Finance For Growing Enterprises:

Finance for Growing Enterprises Roger Buckland,Edward W. Davis,2016-07-15 This volume originally published in 1995 examines the mechanisms by which businesses that have the capacity to grow whether in terms of output innovation or export acquire the cash that enables growth Addressing an issue of central importance to the competitiveness of firms and economies this book draws together research by leading academics in the area Throughout research studies develop the themes of market failure finance gaps and failure of demand They also bring out the linkages between the financing choices facing the growing firm and the issues of organisation and of corporate governance that have to be address during the process of growth and maturity Contributors challenge financial orthodoxy throughout providing coherent analyses of the difficulties faced in the finance of the growing enterprise from its early dependence on banks and informal finance to the pinnacle of a stock exchange listing

Financial Determinants of High-Growth

Companies Blaž Frešer,Karin Širec,Polona Tominc,2020-11-13 This book explores the factors that contribute to high corporate growth presenting a new conceptual model for research into this phenomenon Building on existing research the authors present a new conceptual research model that links multidimensional variables such as entrepreneurial orientation and human capital with the perceived availability of different forms of financing for high growth companies and with the measures that these firms take to overcome financial constraints and thus influence their financial performance With this model the authors aim to enhance our understanding of the specifics of financing high growth companies and demonstrate how the availability of financial resources is one of the most important determinants of promoting development and enterprise growth Empirically tested on a random sample of high growth companies from Slovenia the book seeks to make a contribution to research and enhance our understanding of the various factors involved in high growth firms [OECD](#)
