*Final Crossing* Carter Wilson, 2016-11-22 USA Today best selling author Rudiger doesn't kill because he wants to. He kills because he needs to. When the sadistic Preacherman stole the last bit of Rudiger's already troubled childhood soul, Rudiger lost himself forever. He has committed atrocities even he cannot explain in his quest for the End of Days, a release from his pain by finding and crucifying The One. Jonas Osborne, an Army Ranger and Senatorial Chief of Staff, recognizes Rudiger's disturbing capacity based on a terrifying firefight in Somalia almost two decades earlier. Now Jonas and the beautiful psychic criminologist he's enlisted to predict Rudiger's next brutal attack become targets. Only on the biggest international stage, a summit for Middle East peace talks, will Jonas and Rudiger meet again for one final confrontation. *Final Crossing* Mike Masson, 2021-08-08 An exciting cocktail of deceit and intrigue unfolds after a passenger mysteriously vanishes at sea. What secrets are hidden in her past? A couple of days into a transatlantic cruise with her disabled husband, a woman disappears without trace. As an investigation starts to unravel the circumstances, it gradually emerges that the missing passenger may have been leading a double life. Was her husband aware of her deception and complicit in her disappearance, or could there be some other, more sinister explanation? As her background is slowly revealed, suicide seems a possibility. But when a diverse list of suspects emerges, each with a motive to cause her harm, it's clear that foul play cannot be ruled out. Is there a murderer on board? If so, who and what is the motivation for murder? *Final Crossing* Sean Rodman, 2014-06-06 Reading Level 3.8 Will and Big O are brothers and best friends and small-time crooks. Ever since their dad went to prison, they've been stealing to survive. On a ferry ride from the big city, they hatch a plan for one more score: they'll break into *THE FINAL CROSSING*. CLAY. WISE, 2025 **Crossings** Elam S. Kurtz, Michael D. Kurtz D. Min, 2010-11-01 DR. ELAM S. KURTZ WAS A MAN OF GREAT VISION, a man of deep faith and a man of enormous energy. With these qualities and more, God formed, fashioned, and refined a person and a medical doctor who had a profound and pervasive positive influence upon the many people whom his life touched and whom he served. To his patients, he was known as Dr. Kurtz or Doc. To his friends, he was referred to as Elam. His family addressed him as Dad, or in later years, he was affectionately referred to as Pop. Pops' eighty-six years of life yielded numerous transitions and changes in various areas and aspects of his living or crossings, as Dad alluded to these transitions. This book attempts to capture and share many of these crossings. Yet more than relating just the actual crossings, the hope is that readers will discover in these pages inspiration and motivation for their own journey crossings. By reflecting upon how one of God's children, Elam S. Kurtz, embraced the transitions and crossings of life with great vision, deep faith, and enormous energy, may we also learn and put into practice the great lessons of life: seeking to serve God and humankind with our very best. **The Final Crossing** John J. Kerstetter, 2018-09-04 A searing beautifully told memoir by a Native American doctor on the trials of being a doctor soldier in the Iraq War and then after suffering a stroke that left his life irrevocably changed his struggles to overcome the new limits of his body mind and identity Every juncture in Jon Kerstetter s life has been marked by a crossing from one world into another from civilian to doctor to soldier between healing and waging war and between compassion and hatred of the enemy When an injury led to a stroke that ended his careers as a doctor and a soldier he faced the most difficult crossing of all a recovery that proved as shattering as war itself Crossings is a memoir of an improbable powerfully drawn life one that began in poverty on the Oneida Reservation in Wisconsin but grew by force of will to encompass a remarkable medical practice Trained as an emergency physician Kerstetter s thirst for intensity led him to volunteer in war torn Rwanda Kosovo and Bosnia and to join the Army National Guard His three tours in the Iraq War marked the height of the American struggle there The story of his work in theater which involved everything from saving soldiers lives to organizing the joint U S Iraqi forensics team tasked with identifying the bodies of Saddam Hussein s sons is a bracing unprecedented evocation of a doctor s life at war But war was only the start of Kerstetter s struggle The stroke he suffered upon returning from Iraq led to serious cognitive and physical disabilities His years long recovery impeded by near unbearable pain and complicated by PTSD meant overcoming the perceived limits of his body and mind and reimagining his own capacity for renewal and change It led him not only to writing as a vocation but to a deeper understanding of how healing means accepting a new identity and how that acceptance must be fought for with as much tenacity as any battlefield victory
