African Dept.,2015-12-17 This paper discusses C te d Ivoire s Eighth Review Under the Extended Credit Facility ECF Arrangement The macroeconomic outlook remains strong with high projected growth rates supported by sustained improvements in the business climate and rising private investment including in large private public infrastructure projects Risks to the near term growth outlook are moderately tilted to the downside Adverse weather owing to El Ni o could lower output and the failure to contain fiscal risks could weaken the fiscal accounts The IMF staff supports the authorities request for completion of the eighth ECF review

Customs Modernization Initiatives Luc De Wulf,José B. Sokol,2004 A companion to the Customs Modernization Handbook this book provides case studies on customs modernization initiatives in seven countries Bolivia Morocco Mozambique Peru the Philippines Turkey and Uganda The initiatives in each of these countries show similarities as well as differences in their approach and design Some have relied on a model of independent revenue authorities Uganda and Peru others have called

upon private sector service providers to initiate the modernization process Mozambique others have taken the drastic step of a complete overhaul of their customs staff Bolivia and Mozambique others introduced new information technology to streamline customs processes and to integrate other members of the trading community into an electronic network Ghana while still others have approached the modernization process as a pragmatic well focused result oriented process

Senegal International Monetary Fund. African Dept.,2017-01-04 This Article IV Consultation highlights that Senegal s macroeconomic situation is stable Growth is expected to exceed 6 percent in 2016 while inflation remains low The fiscal deficit has been declining steadily from 5.5 percent of GDP in 2013 and is projected to reach 4.2 percent of GDP in 2016 The current account deficit has narrowed and is projected to reach 6.5 percent of GDP in 2016 driven by lower oil prices and improved export performance The outlook for the Senegalese economy is positive and risks are manageable provided there is a concerted effort to continue improving economic governance

Tax Compliance and Risk Management

Piotr Karwat,Katarzyna Kimla-Walenda,Aleksander Werner,2023-11-23 The concept of tax compliance is as old as the tax itself but staying compliant with tax regulations has become increasingly demanding A changing tax regulatory environment resulting from regulatory actions of the OECD the European Union and national governments poses many problems for tax compliance awareness This book explores various approaches to improving tax compliance Starting with the procedures and processes that are at the centre of the debate it includes the level of tax position security obtained as a result of cooperation between tax administration and an organisation ending with tax compliance requirements imposed by one sided action of tax administration Offering an experience and evidence based analysis of how tax compliance influences an organisation s tax and financial position the issues are examined from both a theoretical and a practical perspective using empirical research and case studies with an international dimension for illustration Emphasising a holistic approach to tax compliance and its role in tax risk management within an organisation this study offers a framework for making the challenging task of tax compliance and risk management more effective and more efficient Exploring tax compliance focusing on the tax world after the BEPS project and anti tax evasion and anti tax avoidance regulatory actions undertaken by the European Union and OECD the book has a practical focus on tax system design within the organisation and will be of interest to students
