika author of *Recycled Culture in Contemporary Art and Film* *The Use of Nostalgia* By centering the concept of region Adam Ochonicky provides an insightful and refreshing reading of American popular culture In texts ranging from Richard Wright's *Native Son* to John Carpenter's *Halloween* Ochonicky demonstrates the complex terrain of the Midwest in our cultural imaginary and the diverse memories and meanings we project upon it Kendall R Phillips author of *A Place of Darkness The Rhetoric of Horror in Early American Cinema* Syracuse University

**The Persistence of Hollywood** Thomas Elsaesser, 2012-05-22 While Hollywood's success its persistence has remained constant for almost one hundred years the study of its success has undergone significant expansion and

transformation Since the 1960s Thomas Elsaesser's research has spearheaded the study of Hollywood beginning with his classic essays on auteurism and cinephilia focused around a director's themes and style up to his analysis of the corporate authorship of contemporary director James Cameron In between he has helped to transform film studies by incorporating questions of narrative genre desire ideology and more recently Hollywood's economic technological infrastructure and its place within global capitalism The Persistence of Hollywood brings together Elsaesser's key writings about Hollywood filmmaking It includes his detailed studies of individual directors including Minnelli Fuller Ray Hitchcock Lang Altman Kubrick Coppola and Cameron as well as essays charting the shifts from classic to corporate Hollywood by way of the New Hollywood and the resurgence of the blockbuster The book also presents a history of the different critical theoretical paradigms central to film studies in its analysis of Hollywood from auteurism and cinephilia to textual analysis Marxism psychoanalysis and post industrial analysis
