The background of the cover features a faint, light green diagram of a semiconductor band structure. It shows a central band of states (likely the conduction band) with several discrete energy levels represented by dots. Labels include 'VB' (Valence Band) on the left, 'CB' (Conduction Band) on the right, and 'Energy' at the bottom. A central label 'Energy Band Structure' is also visible. The diagram is overlaid with a grid of horizontal and vertical lines, and a series of curved lines representing energy bands.
