Ready to Be Heard Amanda McDonough, 2018-07-23 When author Amanda McDonough started losing her hearing at the age of 4 she swore her parents to secrecy She hid her hearing loss for 18 years from her friends family teachers and acquaintances As the author grew older her hearing gradually decreased causing her to begin struggling in school in her relationships with family and friends and with her identity By age twenty two she could no longer rely on her wit to hide her hearing loss She became one hundred percent deaf in both ears Amanda found herself unable to hear talk lip read or sign Her only method of communication with the world was through writing Ready to be Heard is the story of how Amanda taught herself to speak again to lip read and to sign McDonough explains how she discovered a new culture language and most importantly herself In this memoir the author narrates how she managed to finish college after becoming deaf How she garnered straight As in school entered the workforce enjoyed a successful Hollywood acting career Freeforms Switched at Birth ABCs Speechless NBCs Bad Judge Google 7UP Deaf West Pasadena Playhouses Our Town etc fought for her independence and found her purpose Ready to be Heard tells about the authors journey to find a balance between the hearing world she was raised in and the Deaf culture to which she now belonged

Making It Heard Rui Chaves, Fernando Iazzetta, 2019-12-12 From the mid 20th century to present the Brazilian art literature and music scene have been witness to a wealth of creative approaches involving sound This is the backdrop for Making It Heard A History of Brazilian Sound Art a volume that offers an overview of local artists working with performance experimental vinyl production sound installation sculpture mail art field recording and sound mapping It criticizes universal approaches to art and music historiography that fail to recognize local idiosyncrasies and creates a local rationale and discourse Through this approach Chaves and Iazzetta enable students researchers and artists to discover and acknowledge work produced outside of a standard Anglo European framework

, Aaron Jason Silver, 2006-07-01 My reasons for writing this book are rather complex because I have seen no other books on the shelves that were comprehensive enough to interest the straight population as well This book is as much for them as it is for gay people because it I believe it provides important information for them to help them understand us better and why many gay men may behave the way they do Gay culture to the straight culture as always seemed mysterious as if we were hiding something Perhaps we have been so I hope this book helps them understand better the gay culture and hopefully it may help them better understand how certain behaviors may have developed and a bit of a history lesson on how gay culture originally came to be My greatest hope is that this book will cause the much need discussion about why many of us behave the way we do My thoughts are that the high school girly behaviors are the manifestations of unhealed wound that I refer to as ghost wounds that are a direct result of the damage that has been

done during the very critical school age years when many of us were trying to find out who we were and develop some self esteem Unfortunately for most gay men that I have spoken to had very lonely childhoods where they felt isolated picked on at school and they most often felt like outsiders I believe these experiences have done more damage to gay people than we have ever given credit to As a result these ghost wounds have never been healed and follow them around for a lifetime unless addressed and will influence much of your behaviors and most importantly your ability to understand and really feel the beauty and deliciousness of true intimacy whether it be with friends or lifepartners Frequent sexual encounters are not intimacy It s devoid of intimacy and often leads to a deeper feeling of isolation loneliness and depression The last of what I want to say is good luck in your que

Regent's Wolf Princess Chu

Qin,2020-09-09 She a nameless reporter from the 21st century had somehow turned into a wolf She felt that in this world there was no one who had a more ridiculous experience than her He the Regent of the Heavenly Enlightenment had power and influence On his way back to the city he accidentally saved it from the tiger s mouth However he did not know that it was actually a person One afternoon a servant girl ran over anxiously to report Prince it s bad The white wolf bit Miss Zhang The maidservant hurriedly came to report but when Xiao Wang heard this his eyebrows shot up I already disliked that woman a long time ago The wolf did quite well I ll give it a chicken leg at noon Servant girl When the empress dowager was invited to the palace for dinner her father in law came up to her with an ugly expression and said Prince your beloved wolf killed off the empress dowager s pet How do you think we should handle this Prince Xiao was still calm It s just a cat Just bury it if it dies For the last time a maid from his house rushed into his study My lord this time something big has happened The White Wolf it He walks in the garden He suddenly became a human This time King Xiao could no longer remain calm His eyes lit up as he stood up from his chair and ran towards the garden

Language and Identity in the Israel-Palestine Conflict Camelia Suleiman,2011-09-30 The conflict between Israel and Palestine is and remains to be one of the most widely and passionately debated issues in the Middle East and in the field of international politics An important part of this conflict is the dimension of self perception of both Israelis and Palestinians caught up in its midst Here Camelia Suleiman using her background in linguistic analysis examines the interplay of language and identity feminism and nationalism and how the concepts of spatial

and temporal boundaries affect self perception She does this through interviews with peace activists from a variety of backgrounds Palestinians with Israeli citizenship Jewish Israelis as well as Palestinians from Ramallah officially holders of Jordanian passports By emphasizing the importance of these levels of official identity Suleiman explores how self perception is influenced negotiated and manifested and how place of birth and residence play a major role in this conflict This book therefore holds vital first hand analysis of the conflict and its impact upon both Israelis and Palestinians making it crucial for anyone involved in Middle East Studies Conflict Studies and International Relations
