Elevations Or Agla On Dawning A Of Etheric Psalm:

Elevations Or Agla on Dawning White Song Eagle, 2002-10 The Webster's New World Dictionary page 24 1990 defines a geisha as a Japanese girl trained as an entertainer to serve as a hired companion to men A true American Geisha must be that and much more She must be taught self esteem and self confidence but most importantly self acceptance She must choose her future carefully to pursue a business or to have and raise a family or possibly both Lastly she must decide if she wants to go through life by herself or with a chosen companion If she chooses companionship she must be trained in the arts of providing for and serving her Chosen Companion She must be taught and be willing to give one hundred percent of herself She must know herself first then reach out for friendships and then seek that special relationship with her Chosen Companion She must be careful and consider all her options along the way We don't always get second chances A true understanding of human relationships comes from not only the desire to have one but a basic learning process as well Anything worth having is worth working for Your inner peace and peaceful relationships are the most precious things attained in this world and certainly worth every effort to attain them

Teluke A Big Foot Account White Song Eagle, 2008-11-21 If one understands a bit about quantum science you begin to understand that our bodies in fact our reality is not what we perceive it to be Speeding up the vibratory rate of molecules changes the density of seemingly solid objects which is mostly space anyway H₂O becomes solid ice liquid water or vapor steam and our bodies are mostly water and space Allowing quantum mechanics to maintain the founding perception of reality in this book one steers clear of science fiction in this no holds barred recounting of interaction with Sasquatch or Big Foot The author tells of a year and a half of her life as she tends to a Big Foot family on the family horse farm Unlike other reports White Song's sensitive perception picks up the vibration of the Big Foot when they are unnoticed by others and allows interaction with them Many unusual insights are revealed and much can be gained by digesting this intelligently written book with an open mind Many of the states of consciousness and states of unconsciousness are detailed in Eckhart Tolle's book A New Earth from the Opra show Remarkable in content exciting and a fun read whether one believes or not Excellent food for thought
