Get Out of Debt Now: The Roadmap to Financial Freedom Anne Marie,2014-07-06 I know what s like to be broke Nine years ago I was in debt because of the huge legal fees and the loss of my job I was an innocent victim fighting for justice The lawyer s fee almost bankrupt me I resorted to borrowing from my family the bank and my credit card was max out The money goes to pay high interest I got deeper and deeper into the debt sink hole I was frustrated and depressed about my situation That experience motivated me to do everything to get myself out of debt I read as many books as I can find in the public library and spending hours researching on the Internet I did everything I possible could It took me more than a year to get out of debt Out of this painful experience come this book From all these experiences and research I developed the strategies to get out of debt and live a debt free life It worked for me It can work for you In this book you will discover Warning Signs of Too Much Debt Why People are in Debt The Truth about Debt The Credit Card scam The power of Compound Interest How to stop the financial hemorrhage How to Live Below Your Means How to create a Repayment Plan How to create a Spending Plan How to Save How to Increase Your Earning Capability How to Cultivate a Prosperity Mindset When you implement the strategies in this book you will discover the truth and the lies about credit card you will know how to get out of debt and live

a Debt Free Life and prosperous life This is a very small cost to invest in getting debt free You will save far more than the cost of book The amount is less than a hour of personal coaching Apply what you learn and it will get you out of debts forever

Financial Feminism Jessica Robinson,2021-02-04 As we face global challenges like climate change and inequality what if women could use their investments to build a cleaner fairer and more sustainable world Financial feminism the belief in the financial equality of women has been gathering momentum largely in the context of the gender pay gap on average a woman earns 80% of what a man does But there s another gap the gender investing gap which shows women are investing less than men saving less for retirement and parking more in cash When compounded by the gender pay gap this results in a significant shortfall but there s more to financial feminism than simply addressing these gaps women also care about where their money is invested and the impact it can have In this practical and accessible guide sustainable investing expert Jessica Robinson shows how through financial feminism women can use their financial power to invest in a sustainable future and build the kind of world they want to live in With jargon free explanations and real world examples she demystifies the financial services industry breaks down just what sustainable investing is and demonstrates the societal and environmental impact of the investment decisions we make Arming women with the information they need to get started and keep going she hopes that more women will embrace financial feminism invest to grow their own wealth and in doing so use their financial decisions to demand a better world
