A Little Sky off the Wings: An Award-winning Gujarati Novel Dr. Bharti Rane, 2019-09-16 Does constant living together bring terrible monotony to life Do you feel marriage is a sort of silent imprisonment or tremendous encroachment on one's privacy Does marriage inherently carry a micro level atrocity in a couple's relationship Do the men folk have a natural weakness to be attracted towards beautiful women Does a man know about innate needs of a woman's heart What is happiness in marriage Can it be measured Do small matters and petty grievances tilt the scale of life in its favour when weighed against surreal and larger happiness Does the very existence of human race have only two faces One Adam and one Eve Is our Indian ideology of a commitment lasting through births and rebirths relevant in present time This novel written in the form of a diary gently deals with the subject of intricacies of married life evaluates and analyses the subject of expectations of a man and a woman elaborates the fineness of female sensitivity and tests the instinctive human expectations on the anvil of time without being partisan of either sex The geographical surroundings and its unification with the sentimental inner world of Parnavi make the expressions poignant The most impressive facet of this novel is the incorporation of the life and thinking of different cultures The author takes the characters from a modern city like Paris to the distant villages of Val Badia with its aboriginal culture and society thereby

giving it a perspective of very modern concept of Multi culturalism to the novel The ease of language for the author is innate
