Elements of Literature ,1993 A textbook in literature for students in grade 9 *Adolescent Literacy in the Academic Disciplines* Tamara L. Jetton, Cynthia Shanahan, 2012-01-01 From leading authorities in both adolescent literacy and content area teaching this book addresses the particular challenges of literacy learning in each of the major academic disciplines Chapters focus on how to help students successfully engage with texts and ideas in English literature science math history and arts classrooms The book shows that while general strategies for reading informational texts are essential they are not enough students also need to learn processing strategies that are quite specific to each subject and its typical tasks or problems Vignettes from exemplary classrooms illustrate research based ways to build content area knowledge while targeting essential reading and writing skills Provided by publisher **Holt Elements of Literature** Holt, Rhinehart and Winston, 2007 Writing about Literature Larry R. Johannessen, Elizabeth A. Kahn, 2009 This book is intended to help middle and secondary school English language arts teachers integrate literature study and composition instruction Literary analysis and well honed analytical writing skills are crucial for student success in English class as well as on writing assessments and in other content area classes Unfortunately these skills are often taught separately from one another and students have a

hard time making the connections between the two Drawing on years of real classroom experience this follow up to NCTE's immensely popular Writing about Literature 1984 addresses the challenge many teachers face How can we use writing assignments to deepen students understanding of literature while at the same time improve their writing critical thinking and analytical skills A Theory and Research into Practice TRIP book Writing about Literature 2nd ed Revised and Updated seeks to answer this question by first providing an overview of the key components of theory and research including assessment literary interpretation composition sequencing and activity design and then offering an extensive selection of practical activities to help students learn how to interpret literature write compelling arguments and support those arguments using evidence from the text Specific activities include Exploring role models from To Kill a Mockingbird and The House on Mango Street analyzing characters from Everyday Use and Huckleberry Finn and interpreting love themes from Romeo and Juliet and Shakespeare's sonnets Featuring two dozen reproducible handouts and suggestions for adaptations all of the activity sequences are designed to be used as a teaching tool a model for teachers and students to use as they study other texts and types of literature *Elements of Literature* Robert E.
