*RUNAWAY: The Final Stand - Vol. 5* Kasey Infinita, 2025-08-12 It s a race against and through time for the Resistance as they chase powerful antiquities straight into the heart of Arthurian legend The ever mounting pressure causes an unexpected snap and the terrifying fall into darkness immediately after only lengthens the quest To Zack it seems as though every existing force friend and foe is against him In the final volume of Runaway Zack Davis story reaches its climax It s hard to tell who s on which side of the war but one thing is certain Zack s going to have to make some very difficult decisions And if he doesn t want this to be his final stand Zack may need to literally tango with a demon no matter the cost Basic Training for the Fight of Your Life, the Final Stand Robert Mayhew, 2013-02 The purpose of the book is to revive the spirit of real Christianity in the United States stand against our Adversary and turn from our collective moral drift Done as an analogy by telling my experiences in Basic Training in the Army and how those experiences relate to Christianity The book is divided into three parts The first part is Individual Training skill sets For example my volunteering in the Army and the transition from civilian to soldier Likewise the transition from not being a Christian to voluntarily wanting to be one and the transition that takes place Another is my experience on a compass course where I started out doing well but got lost and finally found my way to the finish I compare the compass to the Bible and relate it to life Other examples as well The second part is Opposing Forces Training where I learned how the enemy operates and received training focused around defeating him I apply that to learning the ways of Satan because just like a victorious army you must know your spiritual enemy to be successful against him And the third and last phase is the reclamation which is brought about only by the application of the first two phases That is reinforced by quotes from prominent people from the past The Last Stand David G. Stone, What would you sacrifice for loyalty What would you risk for honor What would you do if your world was ending and you had thirteen minutes to save everything you believed in June 21st 1582 The most powerful man in Japan is about to die and only one warrior stands between Oda Nobunaga and annihilation Yasuke the African samurai has sworn an oath that binds him beyond death But when ten thousand enemy soldiers surround Honno ji Temple when his lord s most trusted general reveals himself as a

Philbrick,2023-01-03 An engrossing and tautly written account of a critical chapter in American history Los Angeles Times Nathaniel Philbrick author of In the Hurricane s Eye Pulitzer Prize finalist Mayflower and Valiant Ambition is a historian with a unique ability to bring history to life The Last Stand is Philbrick s monumental reappraisal of the epochal clash at the Little Bighorn in 1876 that gave birth to the legend of Custer s Last Stand Bringing a wealth of new information to his subject as well as his characteristic literary flair Philbrick details the collision between two American icons George Armstrong Custer and Sitting Bull that both parties wished to avoid and brilliantly explains how the battle that ensued has been shaped and reshaped by national myth      **Custer's Last Stand** Brian W. Smith,2009-12-16 This book offers a definitive account of the origins and events of the 2008 Tibetan uprising which began with peaceful demonstrations by monks of Lhasa s great monasteries on the anniversary of the 1959 revolt Noted expert Warren W Smith Jr argues that the uprising was a widespread response to the conditions of Chinese rule over Tibet which revealed much about Tibetan nationalism and even more about Chinese nationalism Interpreting the Tibetan uprising as an attempt to spoil the Beijing Olympics China s hard line response was repression patriotic education and propaganda blaming the disturbances on the Dalai clique and hostile Western forces Smith contends that China s offensive is based upon a belief that China now has sufficient economic and political influence to make the world thoroughly revise its mistaken knowledge about the Tibet issue He convincingly shows that far from becoming more lenient in response to Tibetan discontent China has determined to eradicate Tibetan opposition internally and coerce the international community to conform to China s version of Tibetan history and reality      **Next to Last Stand** Craig Johnson,2020-09-22 The sixteenth novel in the beloved New York
