## **Fijis Past On Picture Postcards:**

**Fiji's Past on Picture Postcards** Elsie Stephenson,1997      **Historical Dictionary of Fiji** Brij V. Lal,2015-12-15 This book is the first concise account of the history of the Fiji islands from the beginning of human settlement to the early years of the 21st century Its primary focus is on the period since the advent of colonial rule in the late 19th century to the present benefiting from the author s internationally acknowledged expertise as a scholar and writer on the Fijian past Besides factual information the book also offers a scholarly assessment of the people and events which have shaped Fiji s history The Historical Dictionary of Fiji contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Fiji      *Moon Fiji* David Stanley,2011-04-05 South Pacific expert and veteran travel writer David Stanley knows the best way to experience Fiji from making the most of one of the world s premiere diving spots to getting away from it all in lesser known villages David provides great trip ideas for a variety of travelers such as Best of Fiji Island Hopper Special and The Life Aquatic Packed with information on swimming the reefs taking day long boat cruises and sampling Fijian specialties Moon Fiji gives travelers the tools they need to create a more personal and memorable experience      **Fiji** David Stanley,2001 This Fiji handbook provides a thought provoking introduction to Fiji s turbulent history diverse population and cultural riches Travelers gain from seasoned traveler Stanley s extensive descriptions and evaluations of Fiji s lodgings from luxury resorts to simple hotels on the beach His comprehensive reporting of outdoor recreation makes it simple to locate the perfect activities such as scuba diving snorkeling surfing sailing kayaking hiking camping and golf      Tourism in Pacific Islands Stephen Pratt,David Harrison,2015-02-20 Pacific Island Countries have been shown to be especially vulnerable to such external influences as natural disasters political unrest and downturns in the global economy and their tourism industries have been notably affected In particular they typically have a narrow resource base and a fragile and often vulnerable natural environment While there is some research on islands and small states there is a dearth of information on the South Pacific and very little research is being undertaken in the region compared to other geographical regions in the world This volume brings together current work in Pacific Island tourism In this collection three main themes arise Images of the South Pacific Socio economic Impacts of Tourism and Pacific Island Countries and the Outside World The first focus is on the question of image namely stereotypes of a destination held by tourists and potential tourists the extent to which residents for their part really welcome visitors and the role tourism might play in changing pre established images The second theme is tourism s impacts notably the economic and socio cultural effects of international tourism s intrusion in the region which though often hotly debated have attracted relatively little empirical research The third focus is on the challenges of how PICs articulate with their external geo political and physical environment These involve existing relations with formal colonial centres

geographical isolation the need for greater air access to the outside world and for more tourists and the continuing threat to several PICs of global warming which increased air travel will inevitably exacerbate This text will be of interest to tourism students researchers and academics in the fields of tourism development studies and cultural studies **Suva Stories**

Nicholas Halter,2022-09-08 *Suva Stories* explores a fascinating tapestry of histories in one of the Pacific s oldest and most culturally diverse urban centres the capital of Fiji Charting the trajectory of Suva from indigenous village to colonial hub to contemporary Pacific metropolis it draws on a rich colonial archive and moving personal memoirs that bear witness to their time The diverse contributions in this volume form a complex mosaic of urban lives and histories that contribute fresh insights into historical and ongoing debates about race place and belonging *Suva Stories* is a valuable companion to those seeking to engage with the city s pasts and present and will prompt new conversations about history and memory in Fiji

*Levuka* ,2001 *Hunting the Collectors* Susan Cochrane,Max Quanchi,2014-11-10 This volume investigates Pacific collections held in Australian museums art galleries and archives and the diverse group of 19th and 20th century collectors responsible for their acquisition The nineteen essays reveal varied personal and institutional motivations that eventually led to the conservation preservation and exhibition in Australia of a remarkable archive of Pacific Island material objects art and crafts photographs and documents *Hunting the Collectors* benchmarks the importance of Pacific Collections in Australia and is a timely contribution to the worldwide renaissance of interest in Oceanic arts and cultures The essays suggest that the custodial role is not fixed and immutable but fluctuates with the perceived importance of the collection which in turn fluctuates with the level of national interest in the Pacific neighbourhood This cyclical rise and fall of Australian interest in the Pacific Islands means many of the valuable early collections in state and later national repositories and institutions have been rarely exhibited or published But as the authors note enthusiastic museum anthropologists curators collection managers and university based scholars across Australia and worldwide have persisted with research on material collected in the Pacific This volume is a very important one for anyone studying the art and material culture of the Pacific It focuses on collections now in Australia Even those well versed in museum collections from the Pacific will learn about many important but little known collectors as well as better known figures like the anthropologists F E Williams and Thomas Farrell the husband of Queen Emma This will be a treat for students and specialist alike Professor Robert L Welsch University of Dartmouth

**Serendipity** Brij V. Lal,Doug Munro,2024-02-29 The second generation of Pacific historians who began their careers in the 1970s and 1980s is gradually fading from the academic scene They have made fundamental contributions to the field of Pacific history enduring in their impact and the identity of the discipline is now firmly established This volume is not so much about their individual research but rather their improbable journeys into Pacific history why and how they came to it in the first place Almost without exception they did not choose Pacific history but rather stumbled into the field through serendipity They came from forays into African Indian East Asian French British imperial and other fields and were enticed

into Pacific history through chance or the efforts of kindly mentors All this is evident in the values and understandings they bring to the subject The one commonality that binds them is a love of the islands that have been the center of their lifetime work Many distinguished Pacific historians of the last four to five decades are represented in this collection Serendipity presents fourteen autobiographical chapters in which the contributors trace their paths as Pacific historians They offer their sources of inspiration supporters and publications that shaped them as historians With a significant focus on the importance of teaching and mentoring that they both received and provided their writing not only illuminates their lives but the state of Pacific history as an academic field The experiences of the contributors are moving replete with sorrows and regrets as well as of achievements and satisfactions Part of these careers were spent working in areas other than scholarship such as high school teaching consultancies volunteering teaching English as a second language or doing menial jobs just to keep going Serendipity is a pathbreaking form of historiography and essential to the Pacific history field Colonizing Madness Jacqueline Leckie, 2019-12-31 In *Colonizing Madness* Jacqueline Leckie tells a forgotten story of silence suffering and transgressions in the colonial Pacific It offers new insights into a history of Fiji by entering the Pacific Islands most enduring psychiatric institution St Giles Psychiatric Hospital established as Fiji's Public Lunatic Asylum in 1884 Her nuanced study reveals a microcosm of Fiji's indigenous migrant and colonial communities and examines how individuals and communities lived with the label of madness in an ethnically complex island society Tracking longitudinal change from the 1880s to the present in the construction and treatment of mental disorder in Fiji the book emphasizes the colonization of madness across and within the divides of culture ethnicity religion gender economics and power Colonization of madness in Fiji was forged by the entanglement of colonial institutions and cultures that reflected tensions and prejudices within homes villages workplaces and churches Mental despair was equally an outcome of the destruction and displacement wrought by migration and colonialism Madness was further cast within the wider world of colonial psychiatry Western biomedicine and asylum building One of the chapters explores medical discourse and diagnoses within colonial worlds and practices The community within the asylum is a feature in Leckie's study with attention to patient agency to show how those labeled insane resisted diagnoses of their minds confinement and constraints ranging from straitjackets to electric shock treatments to drug therapies She argues that madness in colonial Fiji reflects dynamics between the asylum and the community and that reading asylum archives sheds new light on race ethnicity gender and power in colonial Fiji Exploring the meaning of madness in Fiji the author does not shy away from asking controversial questions about how Pacific cultures define normality and abnormality and also how communities respond Carefully researched and clearly written *Colonizing Madness* offers an engaging narrative a superb example of an intersectional history with a broad appeal to understanding global developments in mental health Her theses address the contradictions of current efforts to discard the asylum model and to make mental health a reality for all in postcolonial societies *Shifting Toponymies* Luisa Caiazzo, I.M. Nick, 2020-11-13 Far from being

objective and static pointers place names are dynamic tools of inscription used to re shape both our surroundings and our identities This book examines the shifting tides in the complex relationship between places identities and toponyms to unveil the multilayered embeddedness of re naming practices The volume presents original contributions to this rich field of enquiry and fosters a multidisciplinary approach in exploring the broad theme of re naming and identity Ranging from theoretical discussions to in depth case studies the chapters featured here investigate the often controversial but ever fascinating relationship between toponyms and identity As a privileged medium of expression place names constitute both an instrument and a vehicle for conveying identity values and visions of the world across space and time The multifaceted geopolitical historical and linguistic issues tackled here make this volume a valuable resource to academics and postgraduate students from a broad spectrum of disciplines including onomastics and linguistics sociology history government planning and policy Holocaust studies postcolonial studies and media studies

*The Varnished Untruth* Pamela Stephenson, 2012-09-13 Along with my own personal story I am going to write down a few things that may amuse you or even take you down some other emotional path and I ll let you in on a few so far unrevealed aspects of my life I ll try to leave out the boring bits Don t be thinking this is easy for me I m darn good at getting under other people s skin but opening up about my own life is quite a different matter So how shall I portray myself There are choices you know Wife mother psychologist writer comedian actor dancer diver gypsy dreamer rich girl poor girl beggar girl thief I am all of those and more Tell you what you decide You decide exactly what I am A complicated childhood in Australia a bold move to London being a woman in a man s world on Not the Nine O Clock News becoming Mrs Billy Connolly motherhood career changes and then Strictly Come Dancing told in her own inimitable style *The Varnished Untruth* is Pamela Stephenson s own story

**Oceania under steam** Frances Steel, 2017-02-01 The age of steam was the age of Britain s global maritime dominance the age of enormous ocean liners and human mastery over the seas The world seemed to shrink as timetabled shipping mapped out faster more efficient and more reliable transoceanic networks But what did this transport revolution look like at the other end of the line at the edge of empire in the South Pacific Through the historical example of the largest and most important regional maritime enterprise the Union Steam Ship Company of New Zealand Frances Steel eloquently charts the diverse and often conflicting interests itineraries and experiences of commercial and political elites common seamen and stewardesses and Islander dock workers and passengers Drawing on a variety of sources including shipping company archives imperial conference proceedings diaries newspapers and photographs this book will appeal to cultural historians and geographers of British imperialism scholars of transport and mobility studies and historians of New Zealand and the Pacific

**Colonialism and Male Domestic Service across the Asia Pacific** Julia Martínez, Claire Lowrie, Frances Steel, Victoria Haskins, 2018-11-29

Examining the role of Asian and indigenous male servants across the Asia Pacific from the late 19th century to the 1930s this study shows how their ubiquitous presence in these purportedly humble jobs gave them a degree of cultural influence that

has been largely overlooked in the literature on labour mobility in the age of empire With case studies from British Hong Kong Singapore Northern Australia Fiji and British Columbia French Indochina the American Philippines and the Dutch East Indies the book delves into the intimate and often conflicted relationships between European and American colonists and their servants It explores the lives of houseboys cooks and gardeners in the colonial home considers the bell boys and waiters in the grand colonial hotels and follows the stewards and cabin boys on steamships travelling across the Indian and Pacific Oceans This broad conception of service allows Colonialism and Male Domestic Service to illuminate trans colonial or cross border influences through the mobility of servants and their employers This path breaking study is an important book for students and scholars of colonialism labour history and the Asia Pacific region Islands Magazine ,2000-02 *From the Cannibal Isles to the Way the World Should be* Yoko Kanemasu,2005 Moon Handbooks Fiji David Stanley,2004-08-18 Widely traveled author David Stanley knows the best ways to explore this 322 island archipelago His firsthand experience and honest insight will show you the difference between visiting Fiji and knowing it Moon delivers the right mix of in depth information and strategic advice With accommodation and dining options for any budget activities for a range of interests and our intuitive organization it s easy to find exactly what you re looking for Moon gives you the tools to make your own choices The result An entirely uncommon experience and a few new stories to tell Book jacket **Postcards** Lydia Pyne,2021-10-13 A global exploration of postcards as artifacts at the intersection of history science technology art and culture Postcards are usually associated with banal holiday pleasantries but they are made possible by sophisticated industries and institutions from printers to postal services When they were invented postcards established what is now taken for granted in modern times the ability to send and receive messages around the world easily and inexpensively Fundamentally they are about creating personal connections links between people places and beliefs Lydia Pyne examines postcards on a global scale to understand them as artifacts that are at the intersection of history science technology art and culture In doing so she shows how postcards were the first global social network and also here in the twenty first century how postcards are not yet extinct *The Phi Gamma Delta* ,1907 **Phi Gamma Delta Quarterly** ,1907

## **Fijis Past On Picture Postcards Introduction**

In today's digital age, the availability of Fijis Past On Picture Postcards books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Fijis Past On Picture Postcards books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Fijis Past On Picture Postcards books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Fijis Past On Picture Postcards versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Fijis Past On Picture Postcards books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Fijis Past On Picture Postcards books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Fijis Past On Picture Postcards books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Fijis Past On Picture Postcards books and manuals for download

have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Fijis Past On Picture Postcards books and manuals for download and embark on your journey of knowledge?

### **FAQs About Fijis Past On Picture Postcards Books**

1. Where can I buy Fijis Past On Picture Postcards books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Fijis Past On Picture Postcards book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
