butterflies If you save the tiger you save everything else Today the 5 000 tigers that still survive in the wild live only in Asia and are scattered throughout 14 countries Padel says that while tigers will never become extinct they are too popular for that they may disappear from the wild There are as many tigers in cages in the US as there are surviving tigers in the wild As she travels she meets the defenders of the wild the heroic scientists forest guards and conservationists at the frontline fighting to save tigers and their forests from destruction in the places where poverty threatens to wipe out all wildlife She also examines her fascination both as a poet and as the great great granddaughter of Charles Darwin with nature wildness and survival and in the end becomes a knowledgeable advocate for the tiger The result is a beautiful blend of natural history travel literature and memoir and a searing intimate portrait of an animal we have loved and feared almost to extinction Jamrach's Menagerie Carol Birch,2011-06-14 SHORTLISTED for the 2011 Man Booker Prize for Fiction A thrilling and powerful novel about a young boy lured to sea by the promise of adventure and reward with echoes of Great Expectations Moby Dick and The Voyage of the Narwhal Jamrach's Menagerie tells the story of a nineteenth century street urchin named Jaffy Brown Following an incident with an escaped tiger Jaffy goes to work for Mr Charles Jamrach the famed importer of exotic animals alongside Tim a good but sometimes spitefully competitive boy Thus begins a long close friendship fraught with ambiguity and rivalry Mr Jamrach recruits the two boys to capture a fabled dragon during the course of a three year whaling expedition Onboard Jaffy and Tim enjoy the rough brotherhood of sailors and the brutal art of whale hunting They even succeed in catching the reptilian beast But when the ship's whaling venture falls short of expectations the crew begins to regard the dragon seething with feral power in its cage as bad luck a feeling that is cruelly reinforced when a violent storm sinks the ship Drifting across an increasingly hallucinatory ocean the survivors including Jaffy and Tim are forced to confront their own place in the animal kingdom Masterfully told wildly atmospheric and thundering with tension Jamrach's Menagerie is a truly haunting novel about friendship sacrifice and survival *Anarchists in Love* Robert Hough,2025-09-16 In this compelling novel acclaimed author Robert Hough recreates the political violence and revolutionary idealism that flowed through New York City during the Gilded Age of the 1890s At its centre are real life revolutionists Emma Goldman and Alexander Sasha Berkman whose passionate love affair fuels their commitment to creating a better world Following their chance meeting at a New York caf in 1890 Emma is fleeing a loveless marriage while Sasha is becoming convinced that only a new system of thought called anarchism will liberate working people from poverty two poor young immigrants join New York's political underground to overthrow all forms of government Swept up by her new egalitarian beliefs Emma gains a reputation as a rousing public speaker extolling the radical virtues of workers rights free love and women's liberation At the same time Sasha's own ambitions become mired in jealousy and inhibition But when shocking news arrives that industrialist Henry C Frick has ordered the fatal shootings of striking steel plant workers in Pennsylvania Sasha and Emma plot a violent act that they hope will ignite a worldwide anarchist revolution As the first work of fiction to recount this captivating story

Anarchists in Love casts light not only on a politically charged chapter of history but also on forces of desperation and insurgence that are still in effect today      **Advances in the Study of Behavior** ,2014-05-16 Advances in the Study of Behavior was initiated over 40 years ago to serve the increasing number of scientists engaged in the study of animal behavior That number is still expanding This volume makes another important contribution to the development of the field by presenting theoretical ideas and research to those studying animal behavior and to their colleagues in neighboring fields Initiated over 40 years ago to serve the increasing number of scientists engaged in the study of animal behavior Makes another important contribution to the development of the field Presents theoretical ideas and research to those studying animal behavior and to their colleagues in neighboring fields      *The Organization of Things* Martin Parker,2024-11-14 This is a book about knowledge and how it is organized The business school has captured ideas about organization and reduced them to questions of formal structures documented processes logistics and operations This book shows how the concept can be understood more generously by illuminating the fundamental importance of culture to our understanding of organization Using the idea of a cabinet of curiosities the author shows how we can learn a lot about authority from choirs of angels about secrecy from shipping containers or work from art galleries In disorganizing categories forcing unusual conjunctions the work opens itself to organization studies and studies of organizing as well as cultural sociology human geography and social theory Bringing together arguments developed over the last two decades this book brings together and updates work that will provide a unique and valuable reference for students and scholars of management and organization around the world

Romanian stowaways He presents them to his officers fully expecting that they ll be put to work or else dropped off at the nearest port Instead he and his fellow Filipino crewmen watch in silent horror as the Romanians are cast overboard in a flimsy raft only to disappear beneath the ship s wake The Stowaway moves seamlessly between two storylines Aboard the Maersk Dubai Rodolfo and his crewmen must deal with the emotional trauma of what they ve seen as well as grapple with how to act on what they know The atmosphere on the ship grows increasingly tense as fear anxiety and paranoia grip the Filipino sailors Trapped witnesses to a crime they wonder whom they can trust and whether they themselves will meet with the same fate as the stowaways Meanwhile a nineteen year old Romanian named Daniel Pacepa heads out on a nail biting adventure from Bucharest to Algeciras Poor brave and full of youthful indiscretion Daniel is desperate to stow away on a ship and head to a better life in America Along the way he meets another Romanian named Gheorghe and together they perform cheap labour pose as evangelical Christians and do whatever it takes to find their way to the Spanish port of Algeciras Eventually the two stories merge when Daniel and Gheorghe sneak onto the ill fated Maersk Dubai One man is killed the other discovered by Rodolfo Once again the Filipino crewmen find themselves faced with an excruciating moral dilemma Do they risk their own personal safety to save the life of a complete stranger All of the scenes involving the Filipino sailors are as close to the truth as Robert Hough could manage based on exhaustive interviews with the crewmen as well as on their letters and journals Though Hough invented the Romanians land adventure he based the story on considerable research including interviews with Romanian Canadians who had lived under the Ceaurescu regime Hough was widely praised for the deft way in which he mixes fact and fiction in The Stowaway The critics were also unanimous in their admiration for the novel s ability to seduce with suspense while at the same time posing profound issues for the reader to ponder This is a powerful novel that artfully combines the vivid breathless pacing of the best adventure stories with the moral and metaphysical depth of the best literary fiction said Quill Quire And from the Vancouver Sun Harnessing the force of fiction and the weight of history Hough has created a powerful deeply human masterpiece out of tragedy and inhumanity New Theatre Quarterly 78: Volume 20, Part 2 Simon Trussler, Clive Barker, 2005-03-21 Provides an international forum where theatrical scholarship and practice can meet Canadian Books in Print.
