

Some Criteria for Prioritizing

Does this fit the stated purpose of the evaluation?

Will this accommodate key stakeholders?

Who would use the information for what decision?

Would the information possibly change the course of events?

Does the question focus on a critical or major issue, or is the question merely of passing interest?

Is it feasible to adequately answer the question, given time and budget constraints?

Would the evaluation be compromised if this question was dropped? Is it critical to the study's credibility?
