## **Final Cruise First Kiss:**

The Last Cruise Kate Christensen, 2019-06-04 The 1950s ocean liner Queen Isabella is making her final voyage a retro cruise from Long Beach to Hawaii and back before heading to the scrapyard For the guests on board it's a chance to experience a bygone era of decadent luxury complete with fine dining classic highballs string quartets and sophisticated jazz Smoking is allowed but not cell phones or children for that matter But this is the second decade of an uncertain new millennium not the sunny heedless mid twentieth century and certain disquieting signs of strife and malfunction above and below deck intrude on the festivities throwing a trio of strangers together in an unexpected and startling test of character

*The Rebel Privateer; Or, the Last Cruise of the Black Angel* William Stephens Hayward, 1874      **Insatiable** Marne Davis Kellogg, 2009-08-05 A sweeping novel of suspense and intrigue played out against the glamorous playgrounds of the rich starring a beautiful and mysterious woman who leaves a path of death and destruction in her wake Jacqueline du Fidelio is a portrait painter with an international reputation and a dark secret in her past Loyal only to her butler closest friend and confidant the snobbish neurotic and completely amoral Nigel Weatherby Smith Jacqueline is fiercely independent until it comes to affairs of the heart Her penchant for toxic romantic involvements draws her to the worst kinds of men from the rakishly unreliable and very married Ryder McCormick her mother's former lover who has enthralled her since childhood to Armand Weil a debonair fabulously wealthy art dealer who sweeps her off her feet promises to take care of her forever and deserts her at the worst possible moment Junior Hammond the sybaritic obese and uncultured heir to the Hammond oil fortune finally succeeds in winning her hand in marriage But like Jacqueline's other liaisons the romance is soon wrapped in deadly shadows as members of the Hammond family begin to die in mysterious ways whenever Jacqueline is on the scene Is Jacqueline the innocent victim of careless uncaring men and circumstances beyond her control or is she a dangerous manipulator ruthlessly using her lovers to ensure her own survival Does her apparent fragility actually mask a cold lethal core an insatiable need to prove her invulnerability Taking readers from the lush hunt country of Virginia to New York City's glamorous art world from the winter wonderland of Aspen Colorado to the treacherous mountains of Nepal *Insatiable* builds to almost unbearable suspense It is only in the stunning final pages that we discover the terrible secret that haunts

Jacqueline and may have turned her into a killer      **Dying to Dance** Nicole Davidson, 1996 Carrie and her partner win every dance contest they enter until someone turns the competition into a dance of death      First Kiss Nicole Davidson, 1995

While on a cruise Carol finds herself the center of attention not only from the ship's junior officer and the irresistible lead singer in the rock band but also from someone else who is watching from the shadows      *Butter* Erin Jade Lange, 2012-09-04 A riveting debut that combines the relentless immediacy of *Thirteen Reasons Why* with the can't look away drama of TV shows like *Biggest Loser* A lonely obese boy everyone calls Butter is about to make history He is going to eat himself to death live on the Internet and everyone is invited to watch When he first makes the announcement online to his classmates Butter

expects pity insults and possibly sheer indifference What he gets are morbid cheerleaders rallying around his deadly plan Yet as their dark encouragement grows it begins to feel a lot like popularity And that feels good But what happens when Butter reaches his suicide deadline Can he live with the fallout if he doesn't go through with his plans With a deft hand Erin Jade Lange allows readers to identify with both the bullies and the bullied in this all consuming look at one teen's battle with himself Acclaim for Butter An ABC New Voices Pick Abraham Lincoln Masterlist Nevada Young Readers Award nominee Iowa High School Book Award nominee Sakura Medal winner Waterstones Children's Book Prize nominee South Carolina Young Adult Book Award nominee Blue Hen Book Award nominee TAYSHAS List Teens Top Ten Pick **The Publishers Weekly**, 1995 A-Train Lullaby Sergia Flores, 2002-06-24 A Message to the Reader I started writing this book in 1995 when I was still not yet thirty years old but approaching it too quickly to not make note of where I was who I was or why I was The story behind the reason for writing is a part of this work so I won't burden you with it twice but I will say that I have never had more intimate conversations with God both frustrating and revealing than on those 4 a.m.s while staring at a blank page or screen I think that on some level one of the reasons why it has taken me so long to finally put this before you has been simply that I will miss those particular conversations and I haven't quite figured out what else I want to talk about So many things have happened since the final draft was completed So many of the endings to these stories have changed I swear I thought about Lullaby every day I went from rejection to rejection first draft to third and another couple of years passed I never gave up on the notion that I wanted it out there but I couldn't simply let it go The unmentionable then occurred on September 11th 2001 and after that morning nothing made sense or mattered much aside from the fact that somehow I was still alive and breathing and trying not to lose my mind My coworkers and I were beginning our day across the street from the Towers when it all began and I join the sentiments of thousands maybe millions when I say that we struggle on a daily basis to maintain some semblance of equanimity I write this message to you a little over four months from that day so full of fear and love Even on that day I swear I thought about Lullaby and how maybe someday someone would find it in the rubble of what was left and have a smile over what New York City was before it was obliterated For months I have been wondering whether it's the right thing to do to put this out there at a time when really who cares about one woman's ride on the A train How selfish and careless of me would it be to expect that anyone will read this and connect after all that has happened and is happening on this beloved planet Over and over again I have asked myself these questions Then I saw The Nutcracker and Contact with my mom during the Christmas holidays I listened to Nanci Griffith sing during her concert at the Beacon Theatre in December and just recently I almost passed out with laughter during John Leguizamo's one man explosion called Sexaholix I've seen A Beautiful Mind The Majestic Vanilla Sky and Oceans 11 in the span of one month and I've read the last verse of Bruce Springsteen's Land of Hope and Dreams pinned to one of the walls in my office cubicle once a day At the office Holiday party a woman sang Oh Come All Ye Faithful and I hugged everyone I hadn't seen since September for at least five

minutes each and then I danced a few body parts clear off of my person A friend and I were writing each other recently about the pain following the loss of a loved one Everyone grieves in their own way but what remains constant is that sometimes ruthlessly the rest of the world moves forward in its evolution regardless of the fact that for you time has stopped It seems unfair sometimes that even in the face of the world your world ending Earth doesn't take a breather and give you a few minutes or days to get your heart back inside of your chest It seems a curse But it's a blessing It's a blessing that in the face of so much Nanci and Bruce still write and sing The New York City Ballet still dances John still makes us laugh and people still believe So I am taking the next step in the life of Lullaby and I'm placing it in your hands with all the love and hope for its appreciation that I can muster The world as many of us know it has ended and we may never fully understand why but I would betray the Force behind my every inspiration if I didn't allow this to completely evolve      **A Christmas Voyage**

Adrian Ferruelo, 2025-05-26 When Sophie Bennett a workaholic event planner reluctantly boards a Christmas cruise to fulfill her late mother's last wish she never expects to meet Liam Carter a charming but mysterious musician performing on the ship As they are paired for a series of holiday activities their initial awkwardness turns into a deep connection But with their personal struggles and the pressures of the holiday season they must learn to trust open their hearts and rediscover the joy of Christmas This heartwarming romance explores themes of love forgiveness and the magic of living in the moment Perfect for fans of The Christmas Cottage and Snowed In this novel will fill your heart with the warmth and wonder of the holiday season      **Finding List**, 1908      *Hitchcock's Objects as Subjects* Marc Raymond Strauss, 2015-12-01 Alfred Hitchcock's

imperative was to charge the screen with emotion Subject matter and acting were for him subordinate to all of the technical aspects that made the audience scream Focusing on onscreen objects in Hitchcock's films this study examines staircases eyeglasses lamps doors candles cigarettes buildings monuments statues and dozens of other props that the director treated as subjective protagonists their roles nearly equal to the actors Examining each of the director's 52 extant films this book provides a comprehensive exploration of Hitchcock's treatment of objects as subjects      To Rome with Love Debra White
