**Final Hours in the Pacific** Donald J. Young, 2014-01-10 From December 7 1941 until the Battle of Midway in June 1942 the war with Japan was a losing one It was to be the darkest period of the almost four year war During those days no times were more trying than the final hours for the men trapped on Wake Island Bataan Corregidor Hong Kong and Singapore This book outlining the bitter end to their ordeals covers the crucial days and final hours that led to their surrender a capitulation that would shock the free world

*The Final Hours of Darkness* Keith Grossl, 2014-06-05 Follow the author on an in depth investigation of the paranormal that will lead you through the darkened corridors of a haunted insane asylum that is said to have been the sight of satanic rituals Two abandoned prisons both of which house not only the murderous souls of the convicts who were once incarcerated there but also the place memory of their evil deeds In this true account of a paranormal investigation you will visit many other locations that are said to be haunted And discover the truth behind the shadow man who turned the author's childhood dreams into nightmares

**The Final Hours** Johannes Steinhoff, 2005-08-31 Fighter ace Col Johannes Steinhoff commanded an elite group of pilots trained to fly the first jet aircraft employed in combat the famous Messerschmitt Me 262 at a time when Reich Marshal Hermann Goring by then out of favor with Hitler for his failure to stop the Allied bombing raids denounced his own pilots as cowards After Goring refused to deploy the Me 262 as a fighter the role for which it was designed and instead ordered its use as a bomber Steinhoff and other senior air leaders devised a plot to depose Goring from his command of the Luftwaffe in the futile hope of staving off final defeat in the air The pilots' long standing disgust with their Reich Marshal's military incompetence and technical dilettantism led to their dangerous intrigue in the fall of 1944 There was an added element of risk as their desperate gamble came in the wake of the July 20 plot against Hitler the onrushing Allied onslaught and the general disintegration of the German military and its war effort Steinhoff crashed while trying to take off in a heavily laden Me 262 The explosion left him badly burned and still in the hospital when the war ended From his hospital bed in the summer of 1945 he dictated to a fellow wounded German soldier the account that became *The Final Hours* His memories are vivid painful and gripping Free from the years of recrimination and reflection so common in similar works his tale recounts the pressure of fighting for a lost cause and the intrigue fostered by an unstable command His account reveals every facet of a remarkable fighter pilot's struggle for survival and provides an excellent case study of the plodding bureaucracy and scheming obscurantism so characteristic of the Third Reich

**The Final Hours of Muriel Hinchcliffe** Claire Parkin, 2024-03-21 Beautifully written dark twisted and often funny Charlotte Levin Dark and twisted comic and toxic I loved it Jenny Colgan Shocking and compelling I raced through it Fabulous Daily Mail Ruth and Muriel are best friends And often worst enemies Inseparable since they were little Ruth and Muriel have shared everything Now fate has left them living together in a North London home with Ruth caring for Muriel in her deteriorating health playing Scrabble arguing and making up passing the days in monotony Until one afternoon when Muriel

makes an unexpected and sinister announcement In exactly seventy two hours I am going to die The end might be in sight for Muriel but that s just the beginning of this story about two old friends who have seventy two years of history and more than one shocking secret between them A darkly comic novel about two old friends a lifelong toxic friendship and the very fine line between love and hate Perfect for fans of Joanna Cannon Charlotte Levin and Jennie Godfrey **Lincoln's Final Hours**

Kathryn Canavan,2015-10-02 When John Wilkes Booth fired his derringer point blank into President Abraham Lincoln s head he set in motion a series of dramatic consequences that would upend the lives of ordinary Washingtonians and Americans alike In a split second the story of a nation was changed During the hours that followed America s future would hinge on what happened in a cramped back bedroom at Petersen s Boardinghouse directly across the street from Ford s Theatre There a twenty three year old surgeon fresh out of medical school struggled to keep the president alive while Mary Todd Lincoln moaned at her husband s bedside In Lincoln s Final Hours author Kathryn Canavan takes a magnifying glass to the last moments of the president s life and to the impact his assassination had on a country still reeling from a bloody civil war With vivid thoroughly researched prose and a reporter s eye for detail this fast paced account not only furnishes a glimpse into John Wilkes Booth s personal and political motivations but also illuminates the stories of ordinary people whose lives were changed forever by the assassination While countless works on the Lincoln assassination exist Lincoln s Final Hours moves beyond the well known traditional accounts offering readers a front row seat to the drama and horror of Lincoln s death by putting them in the shoes of the audience in Ford s Theatre that dreadful evening Through her careful narration of the twists of fate that placed the president in harm s way of the plotting conversations Booth had with his accomplices and of the immediate aftermath of the assassination Canavan illustrates how the experiences of a single night changed the course of history **Too Fast to Live, Too Young to Die - James Dean's Final Hours** Keith Elliot Greenberg,2015-08-01 Applause
